**ROSEBANK
COLLEGE**

SECTION 1

Governance and Management

**ROSEBANK
COLLEGE**

Chair of the Board

MS TARA McCARTHY

It remains a privilege to serve the Rosebank College community in the capacity of Chair.

On behalf of the College, it gives me great pleasure to introduce the Rosebank College Yearbook for 2023. The Yearbook is a testament to the achievements and successes of our school community.

Our theme for 2023 is 'Neighbour viewed through the lens of community'. It aims to help us define and reflect on the concept of neighbour beyond both proximity and immediate family and friends to include all whom we encounter. This is particularly appropriate for 2023 where, as a school community, we welcomed a return to normalcy following three years of varying COVID disruptions.

We have been able to host many events that bring our community together and celebrate the work of our talented students. Some of the highlights of 2023 include our College Musical (*Charlie and the Chocolate Factory*), our annual Open Day, Mother's and Father's Day events, our school Trivia Night, the reintroduction of the Benedictine Exchange Program as well as the showcasing of the talents of our students through our various performing arts showcases and awards presentations... just to name a few.

These achievements don't just happen; it takes an extraordinary amount of hard work and commitment from our teachers and staff, capably led by Ms Iris Nastasi and supported

by a committed Leadership Team with a strong focus on our students and their welfare.

It remains a privilege to serve the Rosebank College community in the capacity of Chair. I would like to acknowledge my fellow directors, who provide their time and expertise voluntarily to consider key matters in the areas of strategy, governance and finance as well as risks and opportunities facing the College in order to prepare the College, and in turn our students, for the future.

To close, I would like to leave you with the words of Pope Francis in *Fratelli tutti* 66 where he states that '...the existence of each and every individual is deeply tied to that of others: life is not simply time that passes; life is a time for interactions.'

This has certainly been true for 2023. I hope you enjoy our review of the year that was.

We have been able to host many events that bring our community together and celebrate the work of our talented students.

Principal

MS IRIS NASTASI

This year's successes strengthen our position as a Catholic co-educational college.

It's an enormous privilege to lead a college of the calibre of Rosebank College. Rosebank's story is steeped in history and tradition but looks to future chapters with a progressive and innovative mindset. I couldn't be prouder of who we are today.

This year's successes strengthen our position as a Catholic co-educational college. We firmly believe that we do not need to remove boys from the room to empower girls, nor should girls be separated from boys to grow fine men. If anything, it is the opposite. We are passionate about boys and girls hearing the same message of respect and building strong relationships around meaningful purpose. What could be more powerful in education than leadership and learning? This is the compass that steers our direction.

One of the highlights for me this year was The Rosebank Rally, an initiative run by our Ministry Team. The theme for this year's rally was 'Cut to the Heart'. Close to 300 students volunteered to sing, dance and perform but, most importantly, the event focused on Adoration and the Sacrament of Reconciliation. Our student participation was outstanding.

It was an honour to attend the Year 11/12 Retreat. Again, I have never seen a more active participation and commitment from any group of students. Catholic education has to be about faith and hope. Our students reconciled doubts, mended relationships, and reconnected with God and themselves. The leadership and dedication of the teachers who attended were richly rewarded by exemplary faith and community building.

Images of the College musical resonate with me months later. Again, boys and girls singing, acting, dancing and being part of the Rosebank orchestra endorse a strong message of what is possible through an excellent performing arts program. The collaboration that occurred over the prior six months is as important as the performance itself. The show ran for six sold-out sessions. A further endorsement of this performing arts program is the success of our Senior Theatresports Team who won the finals of the Sydney Theatresports Competition on a glamorous night at the Enmore Theatre, overcoming competition from even the very best performing arts schools. Again, look what we can do!

We continue to nurture student voice and are grateful to our student community for their contribution to the emerging fig tree space. This project, although more costly than anticipated,

has been designed and led by student voice and should lead us to an attractive and functional gathering space that pays homage to both the Sisters of the Good Samaritan and the Wangal people; the students were careful to include the fig tree motif in the design. I am optimistic for the future, given that a core group of Year 7 students initiated the Nude Food challenge to reduce waste in our community. Thank you to all the parents who supported the initiative and the P&F who have particularly supported the Fig Tree Gathering Space by donating their funds to this project.

Congratulations to our Year 12 students, particularly the College Captains. This cohort has raised the bar here at Rosebank. We could not be prouder of them.

Ten of our teachers were recognised at the Teachers' Guild Awards this year. The teachers at Rosebank give up huge amounts of personal time to prioritise our students, and we never take that for granted. Teaching has to be, for me, the most honourable profession, and we commit heavily to nurturing and supporting our new teachers and drawing from and respecting all those experienced in their craft.

The strategic plan is evolving well with a reconnection with alumni, investment in our employees, a complete restructuring of co-curriculum – now called Physical and Cultural Engagement (PACE) – completion of our building master plan and celebrating leadership and learning in this fine Catholic learning community.

Assistant Principal

MR PAUL HARDWICK

The ever-changing landscape of technological innovation continued to bring both opportunity and challenges.

Our College theme for 2023 was 'Neighbour viewed through the lens of community'.

We called on our staff and students to 'Listen with the ear of your heart' (RB Prologue 1) and immerse themselves more deeply in the Word of God. The College provided a number of new opportunities for our community to incorporate moments of quiet reflection into their teaching and learning and facilitated a range of initiatives to encourage the development of meaningful connections.

The ever-changing landscape of technological innovation and artificial intelligence continued to bring both tremendous opportunity and new challenges to our community. Staff worked tirelessly to adjust the delivery of our curriculum, the scope of our pastoral programs and the setup of our learning spaces to continue to ensure the best possible outcomes for our students, as we explored the impact of these new advancements in technology within education.

More than ever before, our student voice has been incorporated into our decision-making processes. Consultation with our student leaders has been high on our agenda in 2023, and the contributions of our student body are becoming

more and more visible across all aspects of College life. So, too, is our connection with both the traditional owners of the land, the Wangal People of the Eora Nation, and our Good Samaritan history. Aspects of our proud heritage have been symbolically woven together as tangible reminders of our past and of the foundations on which we continue to build.

Communio remained at the heart of our activities during 2023, whether on site or across international borders. The College once again opened its doors to a group of international exchange students, who were welcomed into the homes of our generous Rosebank families and into the friendship circles of their Australian peers. Our own students were in turn enveloped in this same spirit of *communio* as they travelled into Australia's Red Centre as part of our immersion program and as pilgrims to Europe for World Youth Day.

Our Parents and Friends Advisory Committee, along with an army of volunteers, supported our community at a number of events held during the year. The College, back to running a full calendar of activities, hosted visitors on site for Open Day, guest speaker presentations, information evenings, student showcases and competitions, social events and more. We were also able to introduce the local community to our newly opened Manquehue Hall, complete with an innovative learning hub and second-storey outdoor sports courts.

The launch of a restructured Physical and Cultural Education (PACE) program introduced an exciting range of new and diverse sporting and extracurricular offerings at the College in which our students have thrived and achieved both personal and team success.

As a result of the efforts of a cohesive staff body working tirelessly to support our students on their journey through secondary school, our community continues to go from strength to strength. It is with both confidence and humility that we commence our journey together into 2024.

Student Leadership

COLLEGE CAPTAINS

Lola Arnold and Jonas Kapsanis

Over the past year, we have had the privilege to lead Rosebank as College Captains alongside our amazing leadership team. We have thoroughly enjoyed working with and learning from our peers, teachers and other leaders and have been able to do so through the activities and initiatives in which we have participated. Highlights include attending the 2022 Archbishop of Sydney's Student Leadership Forum, Prefect Afternoon Teas, and more.

The Archbishop of Sydney's Student Leadership Forum was an amazing opportunity for us as we were able to discuss important issues for the young people of Australia from the perspective of the Catholic church with other student leaders. We could ask the archbishop any questions we had, and he provided great insight into how Catholicism applies to such a modern society.

As a leadership team, we attended many Prefect Afternoon Teas over the past year, not only to make some great connections and friendships with other leaders, but also to talk about leadership strategies at different schools and make note of ideas and initiatives to implement at Rosebank. Throughout the year, we were also able to collaborate with our House Captains on the Interhouse Basketball Competition and the eventful Teachers vs Students basketball game. We loved getting to work with our talented team of leaders and delivering such exciting events!

We would like to take this opportunity to thank all the

teachers and students who have made our leadership journey and this last year possible. Our experience as College Captains has been incredibly rewarding thanks to the friendship, hard work and support of all our other leaders.

It would be remiss of us not to thank, in particular, Ms Long and the College Leadership Team for their tireless work and unwavering support of all our initiatives and ideas throughout the year; nothing would have been possible or well executed without their continued guidance and input.

We want to wish the new leaders for 2023/2024 all the very best and hope that they enjoy and make their final year as memorable as we have. To Year 12 and the whole College community, we thank you for this opportunity over the past year; it has been an honour to actively serve the Rosebank community and all it represents.

COLLEGE VICE CAPTAINS

Gabriel Giuntoli (Pastoral Care), Erika Okubo-Fleming (Learning) and Lorena Mifsud (Ministry)

It has been an absolute honour being the Vice Captains of Rosebank College this year, and we have thoroughly enjoyed working together as a leadership team and developing friendships along the way. In Ministry, we saw the introduction of a new student-run initiative, the Rosebank Winter Sleepout. By raising just over \$10,000 for Youth off the Streets, Rosebank students were given the opportunity to spend a night at school, experiencing what it would be like to sleep rough on the streets for a night. Working alongside a creative and dynamic group of students, we worked on various projects

such as Leaders at Lunch. A key highlight of our role was helping organise the talent show, working alongside the House Captains in organising the Interhouse Basketball Competition and contributing to several event committees such as the Push-Up Challenge committee and the Fig Tree committee to assist in initiatives for the school. We were also given the opportunity to attend various leadership afternoon teas and leadership forum events, which connected us with leaders from different schools across Sydney, helping us bring new ideas to the College and develop as leaders. We would like to thank Rosebank for this amazing opportunity and everyone who helped us along the way, trusting us in leading the student body. It is amazing what can be achieved when we come together and work collaboratively. It goes to show that 'This is Rosebank'!

By working in small groups, each leader had the chance to contribute towards the greater good.

CURRICULUM CAPTAINS

Gianluca Arlotta, Kimberley Choy, Sofia Dunphy, Jack Harris, Marcus Kostogiannis, Mia-Rose Lombardo, Kahlan Louey, Kayla Low, Celeste Malcolm, Grace Renwick, Maddy Webb

The Rosebank Curriculum Captains had a fulfilling year, showcasing their passion for their roles. Mia-Rose Lombardo (CAPA) cited inspiring others during showcase evenings as a highlight, and Kayla Low (CAPA) named the College Musical as well as working with Mrs Hill as her highlight. Sofia Dunphy (English) fostered reading through a book club, Kimberley Choy (History) led the ANZAC ceremony, and Kahlan Louey (HSIE) guided students towards pursuing HSIE subjects. Grace Renwick (Languages) encouraged learning with engaging events, including karaoke. Gianluca Arlotta (Mathematics) led Maths@ Lunch, Jack Harris (PDHPE) assisted Mr Capello, and Marcus Kostogiannis (Science) led the Science Club. Furthermore, we all played an active role in assisting the Faculty Coordinators, both at Open Day and Subject Selection evening. Overall, we feel that, as leaders, we have left a positive impact on Rosebank College's learning community.

CULTURE AND IDENTITY LEADERS

Costa Efthimiou, Ledia Ekoue, Ellenor Fleming, Olivia Mazzotta, Ava O'Brien, Mihika Rao, Natalie Russell, Jamie Truong, Hudson Van Reyk, Venetia Vidotto

Being a Culture and Identity Leader has provided us with a great sense of achievement in being able to give back to our school and community. We worked together as a team to organise activities and initiatives which brought awareness to contemporary societal issues, including Harmony Day, R U OK? Day and Reconciliation week. In addition, we also assisted at many other events for the school, such as setting up for the 'Men who Matter' morning tea and mass to recognise and show our appreciation for the influential men within the Rosebank community. We also had the opportunity to be invited to leadership afternoons and to connect, collaborate and network with many other leaders from a wide range of schools. This allowed us to form new friendships with people we had not met before as well as to gain new ideas and creative initiatives for us to use. Overall, being Culture and Identity Leaders has provided us with invaluable experiences and lessons which we will always remember and appreciate.

SOCIAL JUSTICE LEADERS

Aidan Borrows, Mikaela Calcagno, Ryan Chan, Alessia Fragomeli, Alexander Moreira, Amy Poole, Olivia Sullivan, Alessandra Timpano, Grace Robertson, Natalia Santarpi

Over the past year, as the Social Justice Service Group, we have worked to encourage a higher engagement with our College charities and spread awareness of issues that people face around the world.

Through our positions, we have had the opportunity to organise Social Justice Day which allowed students to develop a stronger understanding of the challenges faced by First Nations peoples, make sandwiches on Thursday afternoons to support Vinnies Night Patrol, fundraise for earthquake recovery in Syria and Turkey, make pancakes on Shrove Tuesday, and collect a series of donations for Project Compassion and the St Vincent de Paul Christmas Hampers and Winter Appeal.

By working in small groups, each leader had the chance to contribute towards the greater good, and work together during our last year of high school, having fun and collaborating to improve the school and local community. We wish the best of luck to the future Social Justice Leaders.

Being a (student) leader has provided us with a great sense of achievement in being able to give back to our school and community.

ENVIRONMENT LEADERS

Charlotte Durham, Melissa Fayad, Lily Hole, Mia-Rose Lombardo, Lily McEvoy, Alexandra Politis, Damian Reynolds, Talia Sezgin, Anson Shum, Christian Tedeschi

Over the past year, the leaders of the Environment Service Group have worked collaboratively to implement new initiatives at Rosebank College, whilst raising awareness of environmental issues. The Return and Earn bins have been a major project, allowing individual Houses to be motivated to recycle their bottles and cans, gaining House points. Environment Leaders were able to participate in a challenge to decorate the bins in their House colours, and Brady House took the crown. The Environment Service Group also established a pen recycling box through Officeworks that was placed in the SRSC, providing students a place to recycle their old or empty pens. We wish the best of luck to the future Environment Leaders, and hope they are able to continue the positive contributions made to the College by us, as leaders, and by previous Environment Leaders.

PACE CAPTAINS

Isaiah Lebron, Lily McEvoy, Jai Thompson

As we reflect on our time as the 2022/23 PACE Captains, a profound sense of gratitude fills our hearts. Together we believe the PACE team created an enjoyable year: both the Swimming and Athletics carnivals as well as the Interhouse Basketball Competition boosted school spirit and brought involvement from all years. The memories created and the bonds forged between teammates across all years will be cherished forever. We are thankful for the opportunity to have served as PACE Captains, as it has not only shaped us as individuals but has hopefully left a mark on the lives of those we had the privilege to lead.

CROSS CURRICULUM CAPTAINS

Sienna Ulizzi, Harley Hatzimihail, Isabelle Campion

We want to wish the new leaders for 2023/2024 all the very best and hope that they enjoy and make their final year as memorable as we have.

House Captains

ADAMSON HOUSE CAPTAINS

Lily Borozan and Luca Sabia

Striving further than ever before, the Adamson community has led the House to victory yet again, with a third consecutive win in the Swimming Carnival and a second consecutive win in the Athletics Carnival. The Adamson House has exemplified the importance of teamwork and participation as integral to our House's success. With our ability to encourage everyone in Adamson to get out of their comfort zone and try their best, we have become an unbeatable force, showing the true spirit of Adamson. From the beginning, the leaders of Adamson have created a tight-knit community that works together in unity to achieve greatness. This would not have been possible without the help of our Service Group Leaders – Alexander Moreira, Natalie Russell and Damian Reynolds – along with the endless guidance and support from Mr Sinclair-Kydd and Mrs Slaney

who worked closely with us to make Adamson a House of spirit, enthusiasm and unity.

We are sure we leave this House in the capable hands of the next Adamson Leaders – Anthony Pan, Mikaela Lofaro, Jayden Melhem, Claudia Peterie and Isabella Todaro – who will lead this House with integrity and pride.

BRADY HOUSE CAPTAINS

Kayla Low and Stephen Petousis

As Brady House Captains, it has been a privilege to serve this extraordinary House the past year. Throughout 2022/2023, we have been able to reach significant fundraising goals, including our Interhouse Home Room Competition and raising funds from our Christmas lolly bag and gingerbread men sale to help our House charity, Kiribati. We have had a number of successes at both the Athletics and Swimming carnivals, and

won the Interhouse Middle School Basketball Challenge and the Environment Group's Return and Earn bin competition, showcasing the immense talent of Brady! We would like to thank Mrs Mollace, Ms Poulos and Ms Hanrahan-Tan for their amazing support throughout the past year; we are very grateful. We wish the upcoming Brady leaders all the best for 2024!

This past year as House Captains has been filled with many memorable moments and learning experiences.

CASSIDY HOUSE CAPTAINS

Sofia Dunphy and Ethan Shi

Cassidy had an amazing 2022/2023, with high House involvement! There were many ups and downs, but we are so proud of everyone's participation throughout the year. Many good memories were created, including our donut fundraiser, where we raised over \$700 for Lucas Gardens school. Cassidy's tireless efforts and participation in the Athletics Carnival led us to come 4th, an amazing accomplishment! We would like to thank Ms Solomonides and Ms Presser for their constant support and guidance throughout the year; we would not have been able to do it without you! We wish only the best for the 2023/2024 Cassidy leaders and the next students who will join Cassidy – good luck in your future endeavours!

Everyone's hard work, dedication and House spirit are seemingly unrivaled as members continue to create a welcoming and positive environment.

CAULFIELD HOUSE CAPTAINS

Jasmine Gilligan and Fraser Salmon

Over the past year, we have had the incredible experience of watching Caulfield grow and connect, raising the bar on every level. Everyone's hard work, dedication and House spirit are seemingly unrivaled as the members of Caulfield continue to create a welcoming and positive environment. We are so proud to see everyone show up and try their best, no matter what, whether it's in the Swimming and Athletics carnivals, cheer competitions, the Push-up Challenge, or turning up to support our House charity lolly bags and sausage sizzle fundraisers. We would like to thank all the Home Room teachers, Ms Clark and Ms Whiticker, along with the Service Group Leaders – Ellenor Fleming, Alessia Fragomeli and Lily Hole – who, together, have helped create the amazing Caulfield community. Good luck to the next Caulfield leaders: we look forward to seeing what you do!

DELANEY HOUSE CAPTAINS

Cooper Husken and Sienna Tierney

As House Captains in 2022/2023, we have been extremely fortunate to have worked with such enthusiastic Delaney students and teachers throughout the year. We are beyond grateful that we were given this opportunity, and so incredibly thankful for all the teamwork and participation in fundraisers and in the Athletics and Swimming carnivals, and this continues to demonstrate that Delaney is and will continue to be the best House! We would like to thank Ms Moran, Ms De Prima and Ms Keirs for all their help throughout the year and for bringing so much fun to Delaney. We have loved our

experiences as House Captains and would not change a thing. We are immensely proud of everyone and are also very sad to say goodbye to Delaney and Rosebank College. We wish everyone the best.

DWYER HOUSE CAPTAINS

Eve Canale and Samuel Soutis

It has been an absolute privilege to be the Captains of an extraordinary House over the past year. The students of Dwyer have demonstrated extensive generosity and enthusiasm which have allowed us to become an even stronger House. By participating in the Swimming and Athletics carnivals and donating graciously to our fundraisers, Dwyer students have proven that there is nothing they can't do!

We would like to thank Mr Morizzi and Miss Zuman as well as the Dwyer leaders and Home Room teachers for their unwavering support. Without them, none of this would have been possible! As our time as Captains comes to a close, we extend our best wishes to the upcoming Dwyer leaders.

HAYES HOUSE CAPTAINS

Sean Kerr and Zara Lockhart

This past year as House Captains has been filled with many memorable moments and learning experiences. We are extremely grateful for all the opportunities we had as leaders: being a part of many initiatives, sharing our student voices within the College, leading our House to second and third place in the Swimming and Athletics carnivals respectively and having our first ever Hayes fundraiser for our charity! We are

so proud of the enthusiasm and collaboration from all the Hayes students and fellow service group leaders, as well as thankful for the endless support and guidance from our House coordinators, Ms Henry and Ms Piperides, and Home Room teachers. We are amazed how quickly our time passed and although it is extremely sad to say goodbye, we give the new leaders and other students of Hayes our best wishes for the future.

There were many ups and downs, but we are so proud of everyone's participation throughout the year - many good memories were created.

MCLAUGHLIN HOUSE CAPTAINS

Natalia Diaz and Alfie Salvato

Leading the McLaughlin House this past year has proven to be a challenging and exciting experience. The year was full of excitement, as we were able to win the chants at the Swimming Carnival, encourage the highest participation of students at the Athletics Carnival and win our third consecutive Senior Basketball Competition. We would like to thank our service leaders – Jamie Truong, Alessandra Timpano and Charlotte Durham – for all their hard work and effort throughout the year. Furthermore, we would like to thank our House Coordinators, Mr Zilich and Miss Peruzzi, for guiding us through our House Captains' journey. We give our best wishes to the next captains, Fergus Lamond and Catherine Nunez, for 2023/2024.

Leading this energetic community has brought us great joy and many valuable experiences.

O'CONNOR HOUSE CAPTAINS

Serina Baukes and Jerome Tabuena

Leading O'Connor House as captains for 2022/2023 has been an amazing privilege. We are immensely proud of O'Connor's hard work, dedication and positivity that have created a welcoming and united community. Thanks to everyone for their involvement and contributions. Thank you to Ms Davis, Mrs Busetto, Ms Long, and the Home Room teachers for their unwavering support. We are also grateful for the exceptional work of Hudson Van Reyk, Grace Robertson and Mia-Rose Lombardo as Service Group Leaders. Farewell is difficult, but we cherish our time as House Captains and would not change a thing. To the upcoming leaders, best of luck; we know you'll be fantastic!

VAUGHAN HOUSE CAPTAINS

Luca Kovac and Angelique Lorquet

As 2022/2023 Vaughan House Captains, leading this energetic community has brought us great joy and many valuable experiences. From placing second in both Middle School and Senior School Interhouse Basketball competitions, to the thousands of dollars generously donated to our Tanzania fund, we are immensely proud of this year's efforts! Vaughan has once again proven to be remarkable for its warming House spirit, displayed right throughout the year.

We want to thank our House Coordinators, Ms Goodenough and Ms Luppino, for their countless hours of time and preparation in making Vaughan an amazing and welcoming community.

As difficult as it is to say goodbye, we wish Vaughan great success in future years and best of luck to our new House Captains.

Parents and Friends

CARA EDWARDS, PARENTS AND FRIENDS LIAISON

The P&F calendar year was brimming with events aiming to foster community spirit.

This year is the second year since the pandemic that we have been able to meet in person, and our social engagements have been back in full swing. The P&F calendar year was brimming with events aiming to foster community spirit, engage the parent community and raise funds for the College. In addition to meeting lots of great people (in person!), I have been amazed at the generosity of our parent community in volunteering and donating.

A donation of \$21,000 was made to the College as a result of fundraising efforts this year and the generosity of parents and the local community. This will assist with the new outdoor learning and gathering space where the fig tree stood in the centre of the College.

The Year 7 Parent Social Evening in Term 1 was a great way to get to know other parents and also all 10 of the College House names! This was followed closely by the Parent Welcome and Information Evening at the school.

The Open Day in May served over 1,500 sausage sizzles, 100 litres of slushies and an amazing variety of cakes and treats baked by the Rosebank community. Over 3,000 people were at the College on the day, and over 100 volunteers served in the food court. The vibe was buzzing!

The Christmas-themed Trivia Night sold out and saw parents coming together to mingle and share in friendly competition. Many participants dressed up in red and green, along with a table of reindeer, elves, and a guest appearance by Santa Claus himself (aka Mr Hardwick). We had an amazing group of volunteers who helped before, during and after the event!

All in all, the year was a great success. I'd like to acknowledge and thank the P&F committee, many of whom have volunteered each year – Toni Catton, Binh Pham, Sally Tagoe-Swanson, Lindy Sivy, Rebecca Neilson, Francesca Raiti, Sandra Russo, Luisa Iskra, Tim Nelson, Lorraine Kavanagh, Carmel Meade and Antonella Mifsud. Thank you also to our wonderful parent community who have volunteered their time to help with other tasks at various events. A particular call out here to Adrian Tourle.

Whilst it has been a whirlwind of getting to know the school, learning lots, and meeting other parents, it has been an extremely rewarding and humbling experience.

Rosebank is a wonderful community, and I am very proud and humbled to be part of the P&F for the last two years, being able to bring the community together, encourage social interactions and support the school.

As I always say, 'Many hands make light work!'

Benedict Exchange Program

Alumni

MRS TINA CARBONE, COMMUNITY ENGAGEMENT LIAISON

Our alumni community has continued to grow and strengthen this year through a variety of programs.

Our alumni community has continued to grow and strengthen this year through a variety of events and programs which have provided our alumni numerous opportunities to engage with the College.

This year, we revived the Rosebank Alumni Excellence Award, which was initiated in the College's Sesquicentenary year in 2017. Alumni who have received the award have distinguished themselves in their professional careers or community service both locally and beyond. More specifically, they have received public recognition for professional, cultural, sporting and/or community leadership.

Rosebank College presented Dr Fiona Martin (Class of 1995) with the Alumni Excellence Award, recognising her sustained contribution to her profession but also more broadly, nationally, as a proactive representative of this area and promoter of health issues across our country.

Fiona is the first female MP to represent our local division of Reid and represented this community in the federal parliament 2019-2022. Fiona is passionate about improving health outcomes. She is also a registered psychologist who has advocated for young people, mental health, safety, and disability

issues. Her success offers an inspiration to all of our students.

We continued to add episodes to our Rosebank Aluminate video series. Each episode tells different stories of recent alumni in a variety of fields and industries, showcasing success in its many forms. This series offers to inspire current students to see what is possible after their time at the College ends and encourages them to advance in their post-school education and career. To view these videos, head to the Rosebank College YouTube page.

The reintroduction of our Rosebank Reunion event was a wonderful success as we opened our gates to all past alumni as well as staff both past and present to celebrate. No matter when your student days ended, there will always be a place for you and your classmates within our alumni community, and this event recognises that reconnecting with your classmates is an important part of your story. We had over 120 alumni return to the College in October to celebrate their shared experience. Guests enjoyed afternoon tea, Rosebank's Corelli Strings, a College tour and refreshments.

Alumni continue to offer their services to the College in a volunteering capacity either as mentors or guest speakers, or through support of our Ministry Formation Group, Year 10 Industry Awareness Expo, EnrichED Programs and Open Day. Rosebank also proudly employs skilled alumni as tutors for our Rosebank Academic Mentoring Program (RAMP) and coaches for our Physical and Cultural Engagement Program (PACE).

Archives

MR ROBERT BEAZLEY, ARCHIVIST

The Archives staff have been able to assist ex-students with inquiries about their own time at the College.

During this last year, the Archives Department has had a large glass cabinet installed for the display of historical forms of the College uniform. There is a hanging rail across the rear of the space to allow photographs of the uniforms worn by ex-students of various periods to be exhibited as well as to hang mirrors for displaying the back of items. All of this effort is a continuing journey in time, inspiration and effort.

A continuing, almost endless, task is the transfer of enrolment information from primary, paper sources to digital, a more accessible form. This is a very important job to achieve accurately and allow the preservation of the original paper records. Information about ex-students can be found more efficiently. It is also important because Rosebank has such a dearth of records back from the 1960s. Every piece of data is precious.

The Archives staff have been able to assist more ex-students with inquiries about their own time at the College or their relatives, usually the generation or more before themselves. Prior to World War II, our records are not so full but we are slowly finding more from newspapers or, very occasionally, from private family records. While the Archives is very grateful to receive historical family items/ information, we are still

receiving access to material which we can photograph and we hold a comprehensive pictorial record of items to do with ex-students. Autograph books, postcards, photographs and personal items are priceless material for archives, and even a photographic record, without a donation of the items, is quite important for our collection.

Undoubtedly the most significant event this year for the Archives was its official opening by the Principal at the College Ex-students' Reunion Day on 28 October. An exhibition of many items from the archival collection gave a number of visitors pause to recall their days at Rosebank or stories they had heard from older women in their families of their days as a student. The exhibition met with considerable appreciation.

Our staff in Archives comprises Robyn Seedsman, Maureen Dolle, Frances Reay and Maureen Anderson with off-site assistance from Helen Kingsley and Pauline Beazley. I thank them for their determined and consistent work with Rosebank's archives.

SECTION 3

Identity and Ministry

ROSEBANK
COLLEGE

Ministry

DR PAUL O'SHEA, DEAN OF MINISTRY

MR COLM MCCAUGHAN, LITURGY AND EVANGELISATION

MR CHRIS HANSFORD, SOCIAL JUSTICE AND IMMERSIONS

The Overall Mission

Dr Paul O'Shea, Dean of Ministry

Good Samaritan Education announced 2023 as the 'Year of Neighbour'. Here at Rosebank we delved into the question of 'Who is my neighbour?' with a particular focus on community. We are a community of many faces, with many stories and many encounters with neighbours. A neighbour is not only someone outside our 'usual' environment but is most encountered in the sisters and brothers with whom I spend the greater part of the day.

Within the context of a Good Samaritan Benedictine school, my neighbours are my colleagues on staff and my students. I think it is one of the great challenges of the Gospel to allow myself to learn to see my neighbour in the faces of everyone with whom I come into contact throughout the usual course of the day. I do not think it a coincidence that Benedict reminds us, towards the end of the Rule, that all members of the community are to practise what he calls 'a good zeal that separates from evil and leads to God and everlasting life'. (RB 72.2). Benedict continues by encouraging all members of the community to be neighbours to one another by 'bearing one another's weaknesses of body or behaviour with the utmost patience and competing with one another in obedience. No one is to choose what is judged better for one's self, but rather what is better for others'. (RB 72.4-8)

Throughout 2023, it has been a joy to witness many acts and the values held by our young people at Rosebank actively engaged in being neighbour to one another. Whether that be in our social justice initiatives, supporting the Good Samaritan Foundation ministries, going on immersions to remote First Nations communities with Red Earth and GSE, accepting the invitation to walk with Christ on Retreat and Reflection Days, World Youth Day, Evangelisation Day and other avenues to open hearts and minds to the wonder of God's love, or the growing in knowledge of our Christian tradition in the academic rigour of the classroom, Rosebank's students, along with the staff, have grown in becoming more loving, generous and other-person-centred neighbours.

As the year closes, I look back with gratitude to our loving God for all the blessings poured out on Rosebank and our wider

Good Samaritan Benedictine community. I have seen the face of Christ in my neighbour in our students and staff. I have heard the voice of Christ speaking through the youngest in the College as well as in the most senior members of staff. I have felt the power of Christ's love in the sensitivity and tenderness of care and compassion.

I wish to acknowledge the pastoral care given to us through our parish priests and other friends of the College: Fathers Paul Ba Kien CP, Paul Crowley, Richard Ddumba, Dan McCaughan, Tom McDonough CP, Michael McLean, John Nguyen OFM Cap, Sebastian Savarimuthu, Tom Stevens, Jonathan Vala, Gerard Woo Ling and Bishop Danny Meagher. Our brothers in priestly ministry are much valued members and neighbours of this 'school of the Lord's service', and Rosebank is grateful for their ministry among us.

I also wish to offer Rosebank's congratulations to Fr Phil Zadro who celebrated his Golden Jubilee of Priestly Ordination on 20 October, 1973. Fr Phil has been a long-time friend of the College and we offer him our heartfelt thanks for his care of us over the years.

Benedict reminds those who are in positions of leadership that they carry a responsibility of service to their neighbours with generous and loving hearts and minds. The Ministry Team at Rosebank is the rock by which I have been supported over the years. I am most grateful for their continued support, challenge and care. If I have been an effective shepherd, it is in no small part because of the team I am proud to lead: Ms Kylie Carroll, Mr Chris Hansford and Mr Colm McCaughan. And our team has been ably supported and cared for by our student Ministry Captains in 2023: Lorena Mifsud and Emma Speranza.

So let us continue in faith, hope and love, as neighbours to all and hear again the words of Benedict: 'Let them prefer

nothing whatever to Christ, and may he bring us all together to everlasting life.' (RB 72.11)

Liturgy and Evangelisation

Mr Colm McCaughan

This has been another full-on year for Ministry in the liturgical and evangelisation components!

In Term One, our major highlights were the Catechist training and the Holy Week events. With over 30 Year 10 students signing up to teach scripture in public schools, our students grew both as people and in their faith. One of the students, Sophia Ferrara, was given the opportunity to speak about her experience in front of the Vicar for Education, Bishop Danny Meagher.

The Catechist program has helped me grow as a person, both religiously and personally. I know I can say for all my peers that the Catechist program has given us the opportunity to teach and enlighten the next generation of Catholics whilst also allowing us to form a multitude of relationships, from the children we help each week to the adult Catechists who have shown us how to be true teachers, spreading the good news. Personally, witnessing the selfless nature of the adult Catechists has inspired me to learn more about my faith in order to continue to give back to the Catholic community.

Holy Week saw us give students a variety of ways to experience Our Lord's Passion, from lunchtime Rosary to Stations of the Cross, a Passion Narrative, Easter Egg Hunt, and a moving liturgy on Holy Thursday.

World Youth Day was a phenomenal experience for myself and Ms Lines and the nine Rosebank students we took to Portugal. With a pre-pilgrimage trip to Italy as well, the trip was jam packed but life changing. Visiting cities such as Rome, Assisi, Padua, Florence, Venice, Bologna and Cascia really gave us a beautiful representation of our Catholic heritage, whilst seeing every nation under the sun represented by 1.5 million Catholics at Lisbon with Pope Francis was truly memorable.

Term Three also gave us our largest ever Rosebank Rally, with nearly 300 students volunteering to stay back after school on a Friday afternoon to celebrate their faith. Although the teachers' skit and the live bands are always a highlight, the profound silence during the Adoration period was simply indescribable. The Holy Spirit worked wonders that day.

Term Four saw us attempt our first ever Evangelisation Day. With a huge variety of guest speakers invited, headlined by a familiar relative, Fr Dan McCaughan, our students were given a great exposition on God's plan for their lives.

Social Justice and Immersions

Mr Chris Hansford

In line with the Good Samaritan Education theme of 'Year of Neighbour', our College community was actively engaged

in works that supported others and further developed our collective understanding of the challenges that face those around us. The Holy Spirit is well and truly active here!

Social Justice Day

This year, our College Social Justice Day focused upon the experiences of refugees and asylum seekers. The College assembled and heard from our keynote speaker, Deng Adut, who outlined his challenges as he left South Sudan and arrived in Australia. Students and staff alike were captivated as he recounted his experiences and challenged all to consider how we may be more compassionate to those around us.

Throughout the day, students had the opportunity to participate in activities and workshops provided by our external contributors and Year 11 leaders who designed and facilitated their own activities. Students were also encouraged to visit the SRSC where organisations had set up market stalls, offering students the opportunity to learn about and support fair trade and ethical businesses.

Winter Sleepout

In a new initiative for 2023, students fundraised \$13,500 to support Youth Off The Streets through a winter sleepout in Term Two. Students listened as a caseworker shared his challenges of working with young people and explained that homelessness does not discriminate. It was an eye-opening experience for many as we dealt with the cold winter nights and hard floors of J-Courts and not sleeping in the comfort and security of our beds.

Red Earth Immersions

This year, Rosebank participated in two Red Earth Immersions, in April to Central Australia and in July to Cape York. With 22 students in each group and supported by College staff, students sat and listened to the history and lived experiences of our First Nations peoples and developed a greater appreciation for the unique connection the communities have with their land. Each group worked together at each Homeland to set up camp, adapt to the ever-changing elements, prepare meals and participate in activities with our generous hosts.

St Vincent de Paul – Winter Appeal and Christmas Hampers

Each and every year, we come together as a College to support the amazing work of St Vincent de Paul. Donations of blankets, gloves, scarves and beanies go to the Winter Appeal. These items are then distributed to those in need through the vast array of programs that St Vincent de Paul provides. Our year closed with the Vinnies Christmas Hampers Appeal, where each and every Home Room collected items to make up Christmas hampers to support families in our local community.

SECTION 4

Learning

**ROSEBANK
COLLEGE**

Dean of Learning

MR GREGORY GEORGIU, DEAN OF LEARNING

MR MATTHEW COUANI, ASSISTANT DEAN OF LEARNING (MIDDLE SCHOOL)

MR JASON SMITH, ASSISTANT DEAN OF LEARNING (SENIOR SCHOOL)

The Festival of the Creative Spirit (FoCS) was a major success.

The 2023 academic year at Rosebank College was marked by outstanding achievements and significant preparations for the upcoming 2024 academic year. The Learning Team played a pivotal role in ensuring the success of the year, with several remarkable highlights.

One of the standout achievements of the year was the 2022 Higher School Certificate (HSC) results. These results were arguably the best in the history of Rosebank College, with exceptional performances from the students. Notably, two students – Gianluca Arlotta and Gabriel Giuntoli – achieved state ranks in Italian Extension, and Lucas Latimer secured a state rank in Music 1. Furthermore, three students – Toby Cohen, Alannah David and Felicity Speranza – achieved band 6 results in 10 of the units they studied. Haeohreum Kim was

celebrated as the College Dux for 2022, boasting an impressive ATAR of 98.9.

In the Senior School, the Learning deanery implemented several activities to support Year 12 students. Notably, they recruited the HSC presiding officer for the Trial Examinations, allowing students to familiarise themselves with the individuals who would supervise their HSC examinations. This built rapport and eased them into the examination process. The Scholastica Research and Study Centre extended its opening hours before the HSC Trials and Examinations to promote collaboration among Year 12 students.

For Year 10 students and Stage 6 students, events like Work Experience and Work Placements were in full swing. The increasing popularity of Work Placements mirrored a statewide trend where students aim to acquire vocational education qualifications while completing their HSC, broadening their employment opportunities upon graduation.

In the Middle School, students were provided with various opportunities and presentations to make informed decisions about their future. Presentations related to STEM were given to Year 8 students, highlighting opportunities for success in Mathematics, Science and Technology. Additionally, these students participated in the STEM project.

The Festival of the Creative Spirit (FoCS) was a major success, featuring a range of projects, from creating, designing and marketing a lip balm to the well-received Lego Masters.

I would like to extend my thanks to our Administration Services Manager, Ms Mel Micallef: she works tirelessly to support the Learning deanery and I cannot thank her enough for her efforts. I would also like to extend my gratitude towards:

- Mr Matthew Couani (Assistant Dean of Learning - Middle School)
- Mr Jason Smith (Assistant Dean of Learning - Senior School)
- Mrs Amanda Hill (Acting Assistant Dean of Learning - Senior School)
- Mrs Melissa Gal (Acting Assistant Dean of Learning - Senior School)
- Ms Louise Speke (Acting Assistant Dean of Learning - Middle School)

I thank them for the very high standard of their support of the students of Rosebank College.

Religious Education

MS KYLIE CARROLL, COORDINATOR

MR PEDRO MOREIRA, ASSISTANT COORDINATOR (TERMS 1-3)

MRS MARIA STOJOSKI, ASSISTANT COORDINATOR (TERM 4)

Religious Education enriches the spiritual dimension of our school community.

Religious Education (RE) and formation continue to hold a central place in Rosebank's mission and identity in 2023. Our guiding light remains the teachings and actions of Jesus Christ, inspired by the Holy Spirit. We encourage every student to heed Jesus' words from the Gospel of John, 'I am the way, the truth, and the life' (John 14:6), as they embark on a journey of faith exploration and learning. Much like the parable of the Good Samaritan, which epitomises compassion and selfless love, our educational ethos is deeply rooted in the call to be a neighbour to one another, transcending societal boundaries and prejudices. Additionally, the Benedictine Tradition at Rosebank College provides a unique context for students to cultivate an awareness and appreciation of our spiritual heritage, mirroring the spirit of the Good Samaritan in our daily lives. This tradition enriches the spiritual dimension of our school community, fostering an environment where faith not only develops but flourishes.

The purpose of Religious Education is to enrich the spiritual dimension of our school community, recognising that faith blossoms through an understanding of God. Throughout 2023, we have provided various occasions for students to put their faith into practice and deepen their knowledge. These moments include active participation in sacraments, regular liturgical celebrations, and class masses. The Religious Education Faculty takes great pleasure in congratulating Philip Plan (Year 11) on his appointment as the Curriculum Captain for Religious Education for the upcoming year.

Junior RE

For students in Years 7 to 10, there's a unique opportunity to cultivate an awareness and appreciation of the College's Benedictine connections within the spirit and context of the Good Samaritan Tradition. Each student has the chance to delve into the Catholic faith, nurturing and expanding it throughout their time at Rosebank. The College's Luminos faith group encourages students to further explore their faith, discovering fresh ways to manifest it in their daily lives. Additionally, students can share their faith knowledge with peers in our local public schools as part of the Confraternity of Christian Doctrine program.

Senior RE

The Senior Religious Education program presents students with the choice between the NESA Studies of Religion 1 and 2 Unit course or Studies in Catholic Thought. This empowers them to explore various world religions and gain an appreciation for them in light of our own Catholic faith. A pinnacle of the Senior RE program is the College Retreat, a space for students to delve into their faith and reflect on its significance in their lives as they approach the culmination of their education. Post-graduation, students are invited to join the College Alumni Faith Group, providing a way to stay connected to their faith and the College community.

English

MS VERONICA TRAINOR, ENGLISH COORDINATOR

MS ANGELA NUTTALL, ENGLISH ASSISTANT COORDINATOR

2023 has been a transformative year in English at Rosebank.

In his poetic meditation *Four Quartets*, Modernist poet T.S. Eliot tells us that 'last year's words belong to last year's language...next year's words await a new voice'. It's a powerful, elemental poem that speaks of the power of language and of the need to embrace the possibility of transformation and renewal. 2023 has been a transformative year in English at Rosebank, as we made preparations for the new English 7-10 syllabus to be implemented in 2024. This new beginning has provided opportunities to renew and refocus our teaching and learning, and we welcome, in particular, the syllabus's close focus on strengthening reading and targeting the technical skills of writing, while supporting student empowerment and voice through language and literature.

Creativity has been at the heart of our learning, as students have had opportunities to collaborate, experiment and extend their learning through projects such as Year 8 documentary making, Year 9 gothic podcasting and imaginative and discursive writing across each learning stage. Enrichment was also made possible through literary activities within the College and excursions, including the Sport for Jove Theatre *Tempest*/ *Hag-Seed* Symposium, Poetry in Action, English Standard HSC

holiday workshops and Bell Shakespeare performances of *Macbeth*.

This year, students from Years 7-11 took part in Write a Book in a Day, a national competition that presented the challenge of composing, illustrating and publishing books within a twelve-hour period. Not only did our teams demonstrate creativity, discipline and collaboration throughout this experience, it was also an activity that fostered empathy and a sense of community, as our students raised funds and awareness for children's cancer research, with the books from the project being donated to children's hospitals around the country.

Once again, we commend the achievements of our English Extension 2 cohort. Our students tackled their Major Works with great aplomb, undertaking the significant journey of literary and theoretical investigation in order to compose original creative and critical responses. This year's Major Works explored diverse topics including predeterminism and free will, a First Nations' poetic voice and the Australian literary canon, reflections on the nature of grief and the appropriation of classic Greek mythology in contemporary writing.

Many thanks to the indefatigable efforts of the English Department who share their own love for learning, reading and collaborating in order to foster and inspire curiosity, critical thinking and positive self-efficacy. As we, too, forge new beginnings, we await with excitement the sound of new student voices emerging from the English classroom.

Science

MRS SIRAN GALEB, SCIENCE COORDINATOR

MS SOPHIE ROBSON, SCIENCE ASSISTANT COORDINATOR (TERMS 1-2)

MS MARIE MOVSESSIAN, SCIENCE ASSISTANT COORDINATOR (TERMS 3-4)

The College celebrated Science Week with great enthusiasm and creativity.

The year 2023 at Rosebank College has been a remarkable journey through the realms of Science, marked by exciting adventures and educational opportunities that have left a lasting impact on students and staff alike. This year, our commitment to scientific excellence and exploration reached new heights.

For the Biology students in Year 11 – accompanied by Ms Robson, Mrs Gralton and Ms Pfefferman – the highlight of the year was undoubtedly the memorable field trip to Penrith Lakes. This trip was not just a break from the classroom but a chance to experience Biology in its natural habitat. Exploring the unique ecosystems of Penrith Lakes, students delved into the intricacies of biodiversity, ecology and conservation. This hands-on experience allowed them to witness the wonders of the natural world, reinforcing the importance of preserving our environment. We also acknowledge the ongoing commitment and appreciation for Biology with our teachers Miss Nijhawan, Miss Oh and Ms Naylor, with special welcome to our new Biology specialist and Assistant Coordinator Marie Movsessian.

Year 8 students had an equally exciting and educational adventure when they visited Taronga Zoo. This excursion provided them with a firsthand opportunity to observe various species of animals and learn about their adaptations and classifications. The students were inspired by the zoo's conservation efforts, and it sparked their interest in the interconnectedness of species and the need to protect the world's wildlife.

Mr Jason Smith and the Year 12 Earth and Environmental students visited the Australian Museum and were introduced to Climate Science and Resource Management where students interacted with exhibits relating to minerals, resource management, fossils and the evolution of the biosphere.

In the world of Physics, Mrs Galeb accompanied Year 12 students to the University of Sydney for the Physics Kickstart program. This excursion was an incredible opportunity for them to engage with cutting-edge physics research and experience the thrill of scientific discovery in a university setting. The students left with a deeper appreciation for the boundless possibilities of the universe and a sense of excitement for their own future scientific pursuits.

Not to be outdone, Ms Smolka and Mr Hansford supported their Years 11 and 12 Chemistry students who showcased their skills and knowledge by entering the UNSW

Titration Competition. This competition challenged them to demonstrate their precision and mastery of chemical techniques, further solidifying their understanding of the subject and their commitment to scientific excellence.

The entire College also celebrated Science Week with great enthusiasm and creativity around the theme of 'Innovation'. Students participated in a wide range of activities, including science-themed escape rooms, poster presentations, and interactive science trivia. Science Week was a testament to the vibrant and innovative scientific culture that thrives at Rosebank College.

Miss Danaskos, with the support of Science Captains Marcus Kostagiannis and Jasmine Azizi and Ms Pfefferman, took on the role of coordinating The Science Club where Year 7 students were introduced to the energetic and fun world of Science, participating in Science experiments and learning the phenomena behind the wonder. The Science Club is where the most inquisitive minds come together to discuss and explore fascinating topics and all play an instrumental role in igniting the flames of curiosity. This could only be made possible with the additional support of our new Science teachers, Ms Stivaletta and Mr Coutts.

The Year 8 STEM program was coordinated and driven by Mr Couani with the support of Mr Stivaktas, inspiring the minds

of students while amalgamating the curricular pillars of Science, Technology and Mathematics to explore and investigate the effect of changing variables on a battery-operated car.

As we reflect on the year, it is evident that Rosebank College is a place where students are encouraged to explore, question and discover the world of science. The dedication of our teachers, the passion of our students, and the diverse range of opportunities available have made our Science program truly exceptional. We look forward to the future with a sense of wonder and excitement, knowing that the seeds of curiosity and scientific inquiry sown in 2023 will continue to flourish in the years to come.

Science Week

HSIE

MS ELIZA COHEN, ACTING HSIE COORDINATOR
MRS JESSICA HOLDING, ACTING HSIE ASSISTANT COORDINATOR

The College was again successful in the NSW Law Society Mock Trial Competition.

It has been another busy and productive year in the HSIE Department with students involved in several rich learning experiences in and out of the classroom. These experiences have included excursions, academic events, competitions and extracurricular activities.

The senior Geography class took to the field to investigate urban places and people and economic activity at Barangaroo and Taronga Zoo. The students were engaged in several activities involving both primary and secondary research methodologies.

Our junior geographers participated in the Australian Geography Competition, and all years performed admirably with the College achieving several High Distinction and Distinction awards. The Global Studies class were involved in a number of unique experiences: in particular, they made volcanoes and planned a travel itinerary focusing on different nations in the Asia-Pacific. The students then presented these itineraries to a panel of Geography teachers for further feedback and critique.

Our senior students in Economics and Legal Studies were involved in HSC study days that were tailored to address the specific needs of the Higher School Certificate. The Economics class had several industry and educational speakers, and the Legal Studies class visited the Local Court at Parramatta to view several criminal and civil court cases. The Society and Culture class visited the State Library to conduct research on their Personal Interest Projects (PIPs).

The College was again successful in the NSW Law Society Mock Trial Competition. Under the diligent guidance of Mr Peter Scalia, the team had a very successful season. They narrowly missed out on making it through to the quarter-finals. The team was dedicated and, on several occasions, the presiding 'judges' commented on the skill of the team. Thank you to all members of the team and to Mr Scalia for his coaching.

All of this was made possible due to the passion and devotion of the HSIE teachers. This year we welcomed Mr Mark Borg and Ms Jemma Cushway into the department. It is with a heavy heart that we are saying farewell to Ms Angela Tillott who was the head of the HSIE Department from 2015-2022. She was a passionate and dedicated educator, and we thank her for her contributions to the College and the HSIE Department. Miss Francyne Michael took leave in Term Three as she and her husband welcomed a new baby into the world! I would also like to acknowledge the hard work and enthusiasm of the other HSIE teachers: Mrs Linda Busetto, Mrs Annalicia Latham, Ms Melissa Long, Mr John Mannah, Mrs Maria Mollace, Mr Daniel Nesci and Ms Amy Neylan. I would also like to extend an enormous thanks to Mrs Jessica Holding for her committed leadership and support as Assistant Head of Department. We look forward to 2024 as we move forward into the future, working with our students to make a positive impact on the world around us.

History

MR PETER SCALIA, HISTORY COORDINATOR

History continued to be a popular area of study amongst the students of Rosebank.

In 2023, History as a discipline was presented at Rosebank as not just a series of events presented in an annalistic manner, nor as a fictitious yet interesting story, but as an essential societal study which seeks to inform in order to promote an understanding of the present. History is a study which aims to create a national identity, a national consciousness, a sense of belonging to a specific community, and loyalty to the government of the day and the rule of law.

History continued to be a popular area of study amongst the students of Rosebank in 2023. A significant number of Year 11 students chose to study Modern History, and a large number of Year 10 students chose to study History as an elective.

The Year 11 modern historians considered the factors that brought about revolution in Russia in 1917 and the nature of the Cuban Revolution. I commend Isabella Todaro for her outstanding achievements in Year 11 Modern History.

The History Elective students considered the effectiveness of the international community's response to the crime of genocide in the twentieth and twenty-first centuries. They also investigated aspects of Ancient Rome and the reasons for the high prevalence of conspiracy theories to explain significant events.

The Year 8 History students again studied Medieval Europe and Japan under the rule of the Shoguns. They also considered the impact of the Black Death in Europe and in Asia in the mid-fourteenth century.

The Year 9 History students examined the origins of the modern world through a study of the American Revolution of 1776, the French Revolution of 1789 but, above all, the Industrial Revolution of c.1750.

The Year 10 History students again focused on the struggle of marginalised groups across the modern world to attain equal rights in their respective nations through a comparative study of the American Civil Rights Movement and the struggle for rights and freedoms by the Indigenous peoples of Australia in the post-war period.

The Year 11 ancient historians considered the historicity of the Trojan War and the nature of slavery in the late Roman Republic and early Empire.

I would like to recognise the Year 12 ancient and modern historians for their leadership in 2023. First, I wish to acknowledge the leadership of Kimberley Choy, the 2022/2023 History Captain. Kimberley was a true role model to the junior History students of the College. She worked tirelessly to promote History to the junior students and to the community.

Led by Kimberley, the Year 12 History students led the solemn and highly respectful ANZAC Day assembly on 28 April.

The ancient historians entered into a discourse with the final years of the Roman Republic! The modern historians considered the nature of the Third Reich and the reasons for the recent democratisation of South Africa.

All the 2023 Year 12 History students had the opportunity in June to attend a series of lectures presented by experienced History teachers at Sydney University. This occurs annually and is organised by the History Teachers' Association of New South Wales.

In 2023, History has played an important role in the lives of Rosebank students and it will continue to do so. History has become and will remain, for many reasons, an important and essential part of every student's education anywhere.

I congratulate all the History students of Rosebank on their achievements in 2023 and express the hope that they have found their studies in History this year to be engaging and rewarding.

Mathematics

MR ALBERT MAKRAM, MATHEMATICS COORDINATOR

MS KATARIA ADITI, MATHEMATICS ASSISTANT COORDINATOR (TERMS 1-2)

MS CAITLIN O'HEHIR (TERMS 3-4)

It has been another hectic year for the Mathematics Department. We were able to host the Mathematics Competition this year and achieved some excellent results; we also attended the Inquisitive Minds events for Years 8 and 10.

We had a particularly pleasing start to the year with some exceptional Mathematics results for the 2022 HSC Examinations. Sixty-three students achieved a Band 6 or E4, with all five levels achieving above the state average. The class of 2022 showed that, by hard work and regular practice in even adverse conditions, results can be reached beyond expectation; the cohort was ranked 25th in the state for the calculus courses and 45th in the state for the standard courses.

I would like to thank Gianluca Arlotta for his hard work as Mathematics Curriculum Captain this year. He has always been more than generous with his time, attending Maths@lunch and subject selection meetings. We would like to welcome our new Mathematics Captain for 2022/2023, Lucas Lofaro.

RUDE

This year, the Mathematics Department has continued using the rubric for students to help them answer worded problems. The acronym is:

- R - Read the problem*
- U - Underline the facts*
- D - Design a solution*
- E - Evaluate the results*

The Years 7 and 8 students have used this rubric in class to assist them in deciphering what the problem is asking and what mathematical skill is required to solve the problem. This rubric has been quite useful in assisting students to develop solutions to problems.

Online Programs

This year we continued the use of MathsOnline. This program allows students to review and assess their competency in Mathematics topics. Education Perfect was also used, and some teachers used Atomi to enhance learning. Both of these programs can be used in the classroom and at home.

Acceleration

Last year, Accelerator were the third group of students to complete the HSC, with most of them achieving 90% or more. These students should be commended for their efforts. We are in the sixth year of the Acceleration program for Mathematics Advanced. We currently have 25 students invited to accelerate through the Stage 5 course in Year 9, and 24 students in Year 10 completing the Preliminary course and beginning their study for the HSC. In this year's current Year 11, we had 16 students complete the HSC course, and they await their results in December.

Mathematics Competition

We have done very well in Mathematics competitions this year. The following students achieved a Distinction:

- Year 7: Tyson Hickey, Lucas Roch, Lincoln, Tediwijaya, Kiera Yang
- Year 8: Nicholas Day
- Year 9: Louis De Lorenzo, Joonyoung Kim
- Year 10: Domenic Ciano
- Year 11: Lucas Lofaro, Sophia Cuomo

The following students received a High Distinction which is a major achievement in an international competition:

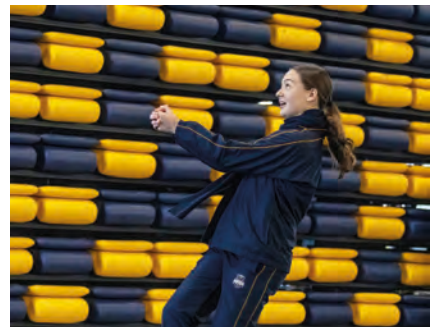

- Year 7: Jordan Roennfeldt
- Year 11: Kaelan Hu

My sincere thanks to all the 2023 Mathematics staff for their cooperation and support throughout the year: Ms Caitlin O'Hehir, Ms Aditi Kataria, Ms Rosanna Algeri, Ms Belinda Clark, Mr Marcel El-Hachem, Miss Katie Foster, Mr Gregory Georgiou, Mr Mason Lowrie, Ms Jacqueline Mastroianni, Mr Peter Mavritsakis, Ms Angie Parthenis, Ms Gabriella Piperides, Ms Veronica Presser, Mrs Joanne Slaney, Ms Amelia Stivaletta, Mr Harry Vomvellis and Mr Michael Zhang.

PDHPE

MR MARK CAPELLO, PDHPE COORDINATOR

MRS SOPHIE HALKIAS, PDHPE ASSISTANT COORDINATOR

Our goal is to foster a love of learning and promote lifelong physical activity.

PDHPE is more than just learning about what foods we should be eating and playing basketball! It is a mandatory subject from Year 7 through to Year 10 with popular elective subjects such as Stage 5 Physical Activity & Sports Studies and Child Studies, Preliminary Sport, Lifestyle & Recreation and Exploring Early Childhood, and HSC PDHPE and Community & Family Studies.

As with every year, I am amazed by the highly dedicated, motivated and hardworking staff that I work with each day. I thank each of Mrs Halkias, Mr Latsinos, Mr Kent, Ms Moran, Miss Taggart, Mr Boumelhem, Mrs Laffan, Mr Hanrahan, Miss Di Bella, Mrs Kayem, Ms Fallone and Mr Roddie. They are excellent role models, and our students are enriched by their efforts, enthusiasm and knowledge.

Our goal in PDHPE is to foster a love of learning and also to promote lifelong participation in physical activity through the development of attitudes, skills and movement competence.

PDHPE provides students with opportunities to explore issues that are likely to impact on the health, safety and wellbeing of themselves and others – now and in the future. Areas such as mental health, drug use, sexual health, nutrition,

relationships, personal safety and discrimination are just some of the topics that we teach throughout the Middle and Senior School. Students also participate in challenging and enjoyable physical activity, improving their capacity to move with skill and confidence. Nowhere else can they learn the social graces of dance, the significance of personal health, the gratification of self-belief, the skill of resilience and the art of saving lives, in preparation for tackling the world when they leave school.

The 2023 HSC cohort was once again blessed with students whose work ethic will, I'm sure, drive them to success, well led and supported by our Year 12 teachers, Ms Moran, Miss Di Bella and Mr Latsinos.

Languages

MS VERONICA DE JONG, LANGUAGES COORDINATOR

MS ADELIE BADMAN, LANGUAGES ASSISTANT COORDINATOR (TERMS 1-2)

MRS MARIA PHILPOTTS, LANGUAGES ASSISTANT COORDINATOR (TERMS 3-4)

A foreign language provides a different lens for experiencing the world.

enjoyed an on-site Lion Dance activity which included actual Lion costumes and traditional musical instruments. Moreover, Years 9 and 10 students used their language skills during excursions to Chinese restaurants and the Chinese Gardens, Darling Harbour.

The Languages Department continues to foster global citizens through the teaching of foreign languages, cultures and customs. Students not only learn another language so as to discuss topics and express opinions, but also discover why various peoples have different values that are expressions of many centuries of culture and history. Language students come to understand that a foreign language provides a different lens for seeing and experiencing the world.

Rosebank's Languages Department continues to provide our students with native speaker assistants who offer personalised support, particularly in speaking and writing. This year Mrs Aurelie Arnold, Ms Kelly Tsai, Ms Li Wang and Mrs Katya Polimeni have provided our senior students with individualised support. We thank them for their expertise and devotion to our students. In Semester Two, we have also had the added support of Italian native speakers supplied by Co.As.It, Leichhardt.

Chinese

Students of Chinese engaged in programs with an array of learning activities designed to develop their skills. The Year 12 students undertook a Study Skills Day and Mock Speaking Day in preparation for their HSC Examination. Year 8 students

French

French language students enjoyed a rich and absorbing language program this year. Year 8 students developed a deeper understanding of French culture through the annual crêpe-making activity led by a professional chef. Years 9 and 10 classes participated in an excursion to Alliance Française where they developed their language skills. The Year 12 students attended a special HSC study day with a team of HSC teachers in order to further their skills and knowledge in French.

Italian

During 2023, Italian language students experienced an engaging and varied program. Year 8 students visited a local gelato manufacturer, ordered their favourite flavour in Italian and sampled the delectable icy treats. Years 9, 10 and 11 had an excursion to enjoy one of the Italian films shown during the Italian film festival. The Year 12 students attended a holiday workshop to prepare for their HSC. The Italian acceleration program continues to flourish with ten Year 10 students completing their Italian HSC this year.

CAPA

MRS AMANDA HILL, CAPA COORDINATOR

MS TARA NANDI, ACTING CAPA ASSISTANT COORDINATOR

2023 has been nothing short of a symphony of talent, growth and innovation.

Dance

Dance was back in full swing this year with our HSC cohort working consistently, and this led to some outstanding projects and results. Four of our students were nominated for Callback, a showcase of exemplary dance works from across the state. Mia-Rose Lombardo and Ruby Wilson were nominated in all three practical components – Core Performance, Core Composition and Major Study Performance – which is a massive achievement. Caitlin Davar and Sophie del Popolo were nominated for Core Performance.

This year, we held our annual Dance Showcase in Term Two in the Benedict Auditorium which allowed as many family and friends to attend the evening as possible. Works included Year 12 HSC pieces and works, Year 11 assessment work, Stage 5 group work and Dance Company pieces. Dance Company continued to dominate in eisteddfod days with multiple placings and Highly Commended awards. Dance Company also performed at Ferragosto in August.

Students are improving in every area of Dance and have grown in skill this year. At present, students have the opportunity to

participate in dance genres including Contemporary, Jazz, Hip Hop, Tap and Folk, and this year has seen the addition of ballet technique classes on Tuesdays before school.

We are definitely looking forward to 2024, when our dancers at Rosebank will again be able to participate fully in every opportunity available within and outside the College, to showcase their amazing skills and to perform. Dance at Rosebank College looks certain to continue to grow and flourish. We thank Mrs Karen Henry for all her work and vision with our dancers.

Drama

Rosebank College Drama students have been transformed by many performance opportunities and exciting events this year.

Year 7 Drama focused on mime and movement skills, learned about voice acting and scriptwriting to create a podcast, and collaborated in groups to devise original performances. The Middle School Drama ensemble refined their drama skills in weekly sessions and workshopped a short play for performance.

The Stage 5 Drama class presented *The Small Poppies*, a funny, heartwarming play about starting kindergarten, making friends and overcoming challenges, which thoroughly entertained the audience of family and friends. Stage 5 also enjoyed an excursion to the Opera House to see Bell Shakespeare's production of *Twelfth Night*.

Years 11 and 12 Drama attended OnStage, the showcase of exemplary HSC performances and projects. Year 11 also enjoyed the Sydney Theatre Company production of *The Visitors* in Term Four. These experiences will certainly provide inspiration for their own projects and enrich their understanding of the HSC texts.

Year 12 Drama Showcase topped off the HSC students' many dramatic achievements throughout their time at Rosebank. This cohort devised group performances which were creative, energetic and highly entertaining. The Individual Projects ranged from monologues from classics like *Antony and Cleopatra* and *Amadeus* to contemporary pieces, video dramas and insightful theatre reviews. Particular congratulations to Gabriel Giuntoli and Angeliqe Lorquet whose exemplary Individual Performances gained them Onstage nominations.

The College Drama Production, *Man the Balloon*, wrapped up the performances for the year, and audiences were dazzled by this darkly funny and highly entertaining play which allowed the talents of a select cast of senior Drama students to shine.

A standing ovation must go to Ms Tara Nandi for her continued devotion to building Drama in the Rosebank community.

Music

2023 has been nothing short of a symphony of talent, growth and innovation in the Music faculty. The year kicked off with a crescendo of anticipation, with all of the Music teachers and students involved in the College musical, *Charlie and the Chocolate Factory*.

Learning was supported with real-life experiences at the Sydney Opera House with senior students attending Encore: NESA's showcase of 2022 HSC works. All elective Music students were invited to a workshop with the world-renowned Jazz at the Lincoln Centre Orchestra, led by legendary musician Wynton Marsalis.

Throughout the year, our talented musicians exhibited their virtuosity across various genres. From classical to jazz, rock to pop music, our ensembles showcased their versatility and passion. At the annual Music Ensembles Showcase, audiences were treated to the debut performance of the Rosebank College Rock Band, our newest ensemble group. All of our ensembles were involved in various performances and competitions such as Open Day, Ferragosto, Rosebank's Alumni event, the Ralph Hultgren Band Festival, and St Joseph's College Battle of the Bands.

This year's HSC cohort included nine students in Music 1, five students in Music 2 with four of those students undertaking Music Extension. All students worked incredibly hard on their practical programs under the care of Ms Hanrahan-Tan and Mrs Hill, and this was displayed in both the HSC Showcase evening and the HSC marking day.

The Music faculty continues to invest in building spaces for students to engage in all aspects of music, with both classrooms now featuring a purpose-built performance stage with sound. We are thankful for the dedicated team of teachers who work tirelessly to foster a love of music in our students: Mrs Amanda Hill, Ms Daniela Gamma, Ms Madeleine Hanrahan-Tan, Mr Steve Comminos, Miss Milia Cavallaro, and Ms Biljana Valdovinos.

Visual Arts and Photography, Digital Media

Our creative and talented students have had a very busy year producing a wide range of artworks in 2023! In our varied and engaging elective classes, students have explored themes as varied as Still Life, Street Art and Abstract Landscapes in conjunction with investigating and developing skills in artistic mediums such as stop motion animation, stenciling, acrylic and oil painting, and lino printing; they are also developing their use of Adobe Photoshop and Premiere Pro.

This year, a group of 40 Year 12 students, led by Ms Leal and Ms Mojsiejuk, created outstanding Bodies of Work. The group displayed tremendous grit and creativity throughout their journey to their final collection of works, developing technical refinement and conceptual strength in over 11 different expressive forms. The HSC Showcase Evening was an opportunity to highlight the successes of Year 12 Visual Arts students who were able to show the College community and their families their exceptional work.

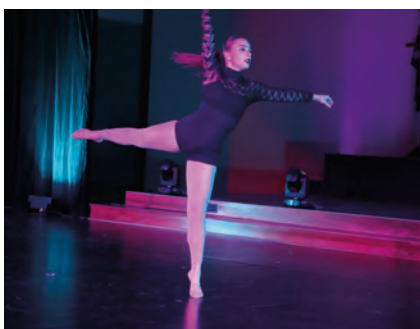

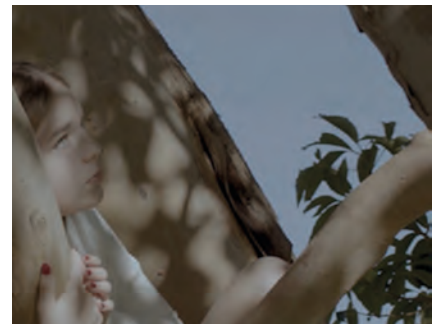

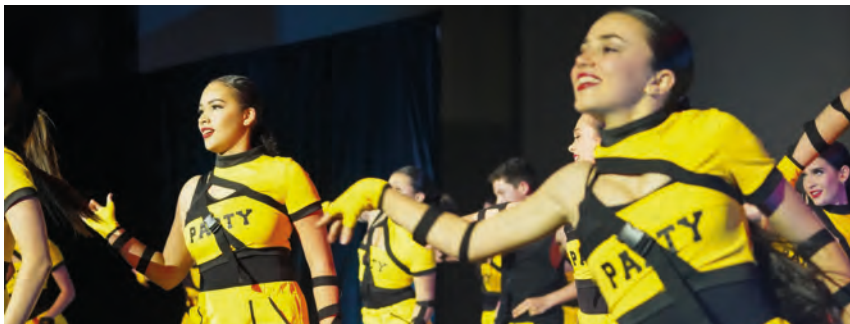

This year, we also celebrated the success of Hugo Daly and Clarissa Love of the 2022 HSC cohort whose works were exhibited at the 2023 ArtExpress Exhibitions located at Hazelhurst Gallery in Gympie and The Armory, Sydney Olympic Park. Hugo's work was also featured in a further exhibition in Mudgee in Central Western NSW and was selected as the promotional cover for the Regional Art Express Exhibition. A notable mention to Gabriela Raspudic and Nicholas Malakellis who were also nominated for inclusion in the prestigious exhibition. We look forward to sharing the successes of our 2023 cohort next year.

Congratulations are also in order for Year 11 students Clara Noh, Grace Lin and Lola Tesoriero who were selected for the competitive National Art School HSC Intensive Program during the school holidays, through demonstrating their talent and

passion for painting, which they were able to further extend through this mentoring opportunity. Additionally, two of our Year 8 students – Angelica Amodio and Mia Mullan – were awarded prizes from the Sydney Catholic Schools Clancy Prize for Religious Art using this year's theme of 'Pilgrimage', which reinforces Rosebank College's dedication to nurturing creativity while fostering spiritual growth. Their works were on display at the Australian Catholic University's McGlade Gallery.

Our creative and talented students have had a very busy year producing a wide range of artworks in 2023.

As another year draws to an end, the teachers of Visual Arts and Photography and Digital Media – Ms Aimee Leal, Ms Dorota Mojsiejuk, Mr Jack Booker, Mr George Comninos and Mr Steven Rebello – are to be commended for their efforts and commitment to their students.

Visual Arts Showcase

Performing Arts Showcase

Year 7 Showcase

Technical and Applied Studies

MRS MELISSA GAL, TAS COORDINATOR

MS ISOBEL GREEN, TAS ASSISTANT COORDINATOR

The HSC class of 2023 demonstrated their talents in a variety of projects.

STAGE 4

In Year 7, students were introduced to various technology areas. They started by working with micro:bits to create unique components for a board game, mastering coding basics while showcasing their creative board game concepts. Additionally, they developed their culinary skills in the kitchen, preparing healthy recipes. The hands-on experience extended to building storage units using woodworking tools and techniques.

In Year 8, students studied three additional technologies. They explored sewing and sustainability by fashioning Boomerang Bags. Engineering concepts came into play as they created their own pinball machines. They also created a retro arcade game, expanding their coding knowledge from Year 7.

STAGE 5

Design and Technology

Students found their creativity by engaging with both traditional and modern technologies. They designed an LED lamp reflecting their cultural identity and an Art Deco-inspired silver ring. Along the way, they experimented with CAD modelling,

3D printing using plastic and resin, and even tried the lost wax ring casting process.

Food Technology

Students explored Food for Special Occasions, Food Trends, and Food Service and Catering. These topics came to life with a variety of delicious recipes. Students explored the world of food trends, preparing recipes such as poke bowls and freak shakes. They discovered how food can be a key element in celebrating special events. This was demonstrated through the development of a kids' party, complete with invitations, menus and cake decorating.

Industrial Technology (100hrs)

During this course, students explored the exciting combination of technology and timber construction. They had hands-on experience with tools used in timber work while they worked on three different timber projects including a folding stool, cheeseboard and jewellery box. They learned how to join wood pieces in a variety of ways and were able to integrate the use of technologies such as Adobe Illustrator and the laser cutter into their jobs.

Industrial Technology (200hrs)

Students commenced an engaging and skill-building journey throughout the year. They honed their woodworking expertise by crafting solid meranti bedside tables. These projects not only showcased their mastery of woodworking techniques but also emphasised the importance of design and functionality.

Additionally, students designed and built their own major projects, demonstrating their creativity and problem-solving abilities.

Information and Software Technology

Students undertook an exciting coding adventure. They achieved mastery in HTML for web development and Python for programming. They created arcade-style games, ranging from classics to thrilling survival challenges, to showcase their impressive creativity. Additionally, they designed personal websites using Adobe Dreamweaver, demonstrating their unique interests and talents. These coding achievements promise a bright future for these tech enthusiasts as IST evolves into the newly named Computing Technologies course next year.

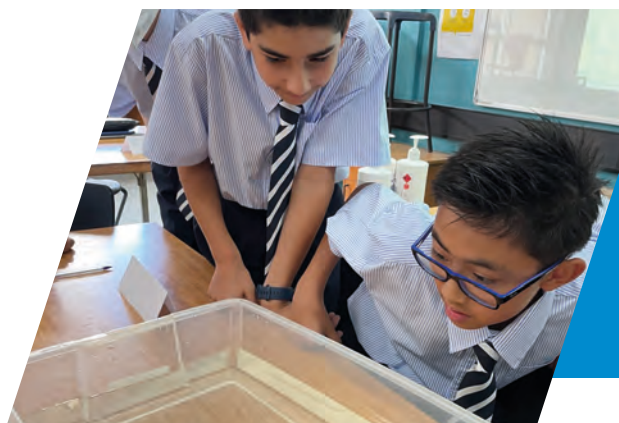

iSTEM

Students navigated through projects in sustainable transport, aeronautical engineering and medical technology. They built solar racers exploring renewable energy, constructed balsa planes, testing them on a power anchor, and created micro:bit devices equipped with actuators and sensors in a medtech endeavour. These hands-on projects allowed students to apply their theoretical knowledge, nurturing their problem-solving and technical skills.

Textiles Technology

Students created original digital printed fabrics through Adobe Illustrator and then used this fabric to create a furnishing item. Students researched fabric designers to understand how the elements and principles of design work together to create an

aesthetically pleasing fabric design. In the second unit, students looked at the history of sleepwear as well as contemporary sleepwear designers. They then designed and created their own sleepwear range and used Adobe InDesign to create an advertising campaign.

STAGE 6 - YEAR 11

Design and Technology

Students learned how to use innovative technologies such as the 3D printer and laser cutter, as well as traditional technologies such as woodworking and textiles. Leveraging these skills, they crafted a variety of creative phone stands. Students embarked on self-directed Mini Major Work projects, centred around the theme of 'Illuminate'. These projects encompassed diverse design disciplines, materials, tools and techniques, resulting in an array of impressive designs. They learned all about design teams and collaborative design work and put these skills to the test to design their own information delivery app prototypes in groups.

Food Technology

Students went on a journey through the world of food. They explored important food topics, like Food Availability and Selection, Food Quality, and Nutrition. This helped them learn how to make smart food decisions in our changing world. The course featured staple breads from different countries and how Australian food has changed over time. Students also got to try food photography, taking pictures of dishes like lemon meringue pies and gozleme. Some exciting cooking moments included making Aussie meat pies, chocolate freckles, sushi and yum cha mango pancakes. They also created their own canteen food item.

Industrial Technology

Students were tasked with the modification of a Tasmanian oak hall table which they worked on throughout the year. Students made design modifications to existing plans to personalise each project and tailor it to their specific needs. Students learned a variety of construction and decorative techniques throughout the course that will prepare them for commencing their own Major Project for the HSC later this year.

Information Processes and Technology

Students pushed the boundaries of technological innovation through their development of an expert system as part of their

assessment task. Fueled by their passion for problem-solving, these students harnessed the power of Microsoft Excel to craft solutions that displayed their exceptional skills and creativity. Using the versatile functions of Microsoft Excel, they used a myriad of features to craft an advanced system containing a variety of macros, formulae and visual basic coding.

Textiles and Design

Students applied their understanding of design theory and fabric properties to create their own sewing kit and corset projects. The exploration of fabrics, patterns, technical skills and decorative techniques helped to foster the students' creativity and self-expression. Advanced skills included the application of invisible zippers, piped edging and boning and were combined with decorative technologies such as laser-cut appliqué, fabric painting and beading to allow each student to create a project that suited their individual style.

STAGE 6 - YEAR 12

Design and Technology

The HSC Design and Technology class of 2023 demonstrated their talents in a great variety of projects that were designed and created to solve a real-world problem. This year, the students explored a wide range of design disciplines and technologies to produce their major works, including architecture, product design, app design and textiles. Through

hard work, commitment and persistence, the students produced quality projects of which they should be proud.

Engineering Studies

Students applied their understanding of engineering principles across units of Civil, Transport, Aeronautical, and Telecommunications Engineering. They looked into historical and societal influences, broadening their grasp of the profession's scope, while developing skills in technical communication. Notable projects included the creation of a model truss bridge and a functioning glider. Congratulations to the Year 12 class on their outstanding work and dedication to the subject.

Industrial Technology

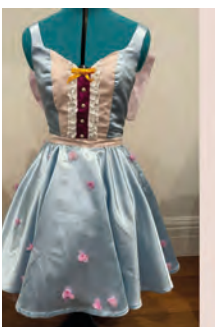

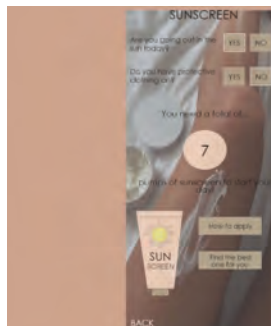

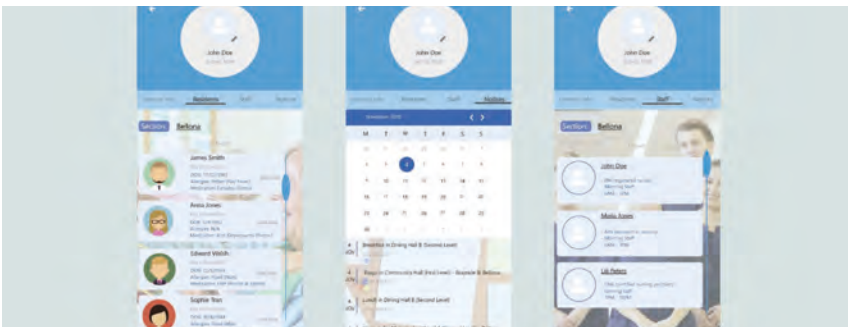

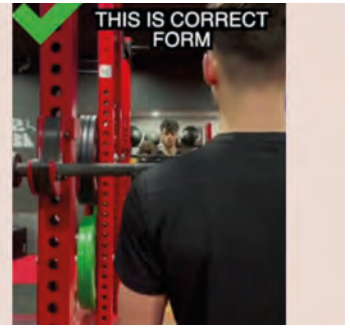

Students successfully completed their Major Project. With enthusiasm and skill, these students have demonstrated their mastery in woodworking techniques, design, and project management. Their projects range from meticulously crafted furniture pieces to games tables and even a water ski, all of which have showcased their creativity and problem-solving abilities. Through this experience, they have not only honed their technical skills but also developed a deep appreciation for the artistry and precision required in the field of cabinet making. Congratulations to the Year 12 class on their outstanding work and dedication to the subject.

Industrial Technology Showcase

Design & Technology Showcase

ConnectED

MR MATTHEW COUANI, ASSISTANT DEAN OF LEARNING (MIDDLE SCHOOL)

The ConnectED program for Year 7 placed a strong emphasis on enhancing reading and writing skills.

The ConnectED program for Year 7 in 2023 placed a strong emphasis on enhancing students' reading and writing skills. This integrated subject, which encompassed English, Geography and History, delved into short stories, myths, novels and poetry, offering a comprehensive exploration of written works within their geographical and historical contexts.

One noteworthy literary journey involved a deep dive into Grace Lin's novel, *Where the Mountain Meets the Moon*. This

endeavour allowed students to investigate the features of ancient Chinese society and the essence of myth-making. Drawing from their research and inspired by author Will Kostakis, students went on to craft their own myths, elucidating the creative process and rationale behind their written narratives.

Furthermore, the curriculum facilitated a connection between ancient Australia and the present day. Students embarked on an exploration of Dreamtime stories, while also immersing themselves in the childhood narratives shared by the esteemed author Oodgeroo Noonuccal in *Stradbroke Dreamtime*. These texts brimmed with diverse language features, fostering an environment for questioning, interpretation, and a richer comprehension of different historical periods and locales.

In a captivating exercise of persuasive skills, students were challenged to select a pharaoh from Egyptian history and convince the class that theirs was a more significant pharaoh than the other pharaohs in their group. Through rigorous historical research and persuasive techniques, Year 7 students exhibited remarkable confidence, passion and logical thinking in this collaborative undertaking.

The ConnectED subject stands as a distinctive offering at Rosebank College, constantly evolving to cater to the unique learning needs of students across English, Geography and History. Its overarching aim is to establish a solid foundation of skills essential for ongoing learning and academic growth.

Festival of Creative Spirit (FoCS)

MR MATTHEW COUANI, ASSISTANT DEAN OF LEARNING (MIDDLE SCHOOL)

The feedback from students regarding the week was overwhelmingly positive.

The College's Festival of the Creative Spirit (FoCS) is a cherished tradition that engages students in Years 7 and 8 in problem-based and project-based learning activities during Discovery Week. This year's FoCS program featured an impressive array of 14 projects, including both well-established ones like 'The Art of Transformation' and 'Rosebank Active' and exciting newcomers such as 'The Lip Lab' and 'Future Skies'. Some notable Festival highlights included a visit from Centurion actors who enlightened students about the life of

Ancient Roman gladiators for the 'Death in the Arena' project, and an excursion to witness the stage production of *Wicked* in 'On Broadway'.

Throughout the week, students presented a wide range of products, from outstanding short films in 'Rosebank Cinema Presents' and 'iCreate' to enticing menus crafted for 'My Cafe Rules'. The feedback from students regarding the week was overwhelmingly positive, with project leaders noting that some of the products created were the best they had ever seen. We extend our hearty congratulations to all students on their active participation during this week and offer a massive thank you to the dedicated staff who worked tirelessly to prepare and present these exceptional projects.

Diverse Learning

MS JACQUELENE MASTROIANNI, DIVERSE LEARNING COORDINATOR

MR DOMINIC WAN, DIVERSE LEARNING ASSISTANT COORDINATOR

We are incredibly proud of the achievements of all of our Diverse Learners.

The Diverse Learning team in 2023 continued to challenge and nurture our students in order for them to achieve their personal best. We are incredibly proud of the achievements of all of our Diverse Learners but especially of our Year 12 cohort who leave us to engage in school leaver employment support programs, apprenticeships and further study at TAFE and university.

The **EnrichED program** continued to grow under the tutelage of our gifted education teacher Ms Cheryl McArthur, drawing on the expertise of many of our College staff in 2023.

This year, the theme for the student-led **InnovatED Independent Project Program** incorporated the Helen Keller quote: 'Alone we can do so little, together we can do so much'. The wide variety of projects included the influence of technology on art movements, the power of clickbait, the struggles of climate refugees, the influence of influencers, and many more. The Showcase continues to be an event to inspire Rosebank College students to follow their passions.

With a focus on Philosophy, the **iThink** class along with other interested students have attended:

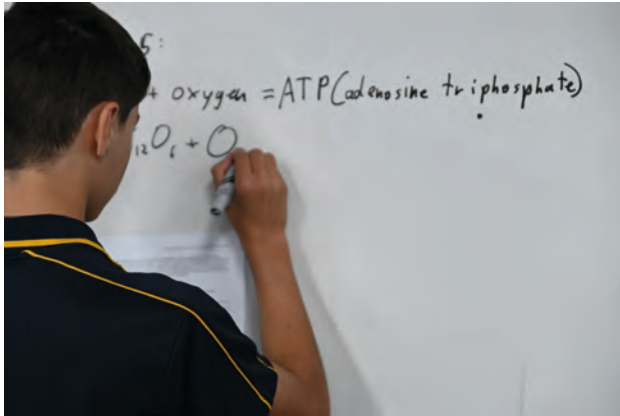

- Ethical Explorations Day: an annual College event which focused on the ethics of protest with 127 students visiting from nine NSW schools (Years 9-11)
- Thriving Minds Day at Ascham School (Years 9-11)
- Meeting of Minds at Newington College (Years 7 and 8)
- A presentation exploring AI, the Universe and Everything (Years 8-11)
- The Senior and Middle Schools Ethics Olympiad
- NSW Philosothon
- The Free-Thinkers Forum: a reinstated annual event at the College which offers senior students a chance to meet with peers from across NSW and discuss issues of importance to them.

The **InspirED Program** continued to expand the opportunities provided to our students. This year, in particular, saw a growth in the number of STEM activities offered to students with increasing numbers of students involved. Of particular note were:

- Rosebank's success in winning their category in the NSW RoboCup and being offered entry to the national finals of the SunSprint Solar Car Challenge in Hobart, after placing first and second in the open section of the NSW competition.
- The Future Problem Solving Competition fielded a

team of Year 7 students, some of whom persisted with developing a solution to the problem of reducing waste at the College for the entire year. Together they implemented the composting of food waste from the canteen and the TAS kitchens and created a Nude Food Challenge to reduce waste. They were rewarded for their efforts with selection to participate in the national final of the competition in Brisbane.

- Write a Book in a Day is an activity which combines fundraising with developing and implementing skills to manage writing as a cohesive team and completing a book from scratch in 12 hours or less. Three teams of students

from Years 7-11 wrote, illustrated, edited and published their books on Saturday, 17 June, after raising over \$4,000 for the Kids' Cancer Project.

- The Da Vinci Decathlon returned to a face-to-face competition at Knox College this year. The College fielded four teams of eight students (Years 7, 8, 9 and 11). For the first time, Rosebank College won a category, with the Year 7 team winning the Legacy Challenge.
- In the Metropolitan Secondary Schools Chess Tournament, Rosebank College fielded five teams – one junior, three intermediate and a senior team – who, although they did not win their division, were entered in the knockout round based on points and made it through to the semi-finals.
- Five Stage 5 students attended the Santos Science Experience, and five Year 12 students participated in the National Youth Science Forum, both offered during January, 2023.
- Year 10 students with high potential were once again

offered the opportunity to complete the Critical Thinking unit from Macquarie University. Five students have taken up the challenge to work through the summer break to complete this undergraduate course before entering Year 11.

Through the newly formed College Colloquy, students from Years 9-12 had the opportunity to engage with the intellectual life of Sydney through attendance at:

- The Gandhi Oration to hear from Professor Megan Davis and Dr Pat Anderson AO about the Statement from the Heart
- The Ethics Centre's discussions on the ethics of protest and punishment
- The Sydney Peace Prize Lecture
- A filming of Q&A at which Year 9 student Noah Jones had his question selected for the panel, live in the studio
- Two opportunities to hear from the Director of Studies for Philosophy at the University of Oxford, Dr Stephen Hall: an evening lecture on 'Thinking Critically About Weird Things', and a one-day student conference titled 'Think'.

Many thanks to all the staff from across the College who collaborated to ensure that our students had a wealth of experiences and the support required to succeed personally and to receive recognition for their efforts at a state and national level.

SRSC

LOUISE SPEKE, COORDINATOR OF LITERATURE AND RESEARCH

**‘The only thing that you absolutely have to know is the location of the library.’
- Albert Einstein**

As Albert Einstein once said, ‘The only thing that you absolutely have to know is the location of the library.’ Who am I to argue with such great wisdom?

Another exciting year for the SRSC, from the annual Character Day in Term One to supporting the Year 12s in their study with HSC revision texts, and everything in between. The SRSC Team thrive on working in such a vibrant and diverse environment. The service provided to the young men and women using this space by the staff who are here every day - Mrs Plesa, Mrs Gasparinatos and Ms Gyi - is nothing short of extraordinary.

The space itself, at times, is the backdrop for some surreal experiences as it becomes a market place, a confessional, a forum for professional development and, occasionally, a dining room. Each experience, whether for one or one hundred, is always an experience amongst friends. The presence of the works of authors like Emily Brontë, Margaret Atwood, J.K. Rowling or William Shakespeare mean that, whenever entering the SRSC, you are never alone and, therefore, the space has become a haven for many, either before school or during breaks in the day.

Whether it is a JSTOR database you're after or a book on the best pets for a library, we can find it for you. In case you were wondering, Mrs Plesa's labradoodle, Maggie, is the answer, as evidenced by her visit during a Wellbeing Wednesday!

Book Week

Pathways and Partnerships

MRS ANGELA PAVICIC, PATHWAYS & PARTNERSHIPS COORDINATOR

MRS AMANDA IVANAC, PATHWAYS & PARTNERSHIPS ASSISTANT COORDINATOR

**The Year 10
Work Experience
program was a
great success.**

Vocational Education and Training (VET/TVET/SBAT)

The recognition of the benefits of alternative study patterns for the HSC has led to a steady rise in the number of students electing to complete vocational pathways. Many students have tailored their HSC study pattern to combine the benefits of a university pathway with a vocational course of interest. Others have created a study pattern to fast track their career in a specific industry area with the first stage completed at school leading directly to the next level post school. With even more industries experiencing skill shortages, the job prospects in the vocational sector are excellent, and many students have full-time employment organised prior to leaving school.

While students who elected to study Business Services and Hospitality have undertaken these vocational subjects in regular classes at school, the majority of VET courses were studied externally either at TAFE or at a local Trade Training Centre. Trade courses such as Construction and Electrotechnology continue to be popular as well as courses in Early Childhood Education, Real Estate, Information Technology and Beauty Services. New courses undertaken this year in Conservation

and Ecosystem Management and Fitness have been very well received. Virtually-delivered courses have increased in popularity with Real Estate and Cyber Security being the key interest areas.

School-based Apprenticeships and Traineeships

A growing number of senior students are also electing to combine work, TAFE and school subjects as they undertake a School-based Apprenticeship or Traineeship (SBAT) pathway, completing either a full traineeship during Years 11 and 12 or the first year of an apprenticeship. Carpentry, Electrotechnology, Nursing and Retail Services continue to be the main SBATs chosen, and the students are commended for their maturity when working and studying in an adult environment.

The vocational courses offered on site were Business Services and Hospitality (Kitchen Operations).

The **Certificate III in Business Services** course develops students' knowledge and skills for working in a business administration role in any industry. The problem-solving and task-analysis exercises prepare students to work independently and also contribute positively in team environments. Workplacement opportunities, mainly in law, finance and real estate organisations, provided valuable insights into the variety of business operations and the world of work in general.

Certificate II Hospitality (Kitchen Operations) and the updated Preliminary course, **Certificate II in Cookery**, were studied by three classes of students who generously gave their time and shared many delicious dishes with staff, parents, College P&F Committee members and visitors to the school. The students provided cocktail food, pizza, 'Food Truck' menu items, sandwiches, salads, and the major event, a three-course sit down meal for parents, P&F Committee members and College Executive staff. Under the guidance of Ms De Prima, the level of catering was the most impressive yet, and the students are highly commended for their cookery skills and teamwork. The experiences at school prepared students for their week of work placement in many hotels, restaurants and cafes in Sydney and the Inner West with the feedback from employers being overwhelmingly positive. The Friday morning Coffee Club provided skill practice for students following their 'Prepare and Serve Espresso Coffee' course at Canterbury-Hurlstone Park RSL and was appreciated by the staff regulars.

Congratulations to **Jayden Melhem** on receiving the VET Excellence Award at a ceremony at NSW Parliament House on 6 September. Jayden is a wonderful example of a talented and committed student who enjoys sharing his passion for food.

Jayden is a wonderful example of a talented and committed student who enjoys sharing his passion for food.

Careers

The Year 10 Work Experience program was a great success with many students expressing gratitude for the insights gained from their week at work and employers commending the maturity and aptitude of Rosebank students.

The 'Industry Awareness Expo', organised to help expand the understanding of career opportunities and assist Year 10 students with making choices for their senior study pattern, was very well supported by alumni, local businesses, parents and industry organisations. Students heard about the career journey from speakers working in a broad range of industries

and learned about the many pathways available to lead to their dream career.

The Careers Expo was an opportunity for Year 11 students to speak with tertiary providers and employer groups about post-school opportunities and also, apparently, to gather as many freebies as possible! Years 11 and 12 students had the opportunity to gather information about tertiary courses, entry pathways, scholarships and all aspects of university life during lunchtime information sessions provided by university student ambassadors. The interest in and success of early entry offers continued in 2023, with many students receiving course offers in September, well before sitting their HSC Examinations. An increased number of students also sought out lucrative scholarship and cadetship opportunities, looking to gain experience in their chosen fields during the course of their studies. The 2023 graduates are congratulated on their many achievements, and we look forward to hearing about their career journeys in the future.

I would like to acknowledge the Pathways and Partnerships Captain, Celeste Malcolm, who was an excellent ambassador during Open Day and the Year 10 subject selection process.

This year, Mrs Amanda Ivanac joined the College as Pathways and Partnerships Assistant (Monday to Wednesday) and has been a valued addition to our staff. I would like to thank the VET staff, Ms De Prima and Ms Melissa Long, and faculty Coordinators Mrs Gal and Miss Cohen for their work and support throughout the year.

Rosebank Academic Mentoring Program

MISS DANIELLE PUHLMANN, ACADEMIC MENTORING PROGRAM MANAGER

MR JUSTIN CLARKIN, ACADEMIC MENTORING PROGRAM ASSISTANT MANAGER

We have evolved from a small study group into a thriving learning community.

2023 marked the year the Extended Day Program was relaunched as the rebranded Rosebank Academic Mentoring Program (RAMP), offering tutoring to students of Rosebank and the wider community from Year 5 to Year 12. RAMP has the vision to inspire and mentor youth of the community on their learning journey. We have evolved from a small study group launched in 2018 into a thriving learning community. Each week, tutors facilitate individualised and shared tutoring alongside subject-specific group tutoring and study groups for students. Over the last six years, we have had the privilege of supporting more than 1,000 students with their learning.

Through academic mentoring, the tutoring staff assist students in taking ownership of their learning journey, equipping students with tools to study effectively and helping them discover how they best learn and study. Staff ensure that facilitation techniques that are used for each student are personalised, helping to address areas of weakness and strategically help set long-term goals.

Year 12 Holiday Workshops

During each holiday break, RAMP facilitated HSC Workshops to help students strategically revise and consolidate their learning in preparation for examinations and assessments throughout the year, culminating in the HSC Examinations. RAMP offered Year 12 Holiday Workshops in subject areas including Mathematics, English, PDHPE, Business Studies, Biology, Legal Studies and Chemistry. Our workshops were attended by 80 students from the 2023 cohort to assist in their revision.

Term 4 Workshops

During Term 4, RAMP facilitated a variety of new weekly workshops for internal and external students including Primary English, Junior English, Study Skills, Applied Mathematics and Science, Senior Creative Writing and Essay Writing for Years 10 and 11 students, Standard and Advanced Mathematics Foundations for Year 11 2024, and Transitioning to High School Workshops.

Class of 2023

RAMP had the privilege of mentoring 104 students from the 2023 cohort during their HSC year, with more than 74 students attending weekly. Some of these students have attended tutoring since they were in Year 7, with our tutors supporting them throughout their high school journey.

SECTION 5

Wellbeing and Community

**ROSEBANK
COLLEGE**

Dean of Pastoral Care

MS BELINDA CLARK, DEAN OF PASTORAL CARE

MR PETER MAVRITSAKIS, ASSISTANT DEAN OF PASTORAL CARE (SENIOR SCHOOL)

MS AMY NEYLAN, ASSISTANT DEAN OF PASTORAL CARE (MIDDLE SCHOOL)

Our Student Leaders have represented their peers with dedication.

Our 2023 journey began with much excitement, with hallways filled with laughter, chatter and a palpable sense of possibility. Throughout the year, we witnessed extraordinary achievements both inside and outside the classroom. Academic excellence was celebrated, creative talents flourished, and students displayed resilience and dedication. In a year of connection and belonging, the importance of student wellbeing has been championed across all areas of the College.

Our dedicated pastoral staff delivered our dynamic Social and Emotional Learning (SEL) program, EmpowerED. A collection of age-based lessons based on contemporary issues equipped students with tools to build resilience and positive mental health, and to face challenges with confidence.

Our House system continued to flourish, colouring the school in a range of hues and providing a homebase for each student, where a sense of connection and belonging could be nurtured and enjoyed. The House and Assistant House Coordinators, along with Home Room Teachers, created House families, surrounding each student with a network of support. This

camaraderie was on display at our Swimming and Athletics carnivals, during our lunchtime Interhouse Competitions and in the commitment shown by our students as they raised money and awareness for their House charity.

Semester Two saw the introduction of Wellbeing Wednesdays, an initiative challenging students and staff to identify strategies to help ensure that wellbeing remained a priority. Each Wednesday a specific event or activity was initiated, targeting a focal point from one of the Dimensions of Wellbeing. This included gratitude, music, sleep, pets, mindfulness and breathing. A highlight was the 'Paws and Reflect Day' where a number of staff brought their dogs to school.

Our community participated in a range of awareness days including the National Day of Action Against Bullying and Violence, R U OK? Day, National Day of Kindness, Safer Internet Day and Harmony Day. These were interactive opportunities for students to get involved and demonstrate how they can help others within an inclusive and supportive school environment.

Our Student Leaders from Year 7 to Year 12 have represented their peers with dedication and optimism. Our 2022/23 Senior Leadership Team left big shoes for our new leaders to fill. We are confident that they are in the best position to meet this challenge with intent and focused direction.

The College's Lunchtime Clubs continue to be instrumental in fostering a sense of belonging. From the Craft Club that nurtures creativity to the Science Club encouraging inquisitiveness and challenge, the program allowed scope for our students to explore their passions, or try new things, while forming lasting friendships and building rapport with supervising members of staff.

Benedict Day was celebrated as a community with a special Mass and festivities. The 'Rosebank's Got Talent' show proved once again to be a highlight for the entire community, showcasing not only the many and unique talents that our students possess, but the courage they have to perform and the overwhelming and uplifting energy generated by an appreciative and supportive student body.

Our Year 7 students benefitted enormously from the Peer Support Program, a core aspect of Pastoral Care in Middle School. Our Year 10 Peer Support Leaders were on hand to meet the new Year 7 students on their first day and to provide support in their transition to high school throughout Semester One. Their guidance extended from practical issues such as navigating the timetable, to resilience, communication, problem-solving, decision-making and more.

In February, our Year 7 students set off to Stanwell Tops for their Orientation Camp, allowing them to forge new friendships in a fun and inclusive setting. Their days were filled with a range of physical challenges including ropes courses, go-karting and abseiling. During the evenings, students were able to get to know each other better through House activities and the always popular Silent Disco.

The Year 9 Adventurous Camp in October pushed our students out of their comfort zone to take on new physical, social and emotional challenges. Whether it was hiking through the bush for their Duke of Edinburgh Bronze Award, canoeing down the Colo River, sleeping in a tent for the first time or being away from their mobile phones for three days, each student has been shaped by their experiences at this camp and they all returned knowing what they're truly made of.

Our Year 7, 8 and 9 cohorts each participated in a Reflection Day, taking students off site and providing them with the opportunity to immerse themselves in personal, relational and spiritual growth with their peers and to target important developmental issues in their lives. Year 7 explored resilience through 'Bounce Back'; Year 8 focused on relationships - with

themselves, with others and with God; Year 9 delved into the important question of 'Who Am I?' and reflected on what their dreams were for the future. This year, we also introduced a Year 9 Injection of Character Day in Term Three, during which guest speakers from Enlighten Education and The Man Cave presented to our girls and boys respectively, about a range of important gender-specific issues including positive relationships, body positivity, talking about emotions and friendships. This initiative was hugely successful and appreciated by all students.

Year 10 parents and students had a number of opportunities through the year to share in the wisdom and guidance of a number of guest speakers, including Brent Sanders and Trent Southwell who attended our Pastoral Care Day and Your Choicez. Their inspiring presentations resonated with and encouraged our students to make responsible choices, respect one another and embrace the challenges that life may present. The completion of Stage 5 was celebrated at the Year 10 Transition Dinner, a fitting celebration of their journey through Years 9 and 10.

Our Year 11 students enjoyed their retreat experience, a time away from school and an opportunity to be introspective and reflective on their relationship with God and their journey through high school. As they begin their final year, they were able to further ground themselves in their commitment to their studies and reboot themselves as they set intentions and goals. Friendships were made stronger, and reminders of the importance of discernment and contemplation were left as lasting thoughts.

As we progressed through the year, our Year 12 students took centre stage in our community with a series of memorable celebrations. The cohort came together for a Twilight Movie Night, a time of laughter, relaxation, and shared memories under the open sky. This event exemplified the unity and spirit of camaraderie that defines our student community, with all proceeds going to the Reach Out charity. The final Year 12 student-led assembly saw our student leaders showcasing social achievements of their peers and sharing the impact each student has had in the tapestry of Rosebank. Finally, the Graduation Mass and Dinner was a night of reflection and celebration, as we bade farewell to our Class of 2023.

Mrs Joanne Slaney
Assistant Coordinator

House Leaders for 2023

House Captains

Lily Borozan
Luca Sabia

Service Group Leaders

Environment: Damian Reynolds
Social Justice: Alexander Moreira
Culture and Identity: Natalie Russell

Curriculum Captain

TAS: Maddy Webb

Adamson has been consistent, which means another year of great success in and out of the classroom.

Having fun at carnivals

We started the year aiming to be on the podium for the Swimming and Athletics carnivals and we won both. This gave us the Swimming 'three-peat' and back-to-back wins in Athletics. It is testament to the emerging culture of the House that these wins are not just down to our excellent Age Champions – Fergus Beresford-Harvey, Charlotte Gan and Lily Borozan (swimming) and Jude Kalotheos (athletics) – but the willingness of so many of their peers to get into the pool or onto the track.

A year of Leadership

We were admirably led by our House Captains, Lily Borozan and Luca Sabia, with their enthusiastic Environment, Culture and Identity, and Social Justice leaders: Damian Reynolds, Natalie Russell and Alexander Moreira. Lily and Luca led by example all year with wonderful initiatives and a true Adamson spirit. I take this opportunity to also thank our SRC for their work as a conduit between the students and the staff. It is always pleasing to see students applying for leadership positions, but many of those Adamsonians who are not in leadership positions have shown their peers and housemates how to be the best versions of themselves.

There was always someone there to help

Vital in the everyday nurturing and support of every Adamsonian are the guiding hands and wisdom of our Home Room teachers. I would like to thank them for their care and organisation, particularly every morning for Home Room:

- MS1 Mr Bryan Roddie
- MS2 Mr Mason Lowrie
- MS3 Miss Ellie Taggart
- SS1 Ms Angela Kim
- SS2 Mr Jonathon Booker
- SS3 Ms Aviva Hyams and Mrs Maria Philpotts

They make up the team, along with Assistant Coordinator Mrs Slaney and myself, of adults who are role models, confidants and reminder services to the Adamson students, but who also create the ever-beating heart of our House.

With such a wonderful year behind us, I expect every Adamson student to use the experiences gained as a foundation for even more improvement as a House and as individuals, but also to serve as a reminder that the Adamson community is a constant source of inspiration, motivation, support and (when needed) comfort.

Curriculum Captain

CAPA: Kayla Low

The Brady crest represents the hope and positivity that Brady students contribute to their House and the wider College community. It has been a year of hard work in the classroom, fierce competition in the sporting arena, increased awareness and generosity in social justice initiatives, and personal growth and development. We are proud of the contributions that each student has made and acknowledge the hope and positivity that lie at the foundation of all these experiences.

We have seen this displayed in various ways throughout the year. Our Year 7s arrived with the hope of new experiences and friendships, and they have shown this in the way that they engaged in their Orientation Camp, Reflection Day and EmpowerEd programs. Combining with the Year 8 and Year 9 students and a positive approach, Brady have shown their sporting prowess by winning Middle School House

Competitions in both basketball and netball. The Year 9s have shown the power of positivity as they engaged in their EmpowerEd Leadership Program, culminating in a very successful camp experience at Somerset Outdoor Learning Centre. The Year 10s and Year 11s are motivated by their hopes for senior school as they took on greater responsibility for their learning. We acknowledge the positive contributions that our Year 12s have made, and we expressed our hope for a successful future during our Brady House Farewell Assembly.

The House Leadership Team of Stephen Petousis and Kayla Low as House Captains, Christian Tedeschi as the Environment Group Leader, Aidan Borrows as the Social Justice Group Leader and Ledia Ekoue as the Culture and Identity Group leader, inspired the Brady students. They organised fundraising for the Good Samaritan Early Childhood Centre in Kiribati, encouraged students to recycle through the Return and Earn Scheme, led the House in prayer during assemblies and rallied the students to give their all, to achieve 4th place in the Swimming Carnival and 2nd place in the Athletics Carnival.

The Brady Home Room teachers have been exceptional in the care of their Home Room groups. They are a dedicated group of educators who have formed positive relationships, encouraging and challenging students to live the Benedictine values. We acknowledge and thank the Home Room teachers and Brady House associates: Ms Anastasia Batagianni, Ms Teresa Camporeale, Mrs Mary Khoury, Mrs Annalicia Latham, Mr Adam Boumelhem, Mr Albert Makram, Mr Ryan Coutts, Miss Eliza Cohen, Ms Caitlin O'Hehir, Ms Cheryl McArthur, Ms Jemma Cushway, Ms Amelia Stivaletta, Mr Brad Turney and Mr Greg Georgiou. A very special thank you to Ms Madeleina Hanrahan-Tan as the Assistant House Coordinator for her hard work and commitment to the pastoral care of Brady House.

We are proud of each student in Brady House and thank all the Brady parents for their wonderful support.

welcomed our new leaders for 2023/2024: Amelia Como, John Clemente, Sandy Mapstone, Jack Batchelor and Philip Plan.

Staff at the heart of Cassidy!

2023 was a successful year because of the team effort of our teachers and students. Our sincere thanks to the Cassidy Staff – Ms Preston (MS1), Mr Kent (MS2), Miss Maffei (MS3), Ms Gentile and Mrs McHale (SS1), Mr Mitsak (SS2) and Mrs Lucas and Mr Comninos (SS3) – for their dedication, support and daily care of our students. Their good humour, guidance and untiring work are greatly appreciated by our House.

A special thanks to our Assistant House Coordinator, Ms Veronica Presser. She has shared her love of Mathematics and illustrated dresses with Cassidy and has been supportive and generous with her time.

Cassidy has heart!

Cassidy bounced into 2023 with energy and enthusiasm. We welcomed our new Year 7s whose delight at beginning a new school was warmly received by our community. We welcomed many new staff who felt the hospitality that Cassidy brings. We also continued to be concerned for others as we raised much-needed funds for our House charity, the Lucas Gardens School.

Resilience and vigour at the heart of Cassidy!

Cassidy is to be congratulated on their continued fervour and efforts during the Swimming and Athletic carnivals. We were particularly thrilled to have placed 4th at the Athletics Carnival this year, showcasing our years of athletic training are paying off! We also congratulate our swimmers and athletes who were awarded Age Champions.

Leadership at the heart of Cassidy!

We wish to thank the Year 12 Cassidy Leaders – Sofia Dunphy, Ethan Shi, Ryan Chan, Venetia Vidotto and Melissa Fayad – and our SRC members for instilling House spirit into all the activities and duties they performed. They cheered us on in every event and brought us to new levels of success. We also

Students at the heart of Cassidy!

As our Cassidy students continue to meet the demands of their studies and take up opportunities offered at the school, we are confident that, through their continued efforts, Cassidy will continue to rise to success! It has been a privilege to work with our wonderful students and their families.

Caulfield House

Ms Heather Clark (Acting)
House Coordinator
Ms Tanya Whiticker
Assistant Coordinator

House Leaders for 2023

House Captains

Jasmine Gilligan
Fraser Salmon

Service Group Leaders

Environment: Lily Hole
Social Justice: Alessia Fragomeli
Culture and Identity: Ellenor Fleming

Curriculum Captain

Science: Marcus Kostogiannis

Caulfield 2023 was a year abuzz with activity, a veritable hive of action under the leadership of the House Captains: Jasmine Gilligan and Fraser Salmon, and supported by our Service Leaders: Lily Hole, Alessia Fragomeli and Ellenor Fleming. Caulfield's new bee mascot shaped our House aesthetic for the year, both visually and in our enterprising initiatives. This year, Caulfield not only competed for House points but sought to impact the whole school community.

Mottos and Mascots

- Offering lolly prizes to those who memorised the Caulfield motto, 'Thou may'st break, but shall not bend me', proved to be a popular challenge, especially among the Year 7s who showed up daily at the Caulfield office with solemn recitations.
- A new mascot was purchased and Barry B Benson entered the Caulfield premises. His attendance at the carnivals and House events spurred on the House spirit.
- Our 'Harry Styles' life-size cut out, initiated by Jessica Da Silva, with a stand built by Daniel Righi and Max Crisafulli, became a feature at all House events. Initially built to advertise our Return and Earn bin, the House Leaders quickly realised he could be used to assist with fundraising! A photo with Harry became a popular feature at our Sausage Sizzle.

Muscle and Might

- Caulfield House Captain, Jasmine Gilligan, initiated the inaugural College Push-Up Challenge to bring awareness to mental health issues. In true Caulfield spirit, the House got behind the call to action, winning the competition. With a goal for each House to achieve 3,142 push-ups, Caulfield students completed a grand total of 13,152!
- In the final weeks of Year 12, Caulfield won the Tug-o-War, again proving that in the strength stakes, Caulfield is Gold!
- Demonstrating care for our environment, Caulfield was also top of the ladder in gaining House points in the Return and Earn Competition.

Mission and Ministry

- Throughout the year, Caulfield raised \$1,400 for the The Good Samaritan Foundation in Timor-Leste.
- 'Sausage Sizzle with Styles' proved to be a huge hit, with staff and Year 12 helpers donning yellow tutus and gold accessories, all to raise money for schools in Timor-Leste.

As we farewell 2023, Caulfield students can be immensely proud of their care for the community and their compassion for others.

Round 3: Australia 4 defeated Canada 0

We celebrated the amazing Year 12s. Their stories, journeys and post-school life ambitions vary, but their contributions will not be forgotten. The achievement of completing the years of schooling must not be underestimated and feels like a big 4-0 victory for both students and families.

Round 16: Australia 2 defeated Denmark 0

This game reinforced that we are all leaders and everyone can stand up and contribute. With Sam Kerr not on the field until the 80th minute, Australia already had a commanding 2-0 lead. I would like to congratulate all Delaney students on the way they uphold the Delaney values. I would also like to recognise the contribution of the Delaney 2023 SRC members, Student Leaders and Home Room staff, particularly Miss Hayley De Prima who at times has acted as Delaney House Coordinator and compassionately cared for students.

Quarter-final: Australia 0 (7) defeated France 0 (6)

Who could forget this game! This game represented some of the values we try to instil in all Delaney students: dedication, perseverance, courage and resilience. Mackenzie Arnold, having missed her shot at goal, could have easily let in the remaining penalty shots. But she was courageous and embraced the fear she felt to focus and fight. In 2024, our Delaney House motto will be 'Embrace fear, ignite courage, conquer all'.

Semi-final: England 3 defeated Australia 1

There isn't always a fairy tale ending, but it's important to focus on the journey and how much you can achieve. The Australian TV audience was the biggest in Australia for any event since the Sydney 2000 Olympics: the match was attended by a 75,784-strong crowd. This shows that, for a team who was relatively unknown and without a strong support base to achieve this amazing result and capture the attention and love of the nation, nothing is impossible with hard work. I know that with hard work, dedication and resiliency, the Delaney students can achieve anything.

Delaney 2023 – celebrating the Matildas

Round 1: Australia 1 defeated Ireland 0

The start of the year was a successful one for Delaney. We welcomed new Year 7 students into the College and our purple family, who joined with excitement to begin their high school journey. The Delaney House pride was on show at the Swimming Carnival with a number of Delaney age champions and 3rd place overall.

Round 2: Nigeria 3 defeated Australia 2

Along the way there were some challenges and, just like Australia's shock loss to Nigeria, not everything in life goes to plan. High school is not always easy: schoolwork, friendships, illness, managing major works, exams and family life can be difficult. As always, though, Delaney students pick themselves up and carry on, tremendously supported by staff and fellow students.

PACE Captain

Isaiah Le Bron

Curriculum Captain

History: Kimberley Choy

Hope, inspiration, determination, leadership and excellence. These were a major part of 2023 for us in Australia, thanks to a remarkable group of women we all know as the Matildas. As a die-hard football fan, I have been lucky enough to witness firsthand many significant moments in the recent history of Australian football. I was very pleased to see that the Matildas gave us some of the most significant and unifying moments in the history of Australian sport this year.

The reason I mention the Matildas and their achievements in 2023 is that I see the same attributes every day in the young women and men of the Dwyer House. Whether it is in the classroom, at PACE, in the Athletics and Swimming carnivals, in the College Musical or in the way they relate to, and care for one another, the students of the Dwyer House have made me just as proud as the Matildas did in the World Cup.

Speaking of leadership and excellence, the 2023 Dwyer Service Group Leaders and House Captains have exhibited these qualities in everything they did for the staff and students of Dwyer throughout the year. I would like to thank: Mikaela Calcagno (Social Justice), Alexandra Politis (Environment) and Mihika Rao (Culture and Identity) and our House Captains,

Eve Canale and Samuel Soutis, all of whom have proven themselves to be reliable and proactive leaders. The 2023 Dwyer SRC members have also given a great deal of their time this year and deserve our thanks.

Personally, and on behalf of the Dwyer students, I would like to thank the Dwyer Home Room teachers for everything they have done for our students throughout the year. It is great to see our staff successfully build such a solid rapport with our students. We were also very lucky to have Miss Zuman continue as the Dwyer Assistant Coordinator throughout 2023. Just like the Matilda's Sam Kerr, Miss Zuman is an absolute superstar: very humble, hardworking and passionate about everything she does. We are very appreciative of her efforts.

Finally, to the students of Dwyer, I would like to say that you are truly inspirational in your kindness and respect for one another, as well as your willingness to give 100% to so many facets of school life. You are truly a credit to your school and your families. I hope 2024 brings you great joy and fulfilment in everything you do.

Hayes House

Mrs Karen Henry

House Coordinator

Ms Gabriella Piperides (Acting Terms 1-3); Ms Caterina Paton (Term 4)

Assistant Coordinators

House Leaders for 2023

House Captains

Zara Lockhart

Sean Kerr

Service Group Leaders

Environment: Talia Sezgin

Social Justice: Amy Poole

Culture and Identity: Olivia Mazzotta

Curriculum Captain

Languages: Grace Renwick

The end of another year makes me reflect on what an exciting year 2023 has been for Hayes House. Hayes' forever home in the beautiful new Manquehue building has come alive with Hayes House spirit and our House colour of black.

Hayes House again achieved some fantastic results in the sporting arena, placing 2nd at the Swimming Carnival and 3rd at the Athletics Carnival. I love those community days where we all come together and work for each other, seeing all students completely immersed in competing and cheering on their House peers. We may not have been in first place, but Hayes definitely wins in House spirit, placing first for the cheer contest at the Athletics Carnival.

Our Hayes House Captains – Sean Kerr and Zara Lockhart – always led by example and were committed and confident leaders who worked tirelessly with our Service Group Leaders: Olivia Mazzotta (Culture and Identity), Amy Poole (Social Justice) and Talia Sezgin (Environment). All of them have proven themselves worthy role models for the students in Hayes. I welcome the 2023/2024 House Leaders – Zoe Tsatsimas and Hugo Guastella as House Captains – and Nicolette Magias (Social Justice), Matthew Newton (Environment) and Thomas Hamilton (Culture and Identity). I know they have big shoes to fill but they have done an amazing job so far and will continue to do so.

Hayes House charity changed in 2023 to CaraCare – a charity that supports women, children and families and provides a safe place from trauma and abuse.

A huge thank you to the Hayes Home Room teachers who have assisted in making this year a success. Their guidance and support of our students each and every day have not gone unnoticed.

I have again had the privilege of working with wonderful Assistant House Coordinators: Ms Piperides who was acting Assistant Coordinator for Terms 1-3, and we welcomed back Ms Paton from maternity leave in Term 4. I would like to say a huge 'thank you' to both of them as, without the wonderful support of these two amazing people who have shown genuine care and concern for the students in Hayes House, our House could not be as successful as it has been and would not feel like such a close-knit family.

To my Hayes House students, as always, I feel very proud to be the House Coordinator of such a fantastic group of students. We have again lived by our House motto of 'Truth without Fear' by working together like a family and demonstrating true House spirit. I have thoroughly enjoyed getting to know each of you and building quality connections. You have shown passion, courage and dedication, and I know we will make 2024 another amazing year in Hayes House.

McLaughlin House had much to be grateful for in 2023 with many of our students achieving great things within our school and local community!

In May, McLaughlin House celebrated a 'three-peat' in the annual Rosebank Interhouse Basketball Competition. Despite losing a round, McLaughlin House achieved a resounding win in the final against Vaughan House. This makes McLaughlin House the Rosebank Interhouse Basketball champions for the third year in a row...and the ONLY champions considering that this is only the third year of the competition!

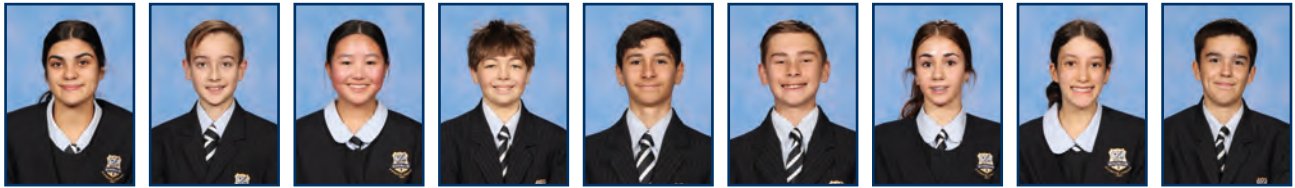

On Social Justice Day this year, our Year 12 students spent the day preparing and running a sausage sizzle for our House charity, the Good Samaritan Kindergarten in the Philippines. It was a great success with over 450 rolls all sold out within 15 minutes! Overall, we managed to raise over \$1,100 for the kindergarten which will be sent to them by the end of the year.

We acknowledge some of our students who also found success outside the College such as Archie Marshall (Year 8) who has represented his team in the Rugby 7s State Championships, Keira Kan (Year 11) and Ronan Kan (Year 8) who obtained their 1st Dan Black Belts in Hapkido, and Mia Mullan (Year 8) who assisted with the Kids Giving Back program, producing 'care packs' which were distributed to 15 charities around Sydney.

We thank our outgoing House Captains and Service Group Leaders for their support over 2022/2023: Natalia Diaz, Alfie Salvato, Alessandra Timpano, Jamie Truong and Charlotte Durham.

de Paul Winter Appeal, and the Christmas Appeal, donating blankets and bed linen to our House Charity, The Brown Nurses.

O'Connor has demonstrated reverence and prayer at College Masses, Reflection Days and Home Room Chapel Prayer. I am proud of the students' commitment to all facets of College life but, above all, I was impressed with their willingness to help others and strive to be the 'best version of themselves'.

Our House motto for 2024 is something that I would like all students to challenge themselves and live by, to 'be the difference that makes the difference'. I encourage everyone to extend this attitude to all facets of life.

My gratitude and thanks to our wonderful 2023 House Leadership Team for their passion, commitment and tireless work throughout the year. It has been a privilege to work with an excellent group of young leaders. My gratitude extends to our SRC leaders, and our Peer Support Team. The success of O'Connor would also not be possible without the support and care shown by extraordinary and dedicated staff, who have worked tirelessly with our students to provide guidance and care during Home Room and pastoral care activities.

Finally, I would like to sincerely thank Ms Melissa Long, Assistant House Coordinator, for her significant contribution to the O'Connor House. Her work ethic, friendship, sense of humour and support have been exceptional. O'Connor is this great House because of the direction of the amazing Ms Emily Davis, our leader and a wonderful friend.

It has been an honour and privilege to lead the O'Connor House, to be a part of a caring and committed family of teachers and to work with a wonderful group of young men and women. At the centre of the O'Connor House lie three key attributes, known as the three Rs: respect, rapport and resilience. These three attributes are fundamental to our House identity and were core characteristics of our Patron, Eileen O'Connor, who is in the process of beatification as Australia's second saint, and it is an honour for us to share her name.

We welcomed our newest House members, Year 7, who settled in quickly and soon felt part of the O'Connor family and wider College community. O'Connor also welcomed new students and exchange students throughout the year, and we all demonstrated hospitality and an inclusive spirit. Our 'silver' sparkle has been ever present, with our theme of 'silver knights', where we sparkled brightly at the carnivals and community days.

Once again, O'Connor students showed their generosity and empathy for people beyond our Rosebank community by generously supporting Caritas Project Compassion, St Vincent

As yet another year comes to a close, we acknowledge the compassion and empathy displayed by the staff and students of Vaughan House. As I write, St Agnes' Secondary School in Chipole, Tanzania, is completing the construction of a Science laboratory, thanks to the outstanding generosity of our House. This year's total was \$3,136.75. The Principal, Sister Mkombolewa Mnagama, and her staff chose to start from scratch and construct a new building rather than renovate the existing structure (with its leaking roof, etc). Last year's donation, together with this year's total, should see a significant

portion of the lab completed. We look forward to the day we can send some more ambassadors from Rosebank to the school in Tanzania.

Pastoral Team

The generosity of the students in Vaughan House is mirrored by that of their Home Room teachers. They are the constant welcoming front door of the College for the students each and every day. We thank them for their energy and love.

- MS1 Mr John Mannah
- MS2 Mr Marcel El-Hachem
- MS3 Ms Ingrid Smolka
- SS1 Mrs Melissa Gal
- SS2 Ms Dorota Mojsiejuk
- SS3 Ms Georgina Christaki

Ms Melissa Luppino steers the Vaughan ship admirably and cares for the students efficiently and lovingly.

Leadership

Once again, our students have stepped up to the leadership plate through the House SRC leaders, House Captains and Senior Leadership Positions. We thank them for their commitment and service.

Words of Wisdom

We finish with some inspired words of wisdom.

Oprah Winfrey's advice to graduates in 2023:

'There will never be anything in your life as fulfilling as making a difference in somebody else's. Everybody...wants to see you take your integrity, your curiosity, your creativity, your guts... and use them to make a difference. I'll tell you where you start: You start by being good to at least one other person every single day. Just start there. That's how you begin to change the world.'

SECTION 6
PACE

**ROSEBANK
COLLEGE**

PACE

MR STUART HANRAHAN, DEAN OF PACE

Participation in co-curricular activities during school life has been proven to improve physical, social and organisational skills.

Another great year in PACE (Physical and Cultural Engagement) at Rosebank. PACE encapsulates all of the co-curricular activities on offer at Rosebank! Participation in co-curricular activities during school life has been proven to improve physical, social and organisational skills, as well as developing wellbeing, interests and talents away from the structure and rigour of daily school life. It has been wonderful to see so many students take up opportunities to participate in representative and club sports, debating, public speaking, chess, the Duke of Edinburgh Award and Thursday afternoon activities.

The restructure of PACE and our inclusion in Sydney Catholic School (SCS) Sport in 2022 led to some adjustments in timing for Thursday lessons and the end of the school day. This has added some additional structure to the activities on offer each week and has also enabled the PACE Department to support a number of other extra-curricular initiatives including Rosebank Writers, the College musical, Dance Company, Solar Car Challenge, Robo Cup, Future Problem Solvers, Ethics Olympiad, Eco Warriors, InnovatED, Mock Trial, National History Challenge and Cyber Taipan.

All students who attend the College have the opportunity to try out for Rosebank representative teams. These teams compete in the aforementioned Sydney Catholic Schools Sports competitions in weekly sports, carnivals and gala days. Towards the latter half of the year, the PACE Department began using TASS for 'sign up' with one of the key features being a clear record of PACE participation now recorded in each student's personal TASS space.

Years 11 and 12 students who do not participate in Thursday representative sport are scheduled to participate in the Benedictine Academy program. After feedback from the first year of this program in 2022, students in 2023 have been given the opportunity to nominate specific subjects each term with the understanding that a teacher who is adept in that subject will be leading that group and, as such, available for one-to-one consultation. The other key change was the inclusion of Major Work opportunities for those students who undertake a subject with a Major Work. During Thursday PACE in Term 2, Major Work students were given the opportunity to work specifically on these projects with their class teacher.

Rosebank's Club Sport program continues to thrive. There were significant increases in netball player numbers this year largely due to the inclusion of a boys' competition along with a mixed one at the Inner West Netball Association. Club sport teams are for students of all ability levels and foster skill along with physical and social development in a fun and enjoyable environment.

Thank you to all of the teachers, coaches and support staff who have worked in the program in 2023. Special thanks must go to Miss Annalisa Di Bella, Mr Nicholas Latsinos, Miss Maryanne Di Bella and Mr Jason Amos. They are dedicated, hardworking, professional and caring, and they have the best interests of the students at the forefront of everything that they do.

SECTION 7

Staff Services

**ROSEBANK
COLLEGE**

Professional Learning & Culture

MS JENNIFER JACKSON, DEAN OF PROFESSIONAL LEARNING AND CULTURE

Our primary focus this year has been on skill refinement and fostering collaboration.

In 2023, Professional Learning and Culture has continued its whole staff focus on developing rigour through implementing high impact teaching strategies in our practice and student learning; staff wellbeing and collaboration have been integral to development in all areas of support, teaching and learning. Across the year, new members of staff, including myself, have had a warm welcome with ongoing support from a passionate and vibrant staff, willing to work together on our mission and pedagogical objective of engaging students, fostering their potential, and challenging them to excel within the nurturing embrace of Rosebank's Good Samaritan-Benedictine learning environment. The year began with a dynamic induction program which included introductions from our Leadership Team, and ongoing support from the Coordinators of Induction, Professional Practice and Accreditation – Ms Jessica Fallone and Ms Aditi Kataria – for all staff across the College.

Our primary focus has been on building a challenging and nurturing evidence-based learning culture, where our staff serve as role models of lifelong learners for our students as lifelong learners. We are proud to support and mentor new teachers, particularly through the development of our Early Career Teacher program, where teachers new to the profession are mentored and offered opportunities in contextualised professional development (PD), on behaviour management and ways to engage in community. Rosebank College also saw over 30 Initial Teacher Education students joining us for their professional placements in 2023. This is a testament to Rosebank College's appeal as a choice institution for aspiring educators. Teachers – both new to the profession and experienced – and support staff have been supported in further study, from TAFE qualifications to gaining credits towards and completing Masters degrees in a range of educational areas

Across the year, staff have engaged in a range of external context-specific PD courses and events, identified through a robust and reflective Professional Planning and Reflection process. Rosebank College also offered Youth Mental Health First Aid. Fourteen staff gained their certification from Lorraine Cushing Kleber.

Across 2023, Rosebank transitioned pupil free Staff Days into the academic calendar, which had positive impacts on pedagogy and our classroom culture of learning, with an increased focus on high impact teaching practices. In addition

to these Professional Development 'staff' days, teaching staff were supported to focus on implementing evidence-based educational research into practice, planning and assessments on topics led by colleagues in areas such as: re-engaging high potential learner engagement, literacy in every subject, feedback frameworks, eLearning and cognitive load theory.

Professional Learning Meetings continued to be a time to collaborate on Pastoral Care research, integrating practices into our curricula and breathing life into the classroom environment. In staff meetings, professional learning network groups, and professional development sessions, our collective aim has been to enhance the learning experiences of all members of the College community.

In 2023, we held two Rosebank in Conversation TeachMeets, partnering with Macquarie University, with Professor of Technological Education Matt Bower doing our keynote address on ChatGPT in education. We also invited colleagues from schools in our network to join Rosebank College teachers to present on teaching and learning with this generative technology. Renowned behaviour leadership expert, Dr Bill Rogers, also led our whole school Professional Development day in August, where he delivered his research and practical techniques for all staff. Dr Rogers also led the second Rosebank in Conversation Early Career Teachers' workshop, which over 50 visiting teachers attended.

Wellbeing remained paramount in 2023, with staff participating in Modules 3 and 4 of Dr Adam Fraser's The Flourish Movement. Dean of Learning, Mr Greg Georgiou, led staff through the meaningful training; and Staff Wellbeing Wednesday was introduced in July, continuing every week through Semester Two. This important focus on staff has provided support in various areas of life, including financial, physical, mental and emotional, and has proven to be immensely popular.

In closing, I would like to express my profound gratitude for the vibrancy and dedication of my colleagues, both in teaching and in support roles. This unwavering commitment to our students and community is truly commendable and contributes significantly to Rosebank College's ongoing success.

Staff Farewells

Emily Davis

Not only is Emily an exceptional English teacher, experienced HSC marker, sensational House Coordinator, remarkable role model to staff and students, but, most importantly, she is a genuine person. Emily arrived at the College in 2018, where her leadership shone. She very quickly accepted the opportunity to help students through her position as Dwyer House Assistant. By 2019, she had moved to the role of Coordinator of her beloved O'Connor House. In this role, Emily demonstrated integrity and empathy to all she met and established a great rapport with students and their families. During her time at Rosebank, Emily was also integral in the Duke of Edinburgh camps for Year 9, coordinating Discovery Week for Year 9 and the Year 10 outdoor challenge. She facilitated many reflection days and was key in coordinating many Year 12 farewells, House fundraisers and BBQs.

Jessica Edge

Jess Edge was a valuable member of the Rosebank Communications and Engagement Team as our graphic designer, photographer, videographer, newsletter creator, social media manager and much more for over three years. Jess's professionalism, creativity and positive, helpful attitude made her a pleasure to work with, and we wish her great success in her freelance career.

Danielle Esterman

Danielle has been a dedicated and inspiring English teacher at Rosebank for 16 years. Her deep love of literature, care for her students and support of colleagues through various leadership roles have been valuable in building culture at Rosebank and in the English Department. Danielle's creative contributions have enriched both teaching and learning and will continue to resonate for years to come.

Diane Falzon

Diane joined the College in 2010 and, over the following 13 years, served in our College Finance Department. Her bubbly personality saw her quickly promoted as the Finance Team's unofficial social secretary, which brought the team together at events. Diane undertook her role as Accounts Payable Officer with passion and enthusiasm.

Greg Georgiou

Greg has been with us for only two years but his passion for learning and excellence is evident in two main areas. His initial responsibility was to build a new deanery –

Professional Learning and Culture – and from there he moved into Dean of Learning. Greg has brought great insights into areas such as ConnectED and data-informed learning. He has led a collaborative and questioning culture, and we thank him sincerely for all his many achievements.

Alexis Kenny

Alexis is a dynamic, organised and talented leader and colleague. Her passion for high quality communication and collaboration is evident in every project she engaged in or led, including our Mural and Figtree Projects; and our new website was developed as part of a comprehensive rebranding plan. We will miss Alexis not just for the excellence she achieved but also because she is a wonderful person, full of heart and intelligence. We wish her the best as she settles into a new life in America.

Garry King

After 30 years, we say farewell to one of the longest-serving employees in the history of the College, Garry King. As the College Bursar, Garry worked in our Finance office and undertook this role with passion, enthusiasm and dedication. Over the years, Garry has become well known amongst the staff for his annual April Fool's Day pranks and uncanny ways of winning the lucky door prize when on offer, and as the unofficial College Kung Fu expert. Garry's colourful character will be missed.

Ken Lin

A steadfast and dedicated servant to our College, Ken's presence has undeniably left a mark on not just the teaching and support staff, but also on the students who crossed paths with him. His hard work and dedication ensured that our ICT services remained stable for all at the College.

Melissa Luppino

Melissa has been an act of grace to our College and her star shines bright! We have witnessed in Melissa moral beauty in her goodness of intention and action. The staff, parents and students of Vaughan House have been the recipients of this moral beauty for the past four years. She sees good in the other, she practises inclusivity and she has given voice to the vulnerable. We are so very proud to have known her and we are the poorer for her departure.

Colm McCaughan

Arriving at Rosebank in 2019, Colm quickly became a highly valued member of staff, an outstanding teacher, a gifted Assistant Dean

of Ministry, but above all a joy-filled witness of living the Catholic Christian tradition with great energy, enthusiasm and a deep abiding love of Jesus. There is a critical and intellectual appreciation of the richness of the tradition that he has carried into the classroom, staff room, formation experiences and in engagement with GSE and our neighbours along with compassionate and heartfelt care and love for our young people. We pray upon him all blessings as he leaves the Good Samaritan Benedictine family at Rosebank to join the Marist family at Eastwood. And so, Colm, Sursum Corda!

Natasha Moradnoori

Natasha's efforts at the College never went unnoticed. Her dedication to our staff and students was evident in all she did, and her work coordinating the ICT Help Desk and liaising with parents was excellent. We wish her all the best in her future endeavours.

Kate Nijhawan

It is with mixed emotions that we bid farewell to our esteemed Science and senior Biology teacher, Kate Nijhawan. Her dedication, passion and knowledge have left an indelible mark on our Rosebank students, inspiring a lifelong love for science. We express our deepest gratitude for her tireless efforts and wish her a bright and rewarding future.

Tony Panto

Our popular bus driver and facility team member, Tony has retired after five years' service. During Tony's time at the College, he was responsible for safely driving our students to many excursions and sporting events. We wish Tony all the best as he enters retirement.

Angela Tillott

2015 was a significant year for geographers globally as the Paris Agreement was adopted. At Rosebank, it was the year Angela Tillott became the new head of the HSIE department and, throughout the years, she has been a passionate educator, animal lover and loyal friend. We sincerely wish her all the best in her future ventures in the legal profession.

Daniel Zappala

A familiar face at the ICT Help Desk, Daniel's time at the College left an impression on our students. His patient support and advice were well received, and his guidance of the College Tech Team was appreciated. We extend our best wishes for his future endeavours.
