

“*Rosebank’s HSC results of 2021 are outstanding in any year, and even more remarkable given that they were achieved through a time of great uncertainty and disruption. Ranking 113th in the State (SMH 2021 HSC School Rankings), our results are a testament to this great community. Together our students, teachers and parents have overcome and risen with great resilience, character, confidence and success. We could not be more proud.*”
