8 SECTION 8: CELEBRATING STUDENT ACHIEVEMENT

Year 12 2024 HSC Results	170
Year 12 Major Academic Awards	171
Year 12 Graduation Awards	172
Years 7-11 Awards	175
Student Directory	190

ACKNOWLEDGMENT OF COUNTRY

Rosebank acknowledges the traditional custodians of the land upon which we gather - the Wangal People of the Eora Nation. We pay respect to Elders past, present and emerging. We recognise the ongoing connection to land, culture and language of Australia's First Peoples and we commit ourselves to work for reconciliation, justice and peace with all Aboriginal and Torres Strait Islander people. Make us faithful stewards of this land.

Chair of the Board

MSTARA MCCARTHY

Our Good Samaritan Education theme for 2024 is Holy Audacity.

Holy Audacity, embedded in the Rule of Saint Benedict, calls us to be a voice for justice and peace and embodies a courageous and bold approach to living out one's faith. In many ways, 2024 has been a year of audacity, listening and reconciliation for the College.

Rosebank College is located in the inner-west suburb of Five Dock, an area that forms part of the traditional lands of the Wangal People of the Eora Nation. The Wangal were a clan of the Dharug tribe or language group and they called themselves 'the Eora', meaning 'the people'.

It was back in 1868 that Archbishop John Bede Polding purchased the Rosebank Estate for the Sisters of the Good Samaritan and, since then, Rosebank has developed into a place of quality education, innovation and excellence. For at least 200 years, a magnificent fig tree stood in front of the College's colonial house and chapel until 2022 when, on the advice of expert arborists, it had to be taken down. A student-led project to repurpose the space where the fig tree had stood was launched and, in early 2024, Birra Birra (as it is now known) was completed. 'Birra Birra' is Dharug for 'fig tree' and is designed as a meeting and learning space that commemorates the rich heritage of the Wangal people as well as our College community:

- At the centre of Birra Birra is an inlaid outline of the roots of the fig tree, recalling the historical presence of one of Rosebank's iconic landmarks.
- Opposite the entrance to the chapel are six Aboriginal story poles that tell the story of Rosebank through symbols and art: Students, Faith, Families, Community, Country and Culture.
- Surrounding the whole space is a carefully curated Australian native garden.

Today, Birra Birra is where the Past – the Wangal and early Good Samaritans; Present – Rosebank students, families and staff; and Future – a living growing garden, combine to present a statement that proudly proclaims: 'This is Rosebank.'

Central to the Benedictine values of listening, compassion and respect is honest ownership of the past with a commitment to building a future based on justice and peace. In 2024, the College embarked on the development of a Reconciliation Action Plan (RAP). Guided by a RAP Committee and listening to First Nations' voices in order to learn, the College is in the process of developing its vision for reconciliation and defining the actions and commitments to create meaningful impact both within the classroom and in the broader College community.

As I near the end of my maximum term of nine years as Director on the Board of Rosebank, I would like to acknowledge the privilege it has been to serve you, the Rosebank College community, as Chair of the Board. I would like to gratefully acknowledge my fellow directors, who provide their time and expertise voluntarily, and extend my sincere thanks to our Principal, Ms Iris Nastasi, capably supported by a committed Leadership Team for their vision and leadership in managing the school. I would also like to extend my gratitude to the teachers who inspire and guide our students to pursue their best and offer my sincere thanks to our school community for their ongoing support of the College. Together, we will continue to nurture the values that allow Rosebank to be a community of faith for all to realise their potential.

Principal

MS IRIS NASTASI

'It is with immense pride that I reflect on the remarkable Rosebank journey of 2024.'

I am reminded, as always, that at the heart of Rosebank are our students, and this year has been a testament to their hard work, resilience, passion and success.

This Graduating Class of 2024 has deeply enriched our community, excelling not only in academics but also across a wide range of co-curricular activities. We celebrated their outstanding victory in the prestigious Catholic Schools Debating Association Grand Final Competition, a remarkable achievement in a competition involving around 90 schools. We also cheered on our Senior Theatresports team during a nail-biting Finals at the Enmore Theatre, where their quick thinking and creativity were on full display. Year 12 demonstrated a profound commitment to social justice, leading many initiatives, serving as catechists, and embodying our Good Samaritan values of service and compassion. The Graduation Mass and ceremonies were a highlight, where our community was inspired by Father Mirko who reminded the cohort that each one of them is a 'bright spark' and with us celebrated their unique talents, academic prowess, and contributions.

Amongst many achievements, a notable success was Rosebank winning the National Finals of the Future Problem Solvers Competition held in Melbourne. Our very talented Stage 4 students presented a compelling project on 'Vaping Awareness'. The judges were impressed by the project's contribution to student wellbeing and its potential impact on the broader community. Our team has been invited to compete in the International Finals in Indiana, USA, in June 2025. This is an extraordinary opportunity for our students to represent not only Rosebank but also Australia on the global stage.

Another praiseworthy project was our annual Write a Book in a Day initiative, where students and teachers devoted a Saturday to crafting animated books. Not only did their efforts result in outstanding creative work, but they also raised valuable funds for the Kids' Cancer Project. The project fosters creativity and literacy skills while instilling a strong sense of social responsibility.

None of these achievements would have been possible without the tireless dedication of our exceptional teachers and staff who look for learning opportunities for our students both inside and outside the classroom. This year, Rosebank College was proud to be represented at both the NSW Teachers' Guild Awards and the NSW Australian

Council of Educational Leaders (ACEL NSW) Awards. While individual teachers' devotion to their craft was widely recognised, our Diverse Learning Team was recognised by ACEL NSW with the prestigious Team Leadership Award.

In 2024, we rekindled our commitment to global citizenship and cultural exchange. A group of Year 10 students had an opportunity to participate in the annual immersion program at Ltyentye Apurte, a remote First Nations community in the Northern Territory, and Year 11 students embarked on a transformative journey to Bacolod, the Philippines, where they volunteered and immersed themselves in local culture. Rosebank students participated in a cultural excursion to Italy, providing students with a unique opportunity to explore European history and art.

In 2024, the College community launched the Reconciliation Action Plan (RAP). Staff participated in cultural education sessions, gaining valuable insights into Aboriginal and Torres Strait Islander culture. Our curriculum teams identified opportunities to incorporate authentic Indigenous perspectives into our teaching and learning programs.

It was timely, then, that 2024 saw the completion of the Birra Birra gathering space, a significant two-year project shaped by the collaboration of our students and staff members and funded in part by the College P&F. We were especially honoured by the artistic contribution of Jodie Herden, a Gomeroi woman whose cultural wisdom and guidance were instrumental in bringing this project to life. The importance of Birra Birra, connecting both our past and future, will stand as a lasting legacy of 2024's accomplishments and a source of pride for our entire school community.

As we close this chapter of the school year, I am filled with gratitude for the efforts and achievements of every member of our community. I would particularly like to thank Ms Tara McCarthy, Chair of the Rosebank Board, as she approaches the end of her nine-year term. I extend my thanks to her for her remarkable service and leadership. I am grateful to the Board of Directors, who have provided their unwavering support and invaluable guidance throughout the year.

I am fortunate to have the immense expertise and support of Mr Paul Hardwick as I lead Rosebank and, with that, I recognise the exemplary work of the entire Leadership Team who make this role so rewarding. Thank you!

The future is bright for Rosebank, and I look forward to witnessing the continued growth, success and spirit of our students, staff and community in the years to come.

Assistant Principal

MR PAUL HARDWICK

'I thank the Rosebank staff for creating space for mindfulness and gratitude.'

Our College theme for 2024 was *Holy Audacity through the lens of Hospitality and Peace*. This challenged our community to be bold and to open our hearts to making new and genuine connections; to be courageous in overcoming discomfort; to show up for each other; and, most importantly, to make a renewed commitment to presenting ourselves and welcoming others with grace, humility and integrity.

Rosebank's connection to the traditional custodians of the land upon which we gather each day, the Wangal People of the Eora Nation, was further explored this year. In pride of place at the foot of the Benedict Auditorium, six Indigenous story poles were installed and hand-painted by our students under the guidance and instruction of contemporary Aboriginal artist and Gomeroi woman, Jodie Herden. They stand brightly amidst an array of native plants and handmade mosaic tiles, also created by our students, at the centre of an inviting new outdoor learning and play space, Birra Birra.

This year gifted our community with many opportunities to revisit our College theme as we both offered and received hospitality. Our students were warmly welcomed as they crossed state lines on immersion trips to Far North Queensland and Central Australia, as well as to Victoria and Queensland to compete in a number of interschool academic and sporting competitions. The College was also represented on the GSE staff pilgrimage which visited a number of sacred sites in Europe. We welcomed Benedictine Exchange Program (BEP) students from Germany and Italy, as well as a visiting group of Italian students on tour in Australia. Some of these young visitors would, in turn, host a small group of Rosebank students on a Languages and History tour to Italy later in the year.

We also welcomed many new family faces into the College as we introduced 'Parent Engagement Gatherings' (PEG) which replaced the traditional P&F meetings. Each of these PEG evenings – themed across Pastoral Care, Learning, Physical and Cultural Engagement (PACE) and Ministry – was uniquely packaged and presented, providing greater

opportunity for interaction and collaboration with our Rosebank parents. Our parents also contributed to the tremendous success of our 2024 fundraising initiatives. Money raised through the year will allow for the further development of the green rooftop space, including a shade system and outdoor catering facilities for both students and staff.

The Rosebank Academic Mentoring Program (RAMP) has continued to go from strength to strength, with a growing number of students working with our tutors in group and individual sessions each afternoon. The program also facilitated several special workshops in Term 4, for Year 6 students transitioning into Year 7 in 2025.

The College Leadership Team collaborated with our student leaders on a number of projects, including the design of a new sports uniform to be phased in from 2025 and the introduction of a number of optional uniform items, including tailored shorts, providing students greater flexibility during unpredictable seasonal changes.

In a fast-paced world that continues to gather speed, I thank the Rosebank staff for creating space for mindfulness and gratitude, where students can turn down the noise and find their own Holy Audacity.

Student Leadership

COLLEGE CAPTAINS

Over the past year as College Captains, we have had the privilege of representing Rosebank College at various events and promoting initiatives around the College. It has been an incredible experience that we will value for the rest of our lives, so we would like to thank the College community for entrusting us with this responsibility.

We had the opportunity to collaborate with many other amazing leaders from Rosebank and other schools in Sydney. We participated in Prefect Afternoon Teas at PLC, St Pat's and Rosebank, engaging in enjoyable activities and discussing our leadership goals with like-minded peers. It was a pleasure to work with students across the College to organise initiatives such as the World's Greatest Shave, a highly successful event that raised over \$12,000 in support of the Leukaemia Foundation. We also worked with the House Captains to launch a new student-led Instagram account, promoting engagement and communication within the student body.

As always, events such as Open Day, Benedict Day and other masses and assemblies were a highlight, as the entire school community came together to promote and celebrate the achievements of our students and teachers. The annual *Rosebank's Got Talent* was certainly a highlight too! We would like to give a shout-out to Mrs Darling and Ms Fukunishi for their efforts in making these special days run so smoothly and enjoyably.

On behalf of all the Student Leaders at Rosebank, we extend our thanks to Ms Long. Her dedication, often sacrificing her lunchtimes, has been instrumental in helping us realise our leadership vision. We also want to acknowledge the invaluable support of the entire leadership team. Without their guidance and encouragement, none of our ideas or initiatives would have come to fruition. The connections we have formed with the wonderful people of our College community have enriched our experience. Finally, we wish the next College Captains the best of luck in their leadership journey. We are confident these exceptional individuals will be exemplary role models and leaders for 2024/2025.

Stella Vardanega and Xavier Woods

COLLEGE VICE CAPTAINS

Over the past year, it has been our privilege to serve as College Vice Captains, and we have thoroughly enjoyed the experience. In our various portfolios, we have had several fantastic opportunities to give back to the College and develop our own leadership skills for the future.

In Ministry, we introduced a new student initiative, Vinnies Night Patrol, which saw Year 12 students volunteering their time once a fortnight with St Vincent de Paul. We also continued the Rosebank Winter Sleepout, supporting StreetHeart in their selfless work. In Learning, we amplified student voice in the Year 10 Subject Selection process, introducing senior student anecdotes to information sessions.

In Pastoral Care, we helped to promote student wellbeing throughout the College with the Wellbeing Wednesday initiative in the second semester of the 2023 learning year.

We have thoroughly enjoyed our time as Vice Captains, and are extremely grateful to the teams behind Ministry, Learning and Pastoral Care for assisting us in implementing our initiatives, and to all of the students we have collaborated with in order to uplift student voice at Rosebank. We are very excited for the incoming Vice Captains, and are confident they will contribute to the portfolios with zest and enthusiasm!

Emma Speranza (Ministry), Elizabeth Day (Learning) and Julian O'Donnell (Pastoral Care)

CURRICULUM CAPTAINS

It has been a privilege to serve as the Curriculum Captains of 2023/24.

It was an incredible year for CAPA, with Jack and Tina noting highlights like the Year 7 Arts Day, Dance Showcase and Music Ensemble performances, displaying a wide range of artistic talents among students. In English, Eliza worked closely with students and teachers to deepen the reading culture at Rosebank through a Book Club. In History, Iban arranged lunchtime activities and promotions such as Dr O'Shea's imitation of Oscar Schindler. Matilda enjoyed working with students to further their passion for HSIE and working with teachers to expand the scope of the subject area. With the Languages Department, Holly held trivia for Years 9 and 10 students and, in Maths, Lucas and past Accelerated students ran Maths@Lunch every Monday and Wednesday. In PDHPE, Amelia had the opportunity to promote senior study of the subject to Year 10 students. As Religion Captain, Philip has enjoyed inspiring in students a love of learning in a multi-faith society. Science had a big year with Rosebank Science Week, International Women's Day activities focused on STEM, and the weekly Year 7 Science Club run by Jasmine, and Fotini has created and run numerous TAS Clubs for activities such as finger knitting, coding and scratch games. We are so grateful to have worked alongside students and Subject Coordinators, leaving what we hope will be a lasting, positive legacy at Rosebank.

Back row: Fotini Papavramidis, Lucas Lofaro, Matilda Meidling, Philip Emmanuel Plan, Jack Batchelor, Amelia Como
Front row: Jasmine Azizi, Holly Birmingham, Iban Occhiuzzi, Eliza Muir, Tina Hatzivasiliou

CULTURE AND IDENTITY LEADERS

The 2023/2024 Culture and Identity Leaders had a wonderful year of achievement, and we enjoyed organising initiatives to enhance the Rosebank College community. We worked as a team to organise activities and events such as Rosebank Christmas, RU OK Day, Harmony Day, the International Day of Kindness and National Reconciliation Week! Additionally, we organised the Leaders' Prefect Afternoon Tea at the SRSC, an inspirational opportunity that brought leaders from multiple schools together to discuss leadership initiatives and ideas while collaborating in fun activities. Working as a team has allowed us to create new friendships and memories that will be treasured forever. Being Culture and Identity Leaders has given us priceless experiences and insights that we will carry into our future endeavours.

Front row: Tina Hatzivasiliou, Iban Occhiuzzi, Aidan David, Sandy Mapstone, Claudia Peterie

Student Leadership

SOCIAL JUSTICE LEADERS

Over the past year, the Social Justice Leaders have collaborated on numerous projects to create a heightened awareness of and engagement with the charities Rosebank College supports. At the beginning of our leadership term, we organised an immensely successful Social Justice Day that drew attention to the hardships experienced by refugees and asylum seekers. Through activities such as Q&A sessions, students and teachers were able to develop their understanding of and empathy with the refugee crisis. Alongside this event, small groups of students and teachers were given the opportunity to support Vinnies Night Patrol in person. This involved handing out sandwich packs with hot drinks and conversing with individuals to gain invaluable knowledge of their life experiences. This conversation resurfaced at the end of our leadership term during the Rosebank College Winter Sleepout and the Vinnies Winter Appeal. By working collaboratively, each leader contributed to our various projects, improving the school and local community. We wish the best of luck to the future Social Justice Leaders.

*Back row: Rachela Biasi, Philip Emmanuel Plan, Aarnav Mahant, Jayden Melhem, Felicity Fogarty
Front: Natalia Buzo, Lauren Herbert, Ava Voukenas, Adelaide Brokenshire, Nicolette Magias*

SUSTAINABILITY LEADERS

Over the past year, the Sustainability Service Group Leaders have made Rosebank College a model of environmental consciousness through innovative programs and collaborative efforts.

Stand-out projects included tips to raise eco-awareness on the daily notices, the Return and Earn bin initiative, recycling old pens and batteries and the coffee cup recycling program. These efforts have provided convenient ways for students and staff to reduce their environmental footprint. Additionally, Rosebank participated in the Speaking 4 The Planet competition, fostering dialogue on sustainability with other schools. As we celebrate this year's achievements, we wish future Sustainability Leaders continued success in building on the strong foundation of environmental stewardship established by this year's team.

*Back: Jayden Wong, Jack Batchelor, Patrick Endicott, Owen Tourle-Choi, Alyssa Rizzo
Front: Jayden Kim, Matthew Newton, Isabelle Som, Ella Nicholas, Isabella Todaro*

PACE CAPTAINS

Over the past year, the privilege of working within the PACE Department has given us many opportunities to contribute to its development and success. The Year 12 cohort achieved the highest attendance at the swimming and athletics carnivals, which is a significant accomplishment. The Interhouse Basketball Competition was held again, with Adamson defeating McLaughlin, who had held the winning title for three years. The new Interhouse Futsal Competition also took place and was a huge success. The role of PACE Captain taught us the importance of teamwork, leadership and dedication. With many exciting and new ideas actioned, it has been an honour to be selected to represent the PACE Department.

Jayden Wong, Nick Andracchio, and Kristen Tannous

CROSS-CURRICULUM CAPTAINS

The 2024 Diverse Learners have achieved amazing things this year! From both Ethics Olympiad teams' honourable mentions in their respective competitions to Rosebank's first year of participation in the Model United Nations, this year has been filled with success. Under the incredible leadership and organisation of Ms McArthur, the EnrichED program has proven to be an exciting opportunity for Rosebank students of all ages. We are incredibly proud of all Diverse Learners this year for all their achievements. As leaders, we hope that we have been able to bring visibility to and appreciation of the Diverse Learning Department; and we are excited to see what the incredible new Diverse Learning Captains bring to Rosebank.

Sienna Ulizzi, Harley Hatzimihail and Isabelle Campion

House Captains

ADAMSON HOUSE CAPTAINS

Serving as the leaders of Adamson House in 2023/2024 has been an absolute privilege. Through leading and inspiring the House to victory in the swimming and athletics carnivals to the interhouse competitions, we would like to give a special thanks to our Service Group Leaders – Jayden Melhem, Claudia Peterie and Isabella Todaro – and House Coordinators – Mr Sinclair-Kydd and Miss Monti – as we would not have been able to lead the House without them. As House Captains, we have raised awareness of our House charity, the Asylum Seekers Centre, and guided students in spirit as well as striving to make the Adamson community the best it can be. As we say goodbye to our roles, we wish Brielle Horton and Arki Bates the best of luck as they step in to lead the House with integrity and pride.

Anthony Pan and Mikaela Lofaro

BRADY HOUSE CAPTAINS

Over the past year, we have had the privilege of watching Brady House grow closer as a community, bringing us great joy and fulfilment. Brady donated more money than ever to the Kiribati communities through our fun and exciting fundraising adventures that inspired House spirit. This spirit was expressed through Brady's participation in Home Room competitions and interhouse competitions. We are immensely proud of everyone. Brady has again proven its sense of community and House pride, which was displayed throughout the period of our captaincy. Most importantly, we want to thank our House Coordinators, Ms Piperides and Ms Hanrahan-Tan, for everything that they do behind the scenes and for the continuous support that they provide to the whole House, fostering our desire for Brady's prosperity and the House's desire to evolve. While it is sad to say goodbye and hand over our leadership, we know the House will be in good hands, and we wish Brady all the best for years to come.

Roman Judd and Madeleine Newman

CASSIDY HOUSE CAPTAINS

In 2023/2024, we had the amazing experience of watching Cassidy grow closer together. Although we had some ups and downs, we are very proud of everyone's efforts and House spirit. Many memories were created throughout our leadership, such as coming fourth in the Athletics Carnival again! We would like to thank Mrs Slaney, Ms Presser and all Home Room teachers for their endless support. We also thank Jack Batchelor, Sandy Mapstone and Philip Emmanuel Plan, our Service Group Leaders, for their support and engagement as well as the rest of Cassidy Year 12! We had so much fun with everyone and are happy that we all came together as a group. Good luck to next year's House Captains – Laura Errichiello and Michael Frisina – we know they will do great things and strive for the best!

John Clemente and Amelia Como

CAULFIELD HOUSE CAPTAINS

It has been an honour to be able to call ourselves your Caulfield Captains this year and to lead such an amazing House. Leading such an incredible group of students has taught us invaluable lessons in leadership, teamwork and perseverance. From organising House events to rallying the team for competitions, every moment has been filled with enthusiasm and pride. We have been extremely proud to be able to watch our Caulfield spirit flourish in all areas, and knowing that we played a part in fostering this success is something we will always cherish. The culture and spirit within Caulfield are unmatched, and we are very grateful to have had the opportunity to work with our fellow Service Group Leaders, Home Room teachers and House Coordinators, Ms Clark and Ms Peters. Getting to contribute to the Caulfield culture has been an amazing experience, and we are excited to see the contributions of the 2024/2025 captains!

Benjamin Brookes and Eve Court

DELANEY HOUSE CAPTAINS

It has been a privilege leading the Delaney House over the past 12 months, encouraging and motivating the students of the House to constantly participate in carnivals and show generosity and kindness when involved in the Santa Teresa House charity, Project Compassion and Vinnies Appeals. We have enjoyed our role in helping to create a fun, friendly environment to make memories for all in the Delaney community. We would like to thank Miss Zuman and Miss De Prima for being amazing coordinators, as, without their help, many of the events within the House could not have gone ahead. Good luck to the rest of the House on their journey over the coming years, and we hope for more wins at all the carnivals!

Jack Clark and Lola Tesoriero

DWYER HOUSE CAPTAINS

Being the Dwyer House Captains for 2023/24 has been a privilege. Working alongside Mr Morizzi and Mrs Stojoski has been a constructive learning experience, and we have gained many skills and been provided with multiple opportunities. We have loved working alongside the members of Dwyer House, encouraging all years to be more involved and raise the House spirit. It was an amazing opportunity for us to welcome the new Year 7s and give them a community to enjoy as they started Rosebank and for us to create a loving and supportive environment within Dwyer. We thank Rosebank for this opportunity and will deeply miss our roles as we welcome the new leaders. We wish Dwyer all the best!

Isabel El-Azzi and Tamara Coco

House Captains

HAYES HOUSE CAPTAINS

Having the opportunity to represent Hayes House this year has been a privilege that has proven to be both rewarding and challenging. We are extremely proud of the students of Hayes who approached these challenges with enthusiasm and continued to impress us with their efforts. We would like to give a huge thanks to our fellow Service Group Leaders and to our Home Room teachers for their assistance throughout the year. A special thank you to Mrs Henry and Mr Latsinos for their endless support and guidance: we couldn't have done it without them. We give our best wishes to the upcoming Hayes leaders and we know they will do a great job.

Hugo Guastella and Zoe Tsatsimas

MCLAUGHLIN HOUSE CAPTAINS

As McLaughlin's House Captains, we have had the privilege to watch our House grow and flourish. The involvement and spirit of the House were outstanding this past year, enabling us to reach our fundraising goals for our Good Samaritan program for our sponsored primary school in the Philippines. We had great sporting success at both the College Swimming Carnival and Senior School Basketball competition and gave it our all at the Athletics Carnival. This growth could not have been possible without our Service Group Leaders – Aarnav Mahant, Sara Simeoni and Owen Tourle-Choi – who rounded out an amazing McLaughlin leadership group. We would also like to thank our wonderful House Coordinators – Mr Zillich and Miss Peruzzi – for their amazing support and guidance throughout our time as House leaders. We wish the incoming McLaughlin Captains for 2024/25 all the best!

Fergus Lamond and Catherine Nunez

O'CONNOR HOUSE CAPTAINS

Having the opportunity to lead O'Connor House as Captains for 2023/2024 has been both a privilege and an honour. Through the unwavering support of O'Connor House teachers and students from Years 7-12, we have been able to continually foster the great sense of community and dedication found within this House. We would like to thank Mrs Busetto and Ms Long for all the help and guidance over our leadership journey and in the years prior. We would also like to commend our Service Group Leaders – Naina Sharma, Lauren Herbert and Ella Nicholas – for their incredible contribution and hard work. Best of luck to the incoming leaders: we hope they enjoy their time leading the best House at Rosebank!

Kaelan Hu and Aadya Sharma

VAUGHAN HOUSE CAPTAINS

In 2023/2024, we have had the opportunity to lead Vaughan and to watch the House grow together. We are immensely proud of everyone, especially in terms of our donations to the Sisters of St Agnes in Tanzania. Our role as Captains was full of excitement, with maximum involvement in both the Swimming and Athletics Carnivals, further proving that Vaughan students will always set the bar high. We want to thank our House Coordinators – Ms Goodenough and Ms Lines – as well as our Service Group Leaders – Felicity Fogarty, Jayden Kim and Gabriella Latif – for their countless hours making Vaughan an amazing and welcoming community. We wish Sophie McEvoy and Nash Boswell all the best in continuing the legacy of being the best House not only in J Block but also in the whole school community.

Fletcher Onley and Eliza Muir

Student Representative Council

Rosebank is ever aware that leadership is vital to our success.

Leadership is not about being popular, but helping students to exceed their own expectations, and the Student Representative Council (SRC) acts as the 'voice' for each class and House here at Rosebank College. Below are a few reflections on being a member of the Rosebank SRC in 2023/2024.

As an SRC (Year 10) member, I have had the chance to have more of a say within the school community as well as testing the waters in being a leader. I have had the privilege and opportunity to be a member of the SRC two years in a row thanks to my peers' votes. I assisted with Open Day and Year 7 Orientation, and am now helping other leaders within my House to produce successful carnival chants and generate themes and ideas for these events. Through the SRC, I also volunteered to help make sandwiches for the homeless as well as hampers and lolly bags for Benedict Day. Having the role of an SRC member also enabled me to speak on behalf of a group of people when painting the Story Poles in the fig tree area, involving myself in an interview to explain the story and significance behind them.

Charlotte Copson, Year 10

As a Year 9 SRC member, I have had the incredible opportunity to make a real difference in my school community. Through this role, I have been able to help my House by planning for upcoming carnivals and fundraisers during SRC meetings where we have been able to put forward our own ideas and work together to achieve them. One fundraiser which had great success this year was our lolly and soft drink fundraiser where we were able to help make lolly bags and drinks and distribute them to the school during our annual Benedict Day. Overall, being a part of the SRC has been an amazing and enriching experience that has helped me develop my leadership skills and given me a voice to advocate for the needs of my peers.

Sienna Roach, Year 9

I am very grateful that I have had the opportunity to represent my House as a Year 8 SRC member: I was able to assist the House in preparation for Benedict Day by creating lolly bags with SRC members from other year groups to sell to raise funds for our House charity. We all participated in the Push-Up Challenge as well and, despite the hard work, I'm glad I helped my House win some House points for a good cause.

James Davis, Year 8

ADAMSON

Year 7 - Robert Horton, Olivia McInerney
Year 8 - Jude Steverson, Greta Peterie
Year 9 - Harrison Hammond, Piper ToelleAtkinson
Year 10 - Adriano Sorrentino, Lily Reynolds
Year 11 - Nate ToelleAtkinson, Brielle Horton

BRADY

Year 7 - Byron Brewer, Ella Murphy
Year 8 - Lily German, Tallen Palma
Year 9 - Lara Petrozzi, Aidan Calabrese
Year 10 - Poppy O'Connor, Timothy O'Connell
Year 11 - Jonah Lee, Kane McKenzie

CASSIDY

Year 7 - Jack Barrett, Cara Calladine
Year 8 - Caitlin Plan, Ethan Fung
Year 9 - Carlo Cuomo, Olivia Gimenez
Year 10 - Eloisa Ancona, Abe Durham
Year 11 - Laura Errichiello, Matthew Elazzi

CAULFIELD

Year 7 - Jayden Kane, Elena Gonzalez
Year 8 - Alessia Cremona, Sophie O'Driscoll
Year 9 - Victoria Hatzivasiliou, Katia Reichle
Year 10 - Callista Demiralay, Lavinia Edington
Year 11 - Lauren Goldsmith, Krystal Georgellis

DELANEY

Year 7 - Alexander Wang, Faith Akcan
Year 8 - Camille Anquetil, Marcello Furnari
Year 9 - Moses Lawrence, Olivia Locke
Year 10 - Charli Husken, Nik Warmerdam
Year 11 - Emilie Srdic, Olek Szczerbicki

DWYER

Year 7 - Joe O'Neill, Claire Pruscino
Year 8 - Imogen Yaw, Marcus Castelvetere
Year 9 - Holly Wylde, Callum Reeves
Year 10 - Olivia Nero, Justin Nguyen
Year 11 - Matthew Saultis, Rhiannon Bonner

HAYES

Year 7 - Joshua Spagnudo, Lia Sharma
Year 8 - Elizabeth Allen, Oliver Hogan
Year 9 - Gabriella Gosarevski, Ace Sharma
Year 10 - Mya Sharma, Rex Newman
Year 11 - Lucy Cologna, Winston Parry

MCLAUGHLIN

Year 7 - Matteo Ferretti, Olivia Bogomiagkov
Year 8 - Sacha Pather, Francis Winoto
Year 9 - Leo Nelson, Oliver Vardanega
Year 10 - Alexis Kapsanis, Isabella Nunez
Year 11 - Sophia Ferrara, Will McKiernan

O'CONNOR

Year 7 - Patrick Bullock, Daisy Henwood
Year 8 - Ella Glading, James Davis
Year 9 - Sienna Roach, Kaine Hillsley
Year 10 - Charlotte Copson, Sienna Lau

VAUGHAN

Year 7 - Joshua Bartle, Gabriella Rositano
Year 8 - Keiralina Leung Shing, Georgio Hatzigiannis
Year 9 - Mary Cantley, Oskar Ronis
Year 10 - Camryn Fitzpatrick, William McNamara
Year 11 - Sophie McEvoy, Melanie Modrin

SECTION 2

Community Connections

ARTIST:
ELLA ADAMS (YEAR 8)

Open Day

Sunday, 5 May

We welcomed a large number of families who joined us for an immersive Rosebank experience, exploring our vibrant campus through engaging student-led tours, captivating dance, music and drama performances, and meaningful interactions with our students, teachers and staff.

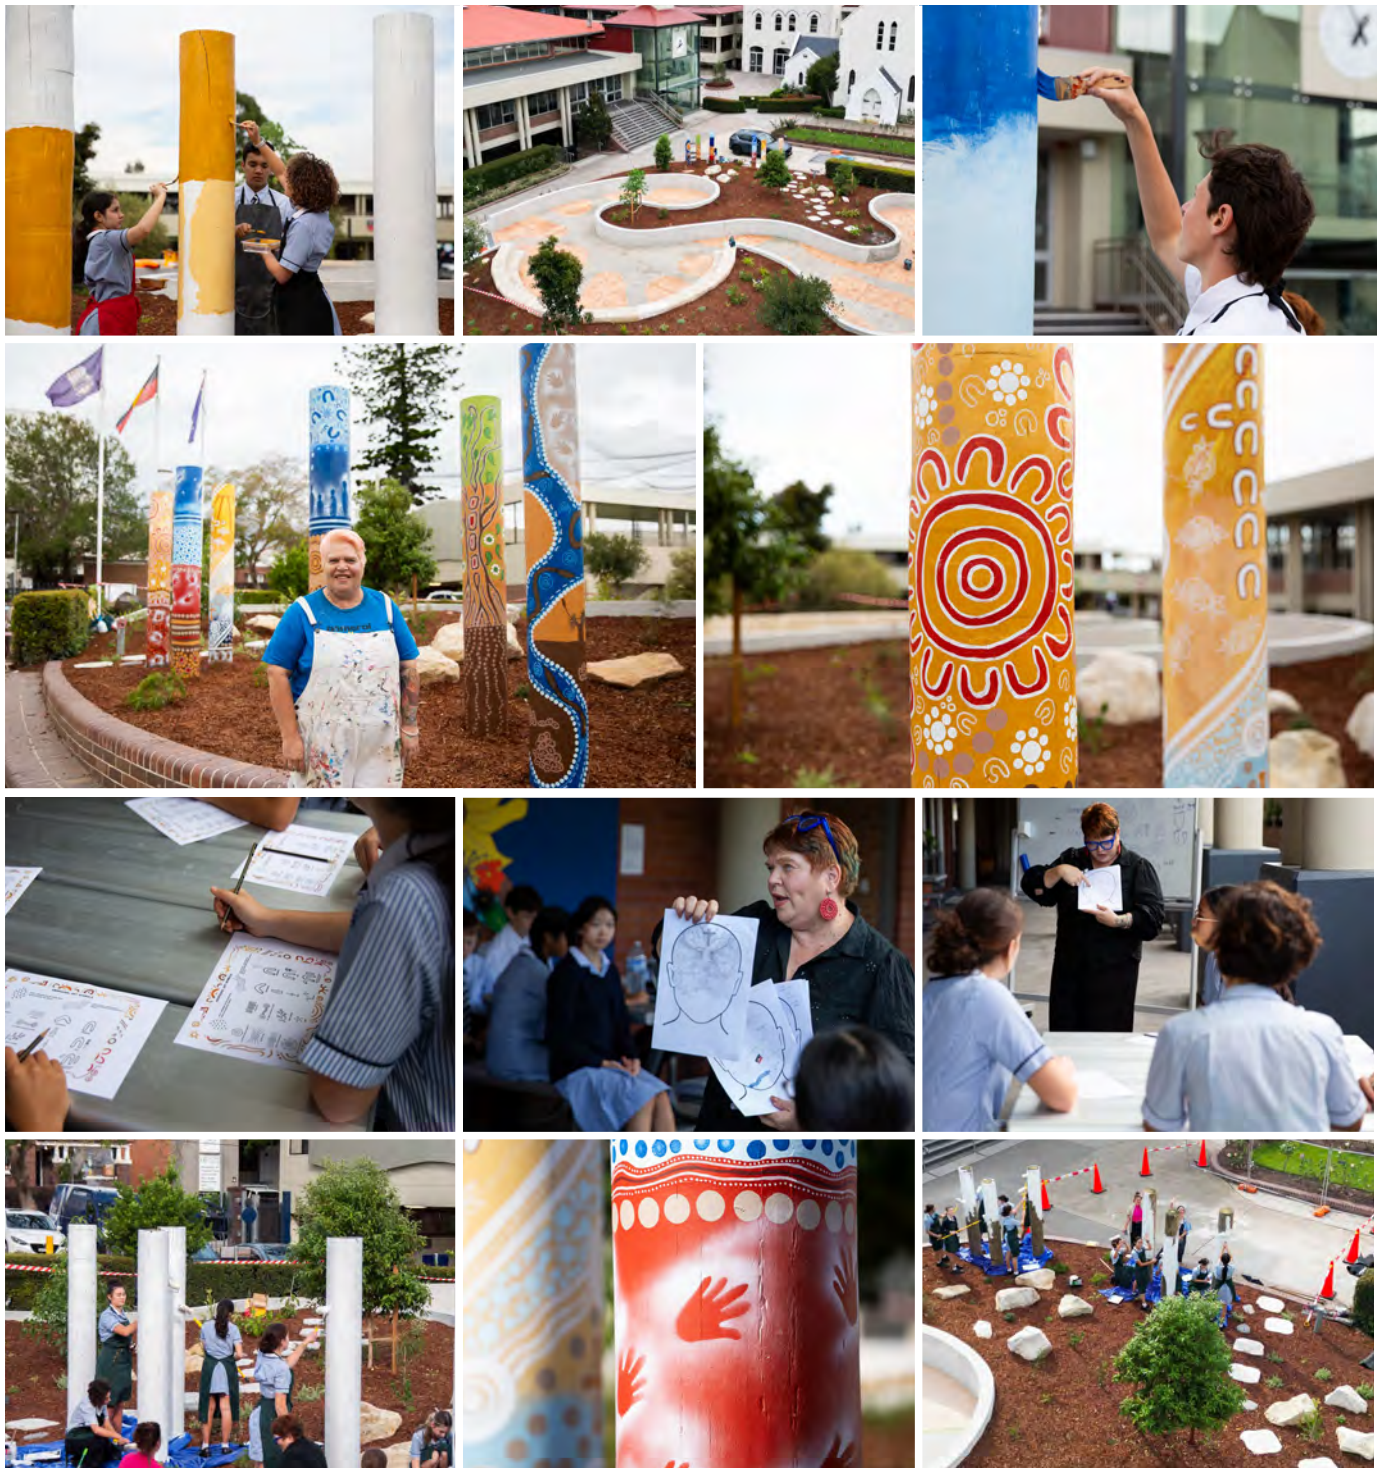

Birra Birra

Birra Birra is a place of gathering, teaching and learning, paying homage to the rich heritage of the Wangal people, the Sisters of the Good Samaritan and the fig tree that once stood in this space for over 150 years.

Named after the Dharug word for the majestic Port Jackson fig, Birra Birra stands as a testament to the deep connection between the land and its people. Viewed from above, the layout of Birra Birra represents the sprawling roots of the fig tree that once thrived here, a reminder

of the enduring legacy it left behind. Nestled into the ground are vibrant mosaics crafted by our students, each telling a story of the fig tree's significance and the community it nurtured. Additionally, the six story poles explore the unique narratives that shape our College community.

Birra Birra honours the past, celebrates the present and inspires the future, and we hope to see it enjoyed by our community for many years to come.

Harmony Day

Friday, 22 March

Celebrating the diverse and vibrant cultures here at Rosebank for Harmony Day! We shared food, stories and experiences from our various cultures, came together to do some chalk drawings and worked on a hand print mural – all in the spirit of inclusion, respect and belonging for everyone.

World's Greatest Shave

Friday, 12 April

On the last day of Term 1, seven students and one teacher bravely shaved their heads to raise money for the World's Greatest Shave. We were proud to see so many students come along and show their support!

Mother's Day Breakfast and Liturgy

Friday, 10 May

We held a breakfast and Eucharist to celebrate the amazing mothers and significant women in our lives. Families were invited to enjoy a beautiful breakfast and share special moments before joining together in the celebration of the Eucharist.

Mornings like this unite our Rosebank community in giving thanks to God for all the significant women in our lives, especially our mothers, who, in their selfless love of their children and families, build and shape our future.

Benedict Day

Friday, 28 June

Starting with a beautiful Mass, we inducted our new student leaders and celebrated students who achieved great results in our Athletics Carnival – congratulations to Adamson on winning the House trophy!

After enjoying games, inflatable rides and lunch under the sun, we were treated to an electrifying *Rosebank's Got Talent*, where our students showcased their unique talents – from singing to card tricks, dancing and more. Jonas Limtungan from Year 7 won first place, wowing us all with his captivating yo-yo skills.

Men Who Matter Breakfast

Friday, 30 August

We were honoured to host the Men Who Matter Breakfast and Liturgy, with over 200 fathers, grandfathers and other significant men in our students' lives joining us. Guests enjoyed bacon and egg rolls, a game of pass the footy and music, followed by a special Liturgy. It was a fantastic morning celebrating the important men who shape our students' lives.

Year 12 Graduation

Thursday, 26 September

Congratulations to our Year 12 Class of 2024! We celebrated this significant milestone with a beautiful Graduation Mass and Ceremony, welcoming our Year 12s, their families and teachers to commemorate the occasion. It was a day filled with pride, gratitude and reflection as we honoured the achievements of our students.

Year 12 Formal

Tuesday, 12 November

Year 10 Transition Dinner

Friday, 29 November

Presentation Evening

Monday, 2 December

Presentation Evening was an opportunity to come together as a community to celebrate the outstanding achievements of our students.

Congratulations to all the award recipients – your dedication and hard work have truly shone this year. We were delighted to welcome families to the College and share this special occasion with refreshments prepared by our talented Hospitality students.

End of Year Mass

Friday, 6 December

Parent Engagement

MRS TINA CARBONE AND MS ANITA MCCANN

This year, we introduced an innovative approach to volunteering by adopting micro-volunteering at the College. This new format allowed members of our community to contribute their time and skills in small, manageable increments, making it easier for more people to get involved and make a meaningful impact without a long-term commitment.

The success of micro-volunteering was evident throughout the year, beginning with the Parent Welcome and Information Evening. This event set the tone for a year of active participation, with parents stepping up to support various initiatives and activities.

The Year 7 and Year 9 Parent Social Evenings provided an opportunity for parents to connect, share experiences and build a stronger school community. The engagement and support from parents at these events were great to see and contributed significantly to their success.

As we reflect on the year, we thank the over 100 parents who volunteered their time to support the College. Their dedication and generosity have made a profound impact, fostering a sense of unity and community that is at the heart of our school.

Micro-volunteering has proven that even the smallest contributions can lead to significant outcomes. We look forward to continuing this tradition of community spirit and involvement in the years to come.

One of the highlights of the year was our Open Day. Despite the rain, the atmosphere remained vibrant and welcoming with many parents supporting the College through the running of our food court. Trivia Night was another standout event, where families came together for an evening of fun and friendly competition. The success of this event was bolstered by the micro-volunteering efforts, with parents contributing their time and expertise to ensure everything ran smoothly.

All profits from Open Day and Trivia Night have been directed toward initiatives benefiting the school community, predominantly the creation of a permanent shade solution for our rooftop green space, as well as installing outdoor catering facilities in this area. These enhancements will breathe new life into this space which will be used by the Rosebank community – students, staff, families and alumni – for many years to come.

Benedict Exchange Program

MRS TINA CARBONE AND MS ANITA MCCANN

The 2024 Benedictine Exchange Program (BEP) was a vibrant celebration of cultural exchange and international friendship, marking another successful year for Rosebank College. This year, we were thrilled to welcome students from two institutions: St Ottilien Rhabanus Maurus Gymnasium in Germany and Convitto Nazionale 'Vittorio Emanuele II' in Italy.

The corridors of Rosebank buzzed with excitement as students from Germany and Italy joined us, bringing with them rich traditions and fresh perspectives. The visiting students participated in a variety of academic and extracurricular activities, allowing them to immerse themselves fully in our vibrant school community.

Throughout the exchange, there were numerous cultural events and activities, many of which were generously organised by our host families for their assigned exchange students. A particularly memorable highlight as part of the College's itinerary was the excursion to Watsons Bay, where students enjoyed breathtaking views and lunch together. These activities not only enriched the participants' appreciation for different cultures but also highlighted the universal values that unite us all.

In addition to hosting international students, Rosebank also sent five of our own students abroad to experience life at St Ottilien Rhabanus Maurus Gymnasium, Germany, Convitto Nazionale 'Vittorio Emanuele II', Sardinia, and The Liceo Classico 'M. Cutelli - C. Salanitro', Sicily. These students embraced the opportunity to explore new cultures, languages and educational systems. Their journey was not just about academic learning but also about personal growth, as they navigated new environments and forged connections with their peers across Europe.

As we reflect on the successes of the BEP in 2024, we are inspired by the stories of transformation and connection that emerged from this year's program. The friendships formed and the lessons learnt will undoubtedly have a lasting impact on all involved.

Thank you to the Rosebank host families and the many staff members who helped make this program possible. Their dedication, generosity and support were instrumental in creating a welcoming and enriching environment for our international guests, ensuring the success of the Benedictine Exchange Program.

Alumni

MRS TINA CARBONE AND MS ANITA MCCANN

Alumni Engagement in 2024: Strengthening Bonds and Building Community

In 2024, our alumni engagement initiatives flourished, fostering vibrant connections and a robust community spirit. This year saw the return and revitalisation of beloved events, alongside fresh formats that brought our alumni closer than ever before.

GENERATIONS BREAKFAST

The Generations Breakfast, held on Tuesday, 5 March, brought together Rosebank alumni from the 1960s to 2004, including grandparents and parents. The event featured a specially curated Archives display and heartfelt gratitude for the attendees' contributions to Rosebank's legacy.

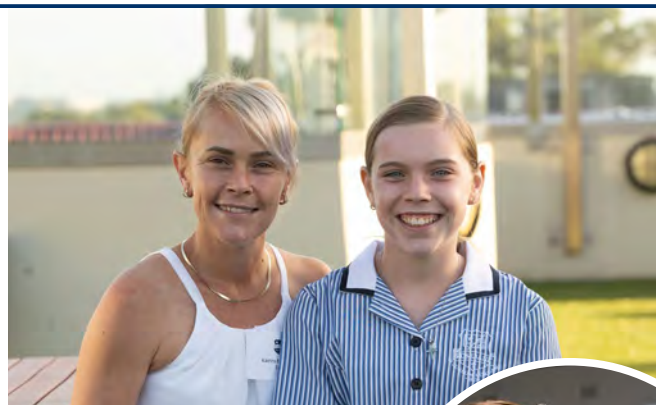

OPEN DAY

Our annual Open Day offered alumni the perfect opportunity to reconnect with old friends and make new connections. The campus buzzed with excitement as alumni explored the familiar grounds, now bustling with new developments and initiatives. The Alumni Stand, staffed by enthusiastic alumni volunteers, welcomed visitors, shared experiences and provided information about alumni programs and events. Their presence added a personal touch to the day, making alumni feel even more connected to the school community.

FUTURE PATHWAYS

The Future Pathways event on 18 June was organised by the College's Pathways & Partnerships team. Alumni and volunteers spoke to Year 10 students, sharing insights into various industries and career paths. Their personal career stories and experiences provided valuable inspiration and connections for the students.

ALUMINATE VIDEOS

This year, our Aluminate Videos got a fresh look and feel, featuring captivating storytelling and high-quality production, and showcasing the diverse paths our alumni have taken. The videos celebrated the achievements and contributions of our graduates, reaching a broader audience and strengthening the sense of pride and connection within our community.

CLASS OF 2024 GRADUATION: GUARD OF HONOUR

At this year's Graduation Mass and Dinner, it was a very special moment to witness so many alumni who were now parents of our graduation class form a guard of honour for the graduating students, including their own children.

CLASS OF 2004 REUNION

The Rosebank Class of 2004 held their 20-year reunion on Saturday, 16 November, at Briars in Concord. With a great turnout, the evening was filled with laughter and joy as old friends reunited and many special memories were shared.

LOOKING AHEAD: BUILDING A STRONGER FUTURE TOGETHER

As we reflect on the success of this year's alumni engagement programs, we are filled with optimism for the future. The events and initiatives of 2024 have reinforced the importance of maintaining strong ties with our alumni, fostering a sense of belonging and creating opportunities for meaningful connections. We are committed to continuing this journey, exploring new ways to engage with our alumni, and building a community that thrives on shared values, mutual support and collective growth.

Archives

MR ROBERT BEAZLEY

This last year has seen a continuance of contacts from outside the College whose relatives attended Rosebank before them. The first was Jennifer Lynn Jackson enquiring about her grandmother, Mary Wims, who was a primary school boarder in 1910. We were able to find Mary in the records we have of prize winners for 1910 and 1911.

Some months later, we received a note from Delma Wells concerning her mother, Stephanie Dwyer, from Wollongong. She is recorded in our enrolment records. Stephanie won a bursary enabling her to board at Rosebank, and she attended here for her full secondary education from 1930 to 1934. Stephanie's daughter and her son, Don, with their partners were very impressed by the College, especially the chapel and the cemetery.

In October, we received a letter from Irene Hills enquiring about her second cousin, Doris Louri, who was a pupil here from 1913 to 1921. Doris appears in our entry records, and we have a formal photographic portrait of Doris in a uniform of black taffeta with the new 1920s style of raised hemline, posed playing the violin at which she was quite accomplished.

These contacts are extremely important for our records of past students. They confirm that any information we have is right or wrong and nearly always add more personal details to fill out the memory of these young women.

This year, one of our team, Frances Reay, decided to retire from the Archives team. She has contributed to our efforts for six years, and we are very thankful for her work and congenial company.

A major effort this year was to transfer written enrolment records to digital form. Maureen Dolle has been our stalwart in this area and was well supported this year by Maria Mollica. We are within sight of an end to this work. Robyn Seedsman has continued with wider adventures in cataloguing objects – books, uniforms and memorabilia. Maureen Anderson is our expert in copying and cataloguing photographs.

Rosebank College is to be congratulated on supporting the venture of archiving our past. Our story is so important and yet so delicately poised for loss. The school and our Archives team are pushing ahead steadily.

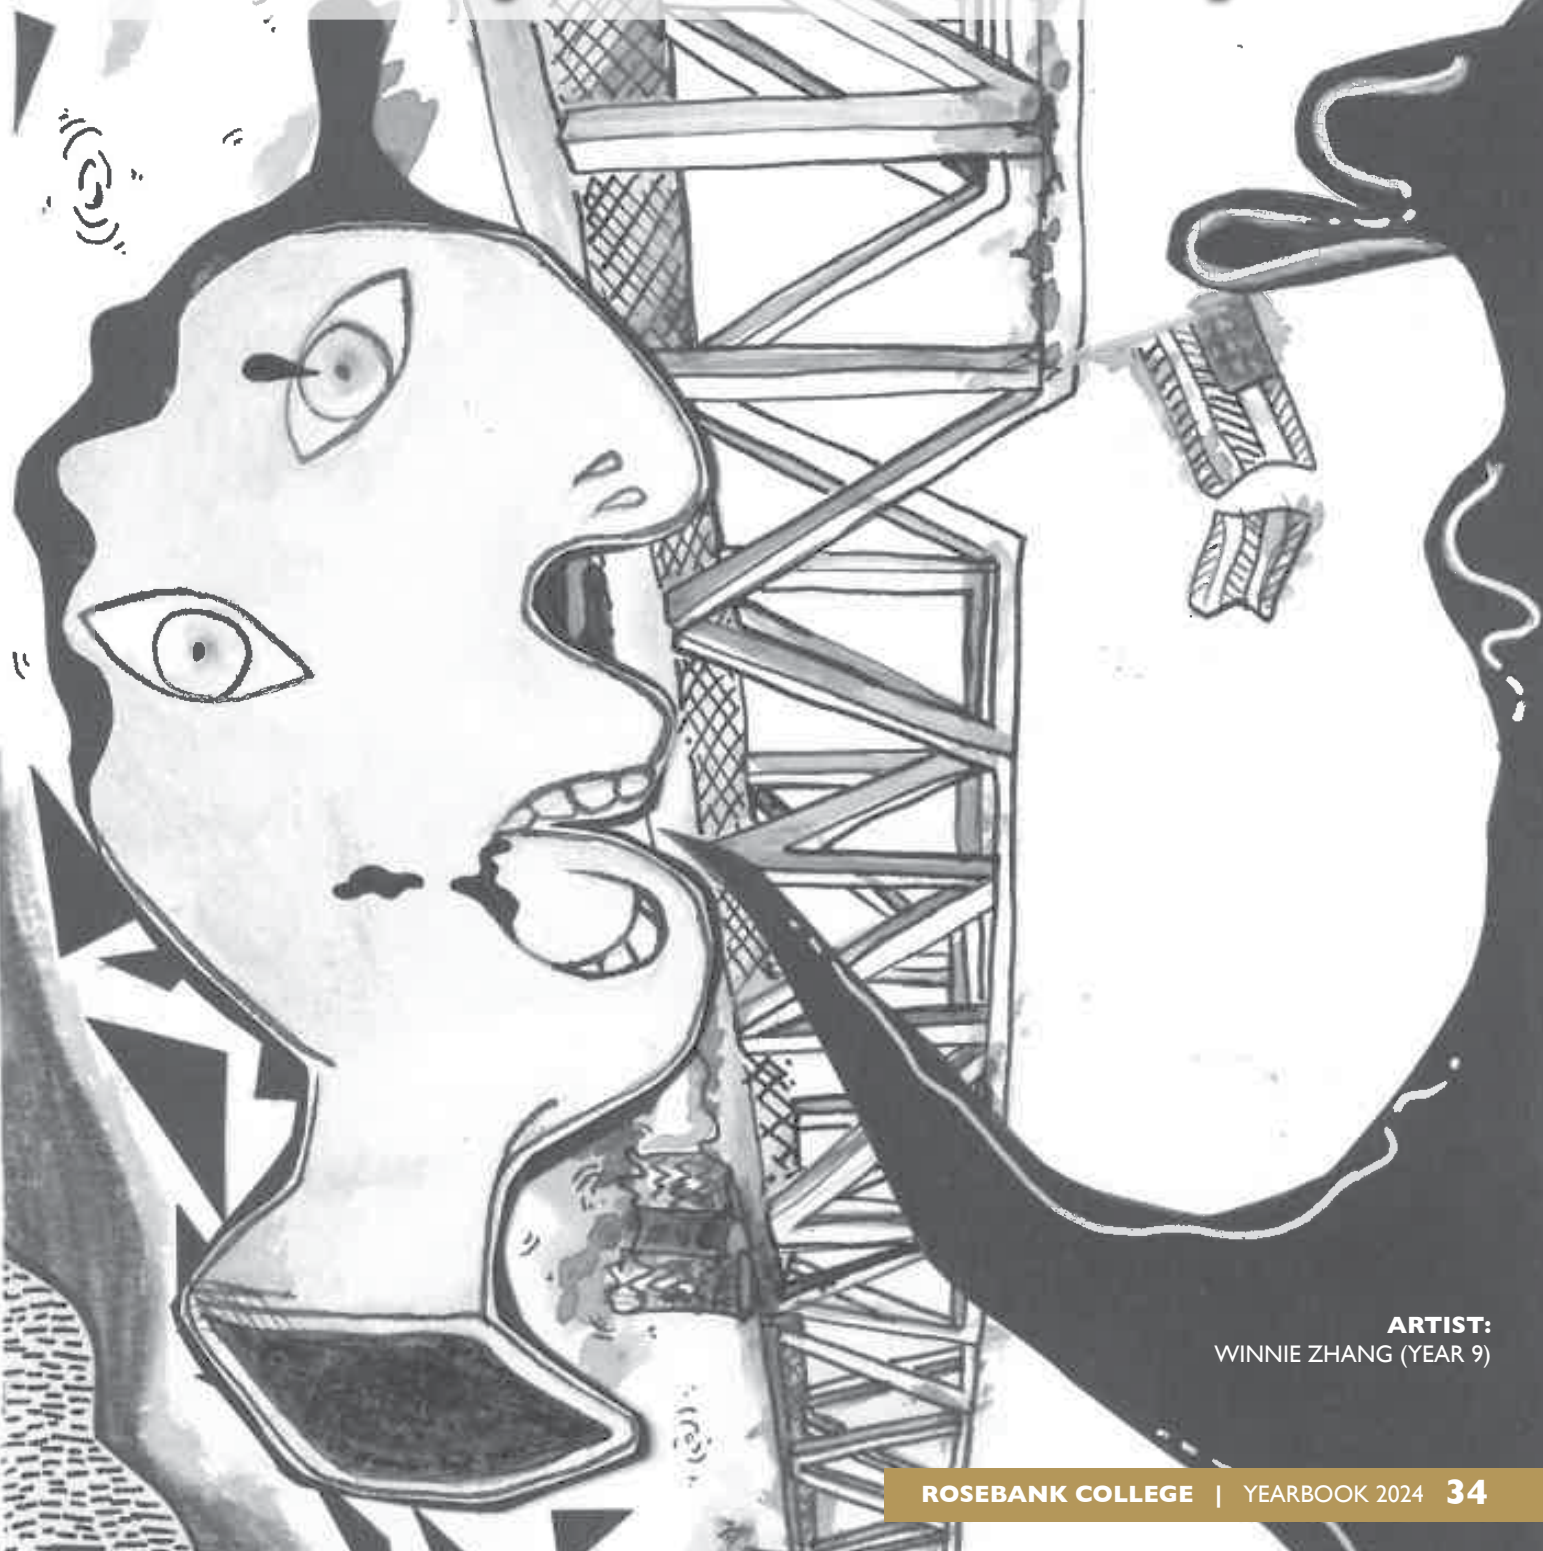

REC

SECTION 3

Identity and Ministry

ARTIST:
WINNIE ZHANG (YEAR 9)

Dean of Ministry

A year of Holy Audacity.

Each year, Good Samaritan Education sets a theme drawn from the Rule of St Benedict that runs through our entire year's programming and professional development, and into the life of the whole community. The theme for 2024 – *Holy Audacity* – is an interesting one, since the word 'audacity' does not appear at all in the Rule. However, audacity is a quality that Benedict certainly embraced and invited his followers to embrace as well. 'Audacity' means to act decisively and with courage, to set out with confidence, discerning with wisdom and prudence and do what needs to be done. Towards the end of the Prologue of the Rule, Benedict wrote:

Therefore, having our loins girt with faith and the performance of good works, let us set out on the way under the guidance of the Gospel, that we may be found worthy of seeing the one who has called us to the kingdom. (RB Prologue 20-21)

Benedict echoes the voice of Jesus in the Gospel to 'take up your cross and follow me' (Matthew 16.24) knowing that his 'yoke is easy and his burden is light' (Matthew 11.30).

In this way, Rosebank has set out following Jesus, being bold, confident that we have not walked alone or without a true and sure guide.

The Ministry Team welcomed Ms Olga Azzi at the beginning of the year. Ms Azzi has brought experience as a youth minister to the team which has complemented and worked well with Mr Hansford, Ms Carroll and me. The Team has continued to work alongside our colleagues in all year groups for Reflection Days, Senior Retreat, Rosebank Rally, Social Justice Day, the major community celebrations honouring our mothers and fathers, the celebration of Eucharist in whole-school gatherings and class groups and Benedict Day, as well as the annual liturgical cycle of prayer and worship.

Each morning, four days a week, the Team joins other members of staff in the chapel for Morning Prayer, using an ancient formula of Christian prayer to ask God's blessing on our day and on all whom we will meet during that day. We ask for the heart of the Good Samaritan to be neighbour, responding to the needs that present themselves to us. On Thursday morning, the Team meets with a group of staff and students to spend some time reading and reflecting on the Word of God in our study of the Bible. Echoing the adage 'you cannot love what you do not know', the Team seeks to grow in knowledge and love of the God who calls us each day, and to provide opportunities for others to join us in that same search. And God who is ever faithful never fails to meet us on the journey.

As I look over the year, I cannot but think that the Ministry Team's most significant and audacious action has been the work begun on Rosebank's Reconciliation Action Plan (RAP). The RAP was included in the current Strategic Plan and has taken time to 'find its time'. Its time is now. With boldness, the College Reconciliation Committee embraced the challenge to study, learn and work towards the creation

of the RAP. The most tangible result so far was the Spirituality Day on 14 October where staff were immersed into a day of First Nations cultural learning with Dharug and Gubbi Gubbi man, Mr Stuart McMinn, Director of Guwara Cultural Immersions and Ngemba woman, Auntie Sharon Cooke, from Catholic Schools NSW. Ably assisted by Wiradjuri woman and Rosebank staff member, Ms Simone Small, staff were invited into a day of exciting and challenging learning. I believe that the Spirit was moving powerfully that day, and the fruits of that day will permeate through the College. From a personal perspective, I am continually in awe of the bold gentleness and compassion of Stuart, Sharon and Simone. These First Nations Australians gave us, who have come later to these shores, a welcome that finds expression in the words of Jesus – 'whoever welcomes you, welcomes me, and whoever welcomes me, welcomes the one who sent me' (Matthew 10.40).

As I write these words, I am mindful that this is my last Yearbook entry. Therefore, I would like to be bold and express my thanks to the whole Rosebank Community for the privilege and honour that have been mine over these last 13 years as Dean of Ministry. I have received far more than I could ever have given. From this wonderful place I was introduced to the Good Samaritan Sisters, to Archbishop John Bede Polding and Mother Scholastica Gibbons, to Saints Scholastica and Benedict and their way of living the Gospel of Jesus and to the Good Samaritan Benedictine Oblates among whose number I am humbled to belong. I am humbled to have been a member of a Leadership Team who never sought anything but that which was discerned to be the best for the community. I am humbled to have worked with a staff that always put the needs of our young people first. I am humbled to have had the joy of working with a dedicated Ministry Team, passionate about proclaiming the love of Christ and the joy that following him brings. Above all, I am filled with gratitude for the students, girls and boys, young women and young men who have given me great hope for the future, not only of Rosebank, but of the whole Christian community. Their youth and energy give form to Pope Francis' bold challenge, made repeatedly over the years – go and make a mess!

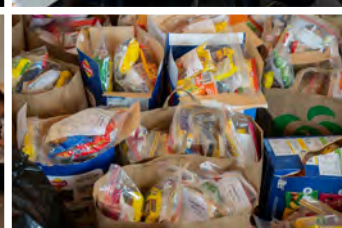

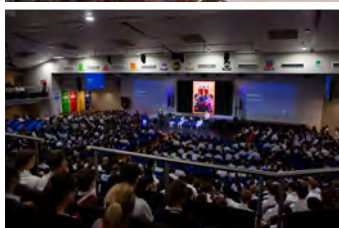

Rosebank – be bold! And in all things, may God be boldly glorified!

Dr Paul O'Shea – Dean of Ministry

Ms Olga Azzi and Mr Christopher Hansford – Assistant Deans

SECTION 4

Learning

ARTIST:
REBECCA SALIM (YEAR 10)

Dean of Learning

‘Learn continually. There is always one more thing to learn.’ - Steve Jobs

As we reflect on the 2024 academic year, it is clear that Rosebank has made significant strides in fostering a culture of learning and academic excellence. The graduating class of 2023 achieved exceptional results in the HSC, showcasing not only strong academic performance but also impressive learning growth across a range of subjects. Notably, several students were nominated for excellence in practical and performance subjects, highlighting the diverse talents and capabilities within our cohort. Our College Dux, Christopher Serena, achieved an impressive ATAR of 98.5, whilst Holly Clark and Gabrielle Giuntoli were HSC All-round Achievers, having scored a Band 6 in 10 units or more.

This year, our primary focus has been on enhancing students' abilities to read for understanding and to develop their capacity to infer meaning from complex texts. In an age where information is abundant yet often convoluted, the skills of comprehension and critical analysis are more crucial than ever. The introduction of the Progressive Achievement Tests for Years 7-10 has provided invaluable data to measure student progress and identify areas for improvement. These assessments have also enabled teachers to tailor their instruction to meet the specific needs of individual students.

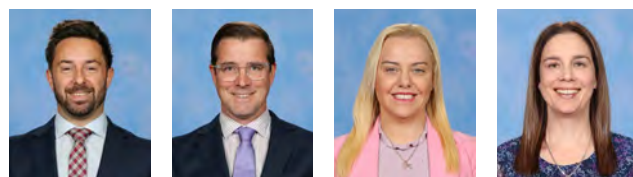

We are particularly proud of the significant learning growth demonstrated by our students across all year levels. The Years 7 and 9 NAPLAN results were exceptional, being above the state average as well as surpassing the performance of similar Catholic independent schools in NSW. This strong performance underlines our commitment to nurturing foundational skills in literacy and numeracy, ensuring that our students are well prepared for the challenges ahead.

A key initiative for Year 10 students this year has been introducing the Future Pathways and Subject Selection interview process. Students and their families had the opportunity to meet with experienced Coordinators to discuss their intentions for Stage 6. The College has adopted a more rigorous, data-informed approach that empowers students to choose courses that align with their abilities, interests and aspirations. By utilising detailed assessments and feedback, we hope that students will be better equipped to make choices that will enhance their learning experiences and future opportunities.

Our Festival of Creative Spirit (FoCs) program has also seen success, with students in Years 7 and 8 actively engaging in a variety of project-based activities. These experiences not only enrich their learning but also cultivate essential skills such as collaboration, problem-solving and creative thinking.

I would like to take this opportunity to express my heartfelt gratitude to our dedicated staff, whose hard work and commitment have been instrumental in driving student learning this year. A special thanks goes to all the Studies Coordinators for their exceptional support and leadership which has greatly contributed to the successful implementation of our initiatives. Furthermore, I would like to extend my thanks to the Learning Team for their guidance and leadership of all curriculum matters throughout the year.

We look forward to another exciting year of learning in 2025.

Mr Dorian Kipriotis – Dean of Learning
Mr Matthew Couani – Assistant Dean: Middle School
Ms Kylie Carroll – (Acting Term 1 and 2)
Mrs Melissa Gal – Assistant Dean: (Acting Term 3 and 4)

Religious Education

2024: A Year of Faith and Learning

In 2024, Rosebank College continued to shine as a beacon of faith, learning and community spirit, staying true to its mission of fostering spiritual growth through a deepened understanding of the Catholic faith. The Religious Education faculty remained dedicated to nurturing students' spiritual journeys, helping them live out the teachings of Jesus Christ in their daily lives.

Junior Religious Education: Nurturing Faith from the Start

For students in Years 7-10, the focus was on cultivating an appreciation for the College's Benedictine traditions and the Good Samaritan ethos, emphasising compassion and service to others. Through the Luminos faith group and the Rosebank Rally, students were encouraged to actively explore their faith and find meaningful ways to practise it in their everyday lives. Additionally, the Confraternity of Christian Doctrine program allowed students to share their faith with local public school students, embodying the spirit of giving and community.

Senior Religious Education: A Journey of Discovery

Senior students had the opportunity to engage more deeply with their faith through the NESAs Studies of Religion or Studies in Catholic Thought courses. These programs provided an exploration of various world religions and how they relate to Catholicism, fostering a spirit of understanding and respect. Students had the opportunity to experience faith via our annual excursion to Auburn Gallipoli Mosque and North Shore Synagogue. A highlight for many was the annual College Retreat, where students could reflect on their spiritual path and consider the place of faith in their future lives. Graduating students were also invited to join the College Alumni Faith Group, ensuring that their connection to both the College and their faith endures beyond their schooling years.

Celebrating Faith in Action

Throughout the year, students actively participated in the sacraments, regular liturgical celebrations and class masses, living out the College's commitment to faith in action. This year, we congratulated Sarah Kayem (Year 11) on her appointment as Curriculum Captain for Religious Education, a role that inspires peers to engage with their faith.

Guided by Faith: A Year to Remember

At Rosebank College, the essence of Religious Education is to empower students to 'see, judge and act' in response to Jesus' commandment to love God and others. Inspired by the Holy Spirit, we continue to remind all students to 'not be afraid' (Mark 6:50) as they explore their faith and navigate the world around them.

As we reflect on 2024, we celebrate a year where faith, learning and community intertwined beautifully, creating an environment where every student was encouraged to 'live life to the full' in the true spirit of the Gospel.

Ms Kylie Carroll – Religious Education Coordinator

Mr Pedro Moreira – Assistant Coordinator

English

This year, the English Department has been proud to support our whole-school educational focus on building reading skills across all subject areas. While reading is naturally part of our core business in English, it is important to acknowledge the challenges to becoming an accomplished reader in the face of rapid technological developments and why now, more than ever before, building these skills explicitly is an educational imperative.

The deep value of reading stems beyond its expansion of vocabulary and enhancement of critical thinking skills. We need to become strong readers because of the ways that reading can help build empathy and allow the individual to forge a sense of identity. Through reading, we can see and understand ourselves within the greater context of the world. Author Randa Abdel-Fattah in *The Book that Made Me* describes the powerful and transformative experience of recognising the self in literature and how vital it is to read stories that validate our own lived experiences, cultural backgrounds and values. She writes that through reading, she learned to 'celebrate my identity, seize the chance to insist on an alternative story, one told on my terms and through my own agency'.

The Rosebank College reading focus has dovetailed perfectly with our 2024 implementation of the new 7-10 NSW English syllabus, which also incorporates a new emphasis on the explicit development of reading skills to enhance textual inference, understanding and enjoyment. This syllabus change has led to an introduction of a range of new novels, films, poetry and digital texts in Stages 4 and 5, enabling students to recognise the power of reading as a conduit for participating in a broader societal and cultural conversation.

New literature in Stage 4, as part of an invigorated focus on Australian literature and culture, provided an avenue for students to grapple with and understand uncomfortable truths of our colonial past, as well as embrace messages of reconciliation, healing and belonging through knowledge.

Year 9 participated in the Whitlam Institute writing competition *What Matters*, where students were tasked with composing a piece of fiction, non-fiction or poetry centred on a contemporary issue of significant importance. Coinciding with our new English unit on the language of persuasion and protest, students composed powerful pieces on climate change, racism, cultural identity and building harmonious relationships. They also used this platform to explore and communicate their own personal truths and stories.

The *Write a Book in a Day* competition once again drew students from Years 7 to 9 to engage in this creative initiative from The Kids' Cancer Project, a nation-wide fundraising activity. Students participated in an absorbing whole day of creative writing, illustration, editing and publication in order to complete original books for the competition, to be shared with children in hospitals around the country.

English Outside the Classroom

2024 also saw a rejuvenation of the Rosebank Writers group with a fresh surge of new writers from Years 7 to 10 joining the group to practise their craft of storytelling, explore creative possibilities and participate in state and national writing competitions.

Our study of English was also enhanced this year through various workshops and performances, expanding our perspectives and offering new insights to our reading. These presentations included Poetry in Action for Years 8 and 11, with targeted focus on the poetic experience and the poetry of World War I, Sport for Jove's *Hag-seed/The Tempest* Symposium and the ETA's English Extension 1 HSC workshop. Our dedicated staff also conducted a variety of HSC holiday workshops on the different modules to support our students in the Advanced, Standard and Extension 1 courses.

We are grateful for the hard work, creativity and love for literature and learning that our English teachers bring to the classroom. They have been unwavering this year in their dedication to creating a positive experience in the English classroom and seeking to share their own passion for literature with the next generation of readers.

Ms Veronica Trainor – English Coordinator
Ms Angela Nuttall – Assistant Coordinator

Science

The passion for science is increasingly growing and inspiring curiosity among students.

The year 2024 at Rosebank College has been an extraordinary journey through the world of science, filled with exciting discoveries and enriching educational experiences that have made a lasting impression on both students and staff. Our dedication to scientific excellence and exploration has soared to new levels this year, increasing student participation in the world of science.

For the Biology students in Year 11 – accompanied by Miss Oh and Ms Pfefferman – the highlight of the year was undoubtedly the memorable field trip to the Field of Mars Buffalo Creek Reserve to complete an in-depth study on Biological Diversity and Ecosystem Dynamics. This trip allowed students to apply their knowledge to the real world. The Year 12 Biology students completed their first excursion to the University of Sydney for the Kickstart Biology program. This gave students the unique opportunity to work with university-grade equipment, such as microscopes, DNA electrophoresis apparatus and spectrophotometers. We would also like to acknowledge the ongoing commitment and appreciation of our Biology teachers, Mrs Serratore, Miss Oh and Ms Pfefferman.

In Physics, Mrs Galeb accompanied Year 12 students to the University of Sydney for the Physics Kickstart program. This excursion was an incredible opportunity for students to engage with cutting-edge physics research and experience the thrill of scientific discovery in a university setting. The students left with a deeper appreciation for the boundless possibilities of the universe and a sense of excitement for their own future scientific pursuits.

Year 12 Chemistry students, led by Ms Smolka and Mr Hansford, also had an unforgettable experience at the University of Sydney's Kickstart excursion. They worked with advanced equipment like titration apparatus and spectrometers, offering a rare chance to apply classroom concepts in a university setting. We extend our gratitude to Ms Chacko and Mr Hansford for their dedication in fostering a passion for Chemistry among their students.

Year 8 students had the opportunity to experience the new education program at Taronga Zoo. This gave them a first-hand opportunity to enter the zoo's animal enclosures with presentations from Zoologists

to learn about the adaptations that allow these species to survive in changing environments. The students showed a real interest in the program, with many questions asked about career opportunities and study pathways.

The entire College also celebrated Science Week with the most enthusiasm and creativity we have seen yet. With the theme of *Species Survival – More Than Just Sustainability*, students participated in a wide range of activities, including science-themed escape rooms, daily quizzes, competitions and experiments. The enormous student participation in these events was a testament to the passion continuously being built at the College.

We are proud to highlight the efforts of Mrs Lombardo, our dedicated Science teacher, who recently led an inspiring Women in Science event at Rosebank College. The event offered students a hands-on experience in crafting skincare products, sparking curiosity about the chemistry behind them while celebrating women in science. Mrs Lombardo's passion for empowering young minds and promoting women in science reflects her commitment to fostering innovation and learning in our community.

Miss Danaskos and Ms Naylor, with the support of Science Captain Jasmine Azizi, coordinated the Science Club. Year 7 students were given hands-on opportunities to explore their passion for science outside the classroom, participating in science experiments and learning the phenomena behind the wonder. This increased participation this year is thanks to the work of Miss Danaskos and Ms Naylor in inspiring a passion for science in students.

As we look back on the year, it is clear that Rosebank College fosters an environment where students are inspired to explore, inquire and unravel the mysteries of science. The commitment of our educators, the enthusiasm of our students and the wide array of opportunities offered have made our Science program outstanding. We anticipate the future with excitement and curiosity, confident that the foundation of scientific exploration laid in 2024 will thrive in the years ahead.

Mrs Siran Galeb – Science Coordinator (Terms 1-3)

Mrs Marie Serratore – Acting Coordinator (Term 4) and Assistant Coordinator (Terms 1-3)

Ms Anucio Chacko – Acting Assistant Coordinator (Term 4)

Science Week

HSIE

HUMAN SOCIETY AND ITS ENVIRONMENT

'It's in all our interests to be good stewards of the world.'

The Human Society and Its Environment (HSIE) Department is an integral part of Rosebank College, offering a range of subjects that encourage students to understand and engage with the world through different lenses. 2024 has been a very busy year, especially as our geographers have returned to the field after the COVID pandemic.

Our Year 9 Geography students gained hands-on knowledge of the Sustainable Biomes topic by travelling to the Royal National Park and participating in several practical activities (while avoiding the leeches!). Year 10 students were treated to an informative workshop conducted at school by staff from Taronga Zoo, where they learned more about the topic, Environmental Change and Management. They were also able to get up close and personal with several animals brought in by a zookeeper, including a very friendly Murray-Darling carpet python aptly named Darling!

Year 12 Economics students attended the UBS HSC Economics Day, while Year 12 Legal Studies students participated in the LSA HSC Annual Student Lectures. The Legal Studies students also had the opportunity to hear from a Judicial Registrar from the Federal Circuit and Family Court of Australia, gaining insight into recent changes in family law. Year 12 Society and Culture students worked tirelessly on their PIPs, which necessitated more than one trip to the State Library!

A new group of students formed the Mock Trial team for 2024, and they were ably coached by Mr Scalia and two former team members, Emma Speranza and Xavier Woods. The team competed competitively in their trials and learned a range of valuable new skills. Thank you to all team members and coaches who helped us participate in the NSW Law Society Mock Trial Competition.

Junior Geography classes in Semester 1 competed in the Australian Geography Competition and performed admirably. The following students achieved exceptional results, placing in the top 1% of their year group:

- Elizabeth Allan
- Lachlan Restifa
- Jacob Wong

All of these activities, along with the important day-to-day learning, would not have been possible without the amazing teachers in the HSIE Department. I would like to thank Mrs Jessica Holding for her unwavering support to both staff and students this year. I would also like to extend my gratitude to Mr Mark Borg, Mrs Linda Busetto, Ms Jemma Cushway, Mr Dorian Kipriotis, Mrs Annalicia Latham, Mr Daniel Nesci, and Ms Amy Neylan for their hard work. We are fortunate to have two seamless job-share arrangements in our department – an extra big thanks to Ms Christy Herrera and Ms Amanda Katrib, and Mrs Maria Mollace and Mr Grant Murphy.

Lastly, I leave you with the words of King Charles III during his recent trip to Australia: 'It's in all our interests to be good stewards of the world.' This sentiment lies at the core of our teachings in the HSIE Department and reflects a principle that Aboriginal and Torres Strait Islander peoples have practised for millennia. We endeavour to continue inspiring our students to take up this challenge.

Miss Eliza Cohen – HSIE Coordinator
Mrs Jessica Holding – Assistant Coordinator

STEM

SCIENCE, TECHNOLOGY, ENGINEERING AND MATHEMATICS

In 2024, many students at Rosebank College engaged in a range of STEM opportunities, pushing their creativity and problem-solving skills. From competitions to hands-on projects and immersive experiences, students demonstrated teamwork, passion and a commitment to real-world challenges. Here's a look at their achievements this year.

STEM Competitions

Australian Video Game STEM Challenge

Thirty students from Years 7-10 developed video games based on the theme of stars, combining coding, logical thinking and creativity. This challenge allowed them to explore astronomical concepts while honing technical and design skills, creating games that demonstrated their understanding of both STEM and storytelling.

Sleek Geeks Science Eureka Prize

Five students from Years 7-10 created two-minute films explaining scientific concepts around the theme of energy. This competition allowed them to communicate science creatively, enhancing their storytelling and understanding of how energy impacts the world.

Science & Engineering Challenge

Thirty Year 10 students collaborated in a competition against other schools, solving real-world engineering problems. They designed stable bridges and energy-efficient machines, showcasing teamwork and problem-solving. Using their knowledge of physics, mathematics and engineering, they developed innovative solutions in a highly competitive environment.

RoboCup Junior

Twenty students from Years 7-9 excelled in the line-following division, designing, programming, and testing robots to navigate complex paths. Their strong coding and robotics skills, alongside determination, helped them compete successfully against seasoned teams.

Sunsprint Solar Car Competition

Fourteen students from Years 9-11 designed solar-powered cars and adapted to challenging low sunlight conditions, finishing second in the state. Their innovative designs showcased their understanding of solar energy, aerodynamics, and motor efficiency, with creativity and hard work shining through.

STEM Immersions

UTS STEM Day

Forty Year 10 students participated in university-level STEM workshops led by industry experts, gaining hands-on experience with cutting-edge technologies. This day sparked inspiration and broadened students' views of future STEM careers.

Women in Engineering Day

Twenty-two Year 7 female students engaged in hands-on activities such as coding robot vehicles, optimising solar panels, and running hydrogen-powered vehicles. Insights from female engineers inspired them, showing how women have overcome stereotypes to thrive in STEM fields.

STEM Impact Programs

Rosebank Aqua Garden

The Aqua Garden, established outside J Block, features two aquaponic systems where goldfish provide nutrients to plants harvested for the hospitality kitchens. Year 10 students maintain the project, feeding fish and monitoring water levels. This initiative, developed with sustainability leaders, will expand in the coming years, engaging more students in sustainable practices.

Cross-Curricular Programs

All Year 8 students took part in Bolt to the Future, an innovative cross-curricular project that combined Science, Technology and Mathematics. Throughout the project, students designed and built electric-powered cars. In Science, they fair-tested their cars, learning about aerodynamics and friction. In Technology, they developed detailed technical drawings and customised their car bodies. In Mathematics, they applied their

knowledge to calculate pulley ratios and optimise speed. The project culminated in an exciting race-off where students put their designs to the test to see who could build the fastest car.

Mr Dimitrios Stivaktas
– STEM Project Lead

History

History continues to captivate the students of Rosebank, remaining a field of study that has consistently piqued their intellectual curiosity.

It has been another very busy and successful year for the History students and faculty in 2024. The year began with celebrating the outstanding successes of the 2023 Year 12 cohort in both Ancient and Modern History who gained remarkable HSC results. We are incredibly proud of their efforts.

It is my privilege to acknowledge the exemplary leadership displayed by the Year 12 Ancient and Modern History students throughout 2024. In particular, I would like to highlight the exceptional contribution of Iban Occhiuzzi, the History Captain for the year. Iban has been an outstanding role model for the junior History students of the College, dedicating himself with great passion and perseverance to fostering a deeper appreciation for the subject both within the student body and in the wider community. Under his guidance, the Year 12 History cohort took the lead in organising and delivering a solemn Anzac Day assembly, demonstrating their deep respect for and commitment to preserving the significance of this important occasion.

In the Stage 4 and 5 classrooms this year, students continued to challenge and build on their historical knowledge and skills on a range of topics from Medieval Europe to the Industrial Revolution and the Rights and Freedoms of both First Nations peoples and African Americans. In an engaging and challenging exercise, Year 8 students were tasked with designing and physically constructing their own castles within a budget of \$300. The objective was to think strategically about how to fortify the castle against potential attacks while managing limited resources. In addition, the students were provided with a separate budget to equip their castle with defenders and supplies. They could purchase soldiers, weapons, armour, and even livestock and provisions to support their castle's functionality. The challenge required not only creativity in design but also sharp decision-making to balance both defence and resources, offering an insightful exploration of medieval warfare and castle architecture.

Our History Elective students delved into the intriguing realm of historical mysteries, with a particular focus on the case of Dr Bogle and Mrs Chandler. Students approached this case through a multifaceted lens, examining a blend of historical sources. Students also explored a unit on History as Film where they critically analysed the historical accuracy of *The Boy in the Striped Pyjamas*. This thoughtful exploration not only encouraged a deeper understanding of historical events but also prompted reflection on how history is represented, distorted or illuminated through the medium of cinema.

Congratulations to April Emdin and Anastasia Macan, both Year 10 History students, for their participation in the Anzac Day Schools' Awards competition hosted by the Five Dock RSL Sub-Branch. Anastasia placed third, and April won the President's Award. They celebrated their achievement with Mr Peter Scalia, History Coordinator, at the prize-giving event in May.

Stage 6 Ancient History Excursion

In March, the Stage 6 Ancient History classes embarked on an excursion to the Australian Museum to see the Ramses & the Gold of the Pharaohs exhibit. This was an excellent opportunity for them to experience seeing some ancient artefacts up close and expand their knowledge of Ancient Egypt as a society.

Year 12 Modern History Study Day

During the July holiday break, a number of Year 12 students attended an intensive workshop designed to refine their skills in source analysis and essay writing in preparation for their upcoming HSC Trial Examination. The session was well attended, demonstrating a commendable level of commitment from the students to enhance their skills in these critical areas. The focus on developing effective analytical and writing techniques was particularly timely, providing participants with valuable strategies to tackle complex examination questions.

History and Italian Trip to Europe

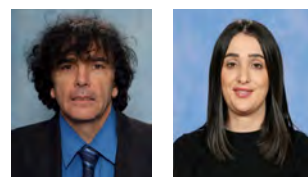

History students from Years 9, 10 and 11 were privileged to travel to Italy with members of staff on a tour of Rome, Florence and Venice. From exploring the Colosseum to climbing the Leaning Tower of Pisa, the students were immersed in the culture for two weeks and were able to learn a great deal both culturally and historically. Highlights for the students included seeing the Statue of David and participating in an authentic pasta-making class. Melanie Modrin, a Year 11 Modern History student, remarked that the trip was 'an experience I will never regret or forget'.

It was also exciting this year to see our History staff participate in Character Day as they dressed up as medieval ladies. They were even awarded a prize!

I would like to acknowledge the hard work and enthusiasm of the History teachers: Mr Peter Scalia, Mrs Jessica Holding, Ms Melissa Long, Dr Paul O'Shea, Ms Sophie Peters, Miss Lidia Peruzzi, Miss Sara Maffei and Miss Elyse Roach.

We look forward to seeing what 2025 will bring for our historians.

Mr Peter Scalia – History Coordinator

Ms Danielle Deguara – Acting Coordinator (Term 4)

Mathematics

It has been another hectic year for the Mathematics Department. We hosted the Mathematics Competition this year, achieving some excellent results, and attended the Inquisitive Minds events for Year 8.

RUDE

This year, the Mathematics Department has continued using the rubric for students to help them answer worded problems. The acronym is:

R - Read the problem

U - Underline the facts

D - Design a solution

E - Evaluate the results

Students in Years 7 and 8 have used this rubric in class to assist them in deciphering what the problem is asking and what mathematical skill is required to solve the problem. This rubric has been quite useful in assisting students in developing solutions to problems.

Online Programs

This year, we continued the use of MathsOnline and introduced Maths Space. These two programs allow students to review and assess their competency in Mathematics topics. Education Perfect was also used throughout the year, with some teachers using Atomi to enhance student learning. Both of these programs can be used in the classroom and at home.

Accelerator

Accelerator were the fourth group of students to complete the HSC, with a majority of them achieving 90% or more. These students should be commended for their efforts. We are in the seventh year of the Acceleration program for Mathematics Advanced. We currently have 29 students invited to accelerate through the Stage 5 course in Year 9, and 24 students in Year 10 completing the Preliminary course and beginning their study for the HSC. In this year's current Year 11, we had 18 students complete the HSC course, and they await their results in December.

Mathematics Competition

We have done very well in Mathematics competitions this year. The following students achieved a Distinction:

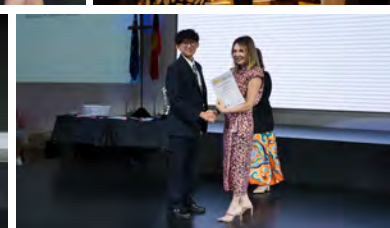

Year 8: James Davis, Lily Germain, Valentino Napoliello and Lincoln Tediwijaya

Year 9: Lachlan Restifa

Year 10: Eliana Da Silva, Luke Dunn, Alexander Ventouris

Benjamin Hu (**Year 11**) received a High Distinction which is a major achievement in an international competition.

My sincere thanks to all the 2024 Mathematics staff for their cooperation and support throughout the year: Ms Caitlin O'Hehir, Ms Rosanna Algeri, Ms Belinda Clark, Miss Jacqueline Danaskos, Mr Marcel El-Hachem, Mr Stuart Hanrahan, Mrs Tarryn Hill, Ms Jessica Kho, Mrs Mary Khoury, Mrs Amelia Lombardo, Mr Mason Lowrie, Ms Jacqueline Mastroianni, Mr Peter Mavritsakis, Ms Gabriella Piperides, Ms Veronica Presser, Mrs Joanne Slaney, and Mr Harry Vomvellis.

Mr Albert Makram – Mathematics Coordinator
Ms Caitin O'Hehir – Acting Assistant Coordinator

PDHPE

PERSONAL DEVELOPMENT, HEALTH AND PHYSICAL EDUCATION

It has been a busy year for the PDHPE team as we continually strive to improve the delivery of content and make assessment tasks more interesting and accessible for all students. Our aim is to provide students with life-relevant and engaging lessons and tasks.

Our Year 12 PDHPE and CAFS classes have been working diligently, covering all the essentials for HSC success. We look forward to the Health and Movement Science Stage 6 for 2025 with the same success.

Year 11 students have been deeply involved in learning about the course content. They continue to thrive as they are equipped with valuable skills and presented with opportunities for interaction.

Stage 5 elective students continue to make impressive strides as they engage in real-world learning, which will prepare them for senior studies.

Our Years 7-10 PDHPE students have been inspired to take positive steps to improve their health while extending the same care to others. This is materialised through the creation of meal plans, tailored fitness programs, emergency response situations, nurturing relationships and strategies to address alcohol and substance use.

These have been complemented by immersive movement-based learning encounters highlighting the significance of these through social and cultural environments and health contexts.

Stage 6 course teachers have enriched the learning experience by providing insights into biomechanics and performance analysis alongside comprehensive units on ethics, groups experiencing inequities in our society, health systems, coaching and contemporary issues affecting infants.

PDHPE in 2024 has showcased a holistic approach from nurturing personal wellbeing in junior years to developing skills with practical applications in senior years.

I acknowledge and appreciate the commitment from Mrs Sophie Halkias, Ms Jessica Fallone, Mr Nicholas Latsinos, Ms Claire Moran, Mr Matthew Kent, Miss Ellie Taggart, Mr Stuart Hanrahan, Mr Adam Boumelhem, Miss Helena Svinos and Mrs Anita Kayem who prepare our students not only for academic success but also for a life enriched by health, movement and meaningful engagement.

Mr Mark Capello – PDHPE Coordinator
Mrs Sophie Halkias – Assistant Coordinator

Languages

The Languages Department continues to foster global citizens through the study of foreign languages, cultures and customs. Students not only learn another language to discuss topics and express opinions, but also discover why people have different values that are expressions of many centuries of culture and history. Language students come to understand that a foreign language provides a different lens for seeing and experiencing the world.

Our department remains committed to providing students with native speaker assistants who offer personalised support, particularly in speaking and writing. This year Mrs Aurelie Arnold, Ms Ilaria Casciello and Ms Li Wang provided senior students with individualised assistance. We also had the added support of native Italian speakers, who were organised by Co.As.It, Leichhardt.

FRENCH

French language students enjoyed varied and engaging programs. Year 8 students developed a deeper understanding of French culture through the annual crêpe-making workshop led by a professional chef. Years 9 and 10 classes participated in an excursion to a French restaurant, Bistro Cocotte in Haberfield, where they sampled authentic cuisine and discussed French culture. The Year 11 students enjoyed a film titled *Toni en Famille* to develop listening skills and further understand French culture.

ITALIAN

During the September holidays, a group of Italian language students participated in an exchange program with students from Pomezia, (Rome) Italy. As part of the program, the students shadowed their Italian counterparts and attended classes at the Blaise Pascal School, immersing themselves in the local culture and language. Following this enriching experience, the students joined the History group for a captivating tour of some of Italy's most iconic cities. Together, they explored Rome, Bologna, Florence, Pisa, and Venice, as well as the islands of Burano and Murano, gaining deep insights into Italy's rich history, art and culture. It was a very educational and memorable experience!

Prior to the group's departure, the department also hosted seven students from Blaise Pascal. These students were delighted to wear the Rosebank uniform and experience life at our College. They also shared with our students their perspectives and experiences, thereby enriching our students' knowledge and understanding of the world. During the year, Year 8 students demonstrated their skills by buying a gelato in Italian at an authentic Italian gelateria. Moreover, Years 9-11 students enjoyed a cultural experience by attending the Italian Film Festival.

CHINESE

Students of Chinese engaged in programs with a variety of learning activities. The Year 12 students undertook a Study Skills Day and Mock Speaking Day in preparation for their HSC Examination. Year 8 students enjoyed a cooking workshop, learning how to cook guotie (gyoza) and wrap dumplings. Years 9 and 10 students visited the China Culture Centre in the CBD and created their own painted fans. They were then able to sample some authentic Chinese lunch and desserts.

Ms Veronica de Jong – Languages Coordinator
Mrs Maria Philpotts – Assistant Coordinator

CAPA

CREATIVE AND PERFORMING ARTS

DANCE

Dance was back in full swing this year, with our HSC cohort working consistently, which led to some outstanding projects and results. One of our students was nominated for 'Callback', a showcase of exemplary dance works from across the state. Stella Vardanega received a nomination for two practical components – Core Performance and Major Study Performance – which is a massive achievement.

This year, we held our annual Dance Showcase in Term 2 in the Benedict Auditorium, which allowed as many families and friends to attend the evening as possible. Works included Year 12 HSC pieces and works, Stage 5 group work and Dance Company pieces. Dance Company continued to dominate at the Ryde Eisteddfod and Sydney Eisteddfod with multiple placings and Highly Commended results. Dance Company also represented Rosebank at Ferragosto in August. The Stage 5 Dance class successfully received a place in the Independent Dance Festival held at Inaburra School, where they performed *Madness* choreographed by Mrs Karen Henry.

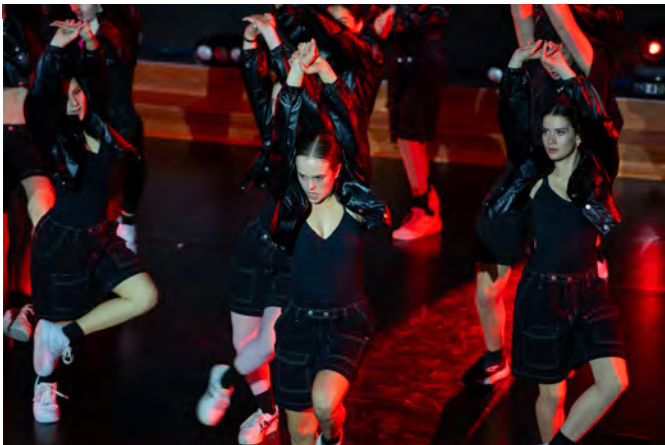

DRAMA

2024 has been an exciting year for Drama. The Stage 5 Drama class impressed with their production of the Absurdist play, *Ward Thirteen*, which enabled the students to develop intriguing, complex characters and strong performance skills. Stage 5 also enjoyed an excursion to see the ATYP production, *Past the Shallows*.

Years 11 and 12 Drama attended 'onSTAGE', the showcase of exemplary HSC performances and projects, as well as the Sydney Theatre Company production of *Stolen*. This year's College Drama Production of *Little Girls Alone in the Woods* was a thought-provoking, creative exploration of control, freedom and teenage rebellion in which the select cast of students shone.

Year 12 Drama Showcase highlighted the many talents of the HSC students, encompassing both group performances and individual projects. Particular congratulations go to Jack Batchelor and Miles Pike, whose exemplary individual performances earned them 'onSTAGE' nominations. Jack, Miles, Nicholas Korompay and Cormac Ryan were also nominated for their outstanding group performance, *BLT*.

CAPA

MUSIC

This year in Music was packed with exciting programs, performances and excursions that enriched our students' understanding and appreciation of music. Year 7 students dived into their instrumental journey with the Year 7 Instrumental Program, culminating in entertaining performances at our Year 7 Arts Days.

Year 8 had a unique experience with the 'Live from the Larynx' workshop. This interactive activity explored the science and artistry behind vocal performance. It was an astounding amalgamation of beatboxing, sampling, mixing and multi-media.

Stage 5 students embarked on a vibrant excursion to *Elvis: The Musical*, allowing students to experience a live musical theatre performance.

Senior students in Years 11 and 12 had the opportunity to attend 'Encore', an inspiring showcase of top HSC music performances. Witnessing the talents of high-achieving peers motivated them to pursue excellence in their own musical studies.

VISUAL ARTS, AND PHOTOGRAPHY & DIGITAL MEDIA

In Visual Arts, and in Photography & Digital Media, our creative and talented students have had a very busy year producing a wide range of artworks in 2024. Through varied and engaging elective classes, students have explored themes such as *The Art of War*, *Selfies vs Self Portraits* and *Miniature Worlds*. This year, they have developed skills in self-portraiture, photographic light painting and creating concertina booklets, alongside furthering their use of other artistic mediums.

We are incredibly proud to congratulate 2023 HSC student Liza Arndell, whose outstanding work was exhibited at Yarrila Arts and Museum as part of 2023 'ArtExpress'. This is an exceptional accomplishment, and we look forward to seeing Liza's continued success.

Additionally, this year saw the addition of two new teachers to the Visual Arts teaching team – Ms Simone Small and Mr Alex Packard – who have brought fresh energy and passion to our creative community.

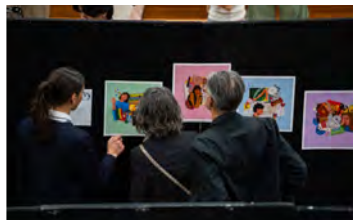

And finally, congratulations to Grace Lin, Madeleine Newman, Clara Noh, Lola Tesoriero and Isabella Todaro who received ArtExpress nominations for their Bodies of Work.

Mrs Amanda Hill – CAPA Coordinator

Ms Daniela Gamma – Assistant CAPA Coordinator

HSC Showcases

Performing Arts Showcases

Year 7 Arts Day

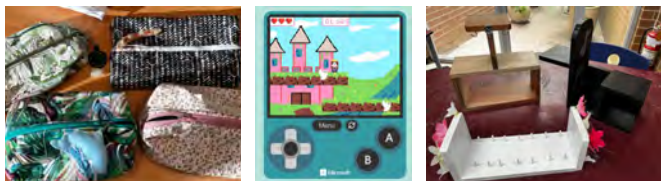

TAS

TECHNOLOGICAL AND APPLIED STUDIES

STAGE 4

In Year 7, students were introduced to various technology areas. They started by working with micro:bits to create unique components for a board game, mastering coding basics while showcasing their creative board game concepts. Additionally, they developed their culinary skills in the kitchen, preparing healthy recipes. The hands-on experience extended to building storage units using woodworking tools and techniques.

In Year 8, students studied three additional technologies. They explored sewing and sustainability by fashioning their own pencil case. Engineering concepts came into play as they created their own pinball machines. They also created a retro arcade game, expanding their coding knowledge from Year 7.

STAGE 5

Design and Technology

Stage 5 Design and Technology students have been getting to know all about the design process and how designers work through completing a range of projects. They learned how to use the school's laser cutter and made their own acrylic clock inspired by a design style of their own choice. They also created their own sustainable LED lights using recycled material. After learning about 3D modelling, sustainability and preferred futures, students designed their own Tiny House for a client of their choice.

Food Technology

Students enjoyed a dynamic year, blending practical and theoretical learning. They explored topics like Food Selection and Health, Food Product Development, and Food in Australia. Highlights included tasting native bush foods like kangaroo stew and studying nutritional diseases and their societal impacts. In the Food Product Development unit, students showcased creativity with new products for Arnott's. Numerous practical lessons honed their cooking skills. A standout was the Royal Easter Show where students observed live cooking demonstrations, explored agricultural exhibits, and gained valuable insights into food production processes.

Industrial Technology (100 hours)

This course provided students with the opportunity to hone their carpentry skills on three exciting and useful projects. The first was a cheeseboard, followed by a folding stool and culminating in a serving tray with a decorative marquetry base. Along with these practical skills, students also gained theoretical knowledge related to the timber industry and the use of the laser cutter and Adobe Illustrator software to add decorative flair to their work.

Industrial Technology (200 hours)

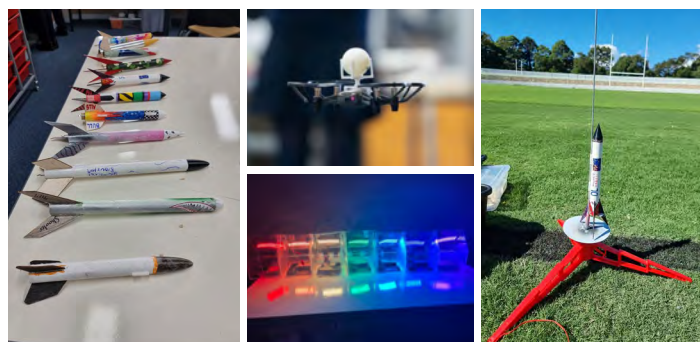

Year 10 200 Hour Industrial Technology students successfully completed two projects: building a bedside table and completing a major work. The projects involved planning, designing and constructing the pieces, demonstrating their skills in planning, woodworking and problem-solving. The finished products showcased creativity, craftsmanship and practical application of their classroom learning.

Computing Technology

We welcomed the new Computing Technology course with a bang, starting with our Mechatronics and Automated Systems unit. Students created automated robotic systems using EV3s, resulting in some fantastic and creative concepts. Our next unit was Analysing Data, where students learned concepts in Excel and Access, along with some SQL and Python. It goes without saying that the skills the students develop can be extremely useful in real-world situations.

iSTEM

This year, iSTEM offered students the chance to develop a range of STEM skills through engaging, hands-on projects. In the Mission to Mars unit, students designed, refined, constructed and tested model rockets. The Future Skies unit focused on coding and drone piloting, challenging students to navigate drones while exploring real-world applications of the technology. The final unit, Greenovation, involved designing and building smart greenhouses to tackle the challenges of food sustainability in extreme environments. These projects fostered collaboration, critical thinking, and the practical application of STEM skills to solve complex problems.

STAGE 6 - YEAR 11

Design and Technology

Students learned how to use innovative technologies such as the 3D printer and laser cutter, as well as traditional technologies such as woodwork and textiles. Students embarked on self-directed Mini Major Work projects, centred around the theme of *Illuminate*. These projects encompassed diverse design disciplines, materials, tools and techniques, resulting in an array of impressive designs.

Food Technology

Students studied core topics such as Food Availability, Quality and Nutrition. They examined staple breads from different cultures, gaining insights into global influences on Australian cuisine. Practical sessions included food photography, where students learned techniques to present dishes effectively, and a canteen project focused on nutrition, where they developed new food items such as chicken gyros, coconut chicken bowls and salmon burgers. These experiences introduced important practical skills and highlighted the importance of understanding food sources, quality and presentation.

Industrial Technology

Year 11 Industrial Technology students successfully built a Tasmanian oak hall table, demonstrating excellent craftsmanship and design skills. In addition to constructing the table, they completed a comprehensive folio that detailed their project planning, materials and techniques. The students also engaged in learning about the timber and furniture industry, exploring topics such as management structures, environmental issues, timber processing, and technical factors within the industry.

Enterprise Computing

The Year 11 Enterprise Computing class made history this year as the first group to take part in the newly introduced course. They created exciting projects throughout the year, including videos, websites and mobile applications, while exploring key topics like cybersecurity, interactive media and networking. Their innovative work set a high standard for future students, as they embraced the challenges of this cutting-edge course and showcased their creativity and technical skills.

Textiles and Design

A small group of dedicated Textiles and Design students surpassed expectations with their practical skill development and application of theory. They explored sources of inspiration and developed creative design ideas for the application of decorative techniques to their sewing kit and corset projects. Students showed pride in their ability to apply advanced manufacturing skills successfully to achieve high-quality projects, each demonstrating their individuality.

Engineering

Students embarked on developing their skills in preparation for an engineering career. In Engineering Fundamentals, they applied the principles of simple machines by designing and building a working trebuchet. The Mechanical Engineering unit focused on engineering mechanics and graphical engineering solutions, deepening their understanding of how forces and structures are analysed. In Product Engineering, students explored material manufacturing processes, while in Biomedical Engineering, they examined the technology behind medical advancements and designed a bionic arm.

TAS

STAGE 6 - YEAR 12

Design and Technology

The HSC Design and Technology class of 2024 demonstrated their talents in a great variety of projects that were designed and created to solve a real-world problem. This year, the students explored a wide range of design disciplines and technologies to produce their major works, including product design, textiles, coding, 3D printing and laser cutting. Through hard work, commitment and persistence, the students produced quality projects of which they should be proud.

Industrial Technology

Students successfully completed their Major Project. With enthusiasm and skill, these students have demonstrated their mastery in woodworking techniques, design, and project management. Their projects range from meticulously crafted furniture pieces to games tables and even a grandfather clock, all of which have showcased their creativity and problem-solving abilities. Congratulations to the Year 12 class on their outstanding work and dedication to the subject.

Textiles and Design

The talents of the Textiles and Design students were most evident in their Major Textiles Projects and supporting portfolios. Apparel and costume were the chosen focus areas, and students were proud to display and parade their creations for the College community to enjoy. Congratulations to Madeleine Newman on her nomination for the 'SHAPE' exhibition, showcasing outstanding works from HSC Textiles and Design, Design and Technology, and Industrial Technology.

Information Processes and Technology

The Year 12 Information Processes and Technology (IPT) class worked diligently this year, producing an impressive range of projects in areas such as databases and multimedia. Their creativity and effort shone through as they tackled complex challenges, creating exciting solutions. Notably, this class is the final group to complete the IPT course, marking the end of a 23-year era as the subject will be discontinued after this HSC year. Their legacy as the last IPT cohort will be remembered, and their hard work is a fitting tribute to the course's long-standing history.

Food Technology

Students developed their cooking skills, focusing on practical applications and food innovation. They developed unique pie fillings for a new food product assessment task, including a sweet-and-savoury blend and a lasagne-inspired option, and recreated well-known products like Tim Tams, Oreos and Big Macs. Additionally, students learned food preservation techniques by making pickles, which helped them understand methods for extending product shelf life. This course provided hands-on experience in food preparation, preservation, and food product development, equipping students with a well-rounded understanding of the food industry.

Mrs Melissa Gal – TAS Coordinator (Terms 1-2)

Ms Isobel Green – Acting TAS Coordinator (Terms 3-4)

Ms Isobel Green – TAS Assistant Coordinator (Terms 1-2)

Mrs Rosalie Gossow – Acting TAS Assistant Coordinator (Terms 3 - 4)

ConnectED

In 2024, Year 7 students engaged in the ConnectEd program, a dynamic cross-curricular subject that integrated English, History and Geography through four topics: Investigating the World, Inheritance, Stories of Ancient China and Waters of the Nile.

Investigating the World served as the foundation for students to explore relationships between people, places and the environment. They examined the emergence of human civilisation from Africa, learning how early societies compared to contemporary ones. By developing mapping skills and analysing various texts – both fiction and non-fiction – students honed their reading comprehension and writing abilities. Their learning culminated in a virtual pitch to a museum curator, where they showcased a significant discovery they believed should be included in an exhibition.

In the Inheritance topic, students explored the rich history of First Nations peoples in Australia, who arrived around 65,000 years ago. They examined how resources influenced settlement patterns and how historical narratives have shaped contemporary understanding of Indigenous Australians. Through Carole Wilkinson's novel, *Inheritance*,

students confronted challenging truths about the impact of European settlement on Indigenous communities. This topic emphasised the importance of using historical knowledge to inform future decisions, highlighted through their study of the play, *Honey Spot*.

Stories of Ancient China allowed students to delve into the geographical and cultural landscape of Ancient China, linking geography to social structure development. They explored key historical developments, including death and burial customs, while studying significant figures like Qin Shi Huang Di. The unit included an analysis of the film *Abominable*, where students examined the Hero's Journey narrative structure, supplemented by the novel *Where the Mountain Meets the Moon*.

In Waters of the Nile, students uncovered the significance of the Nile River in Ancient Egyptian society, studying archaeological discoveries and their contributions to historical understanding. They investigated water scarcity and sustainable management practices and engaged with poetry, focusing on sensory imagery. A two-day excursion to the Penrith Lakes Environmental Education Centre and the Chau Chak Wing Museum provided hands-on experiences, connecting classroom knowledge to real-world applications.

Through ConnectEd, Year 7 students developed critical thinking, creativity and a deep appreciation for historical and cultural narratives, preparing them for a future that values awareness and sustainability.

Mr Matthew Couani

– Assistant Dean of Learning (Middle School)

Festival of Creative Spirit

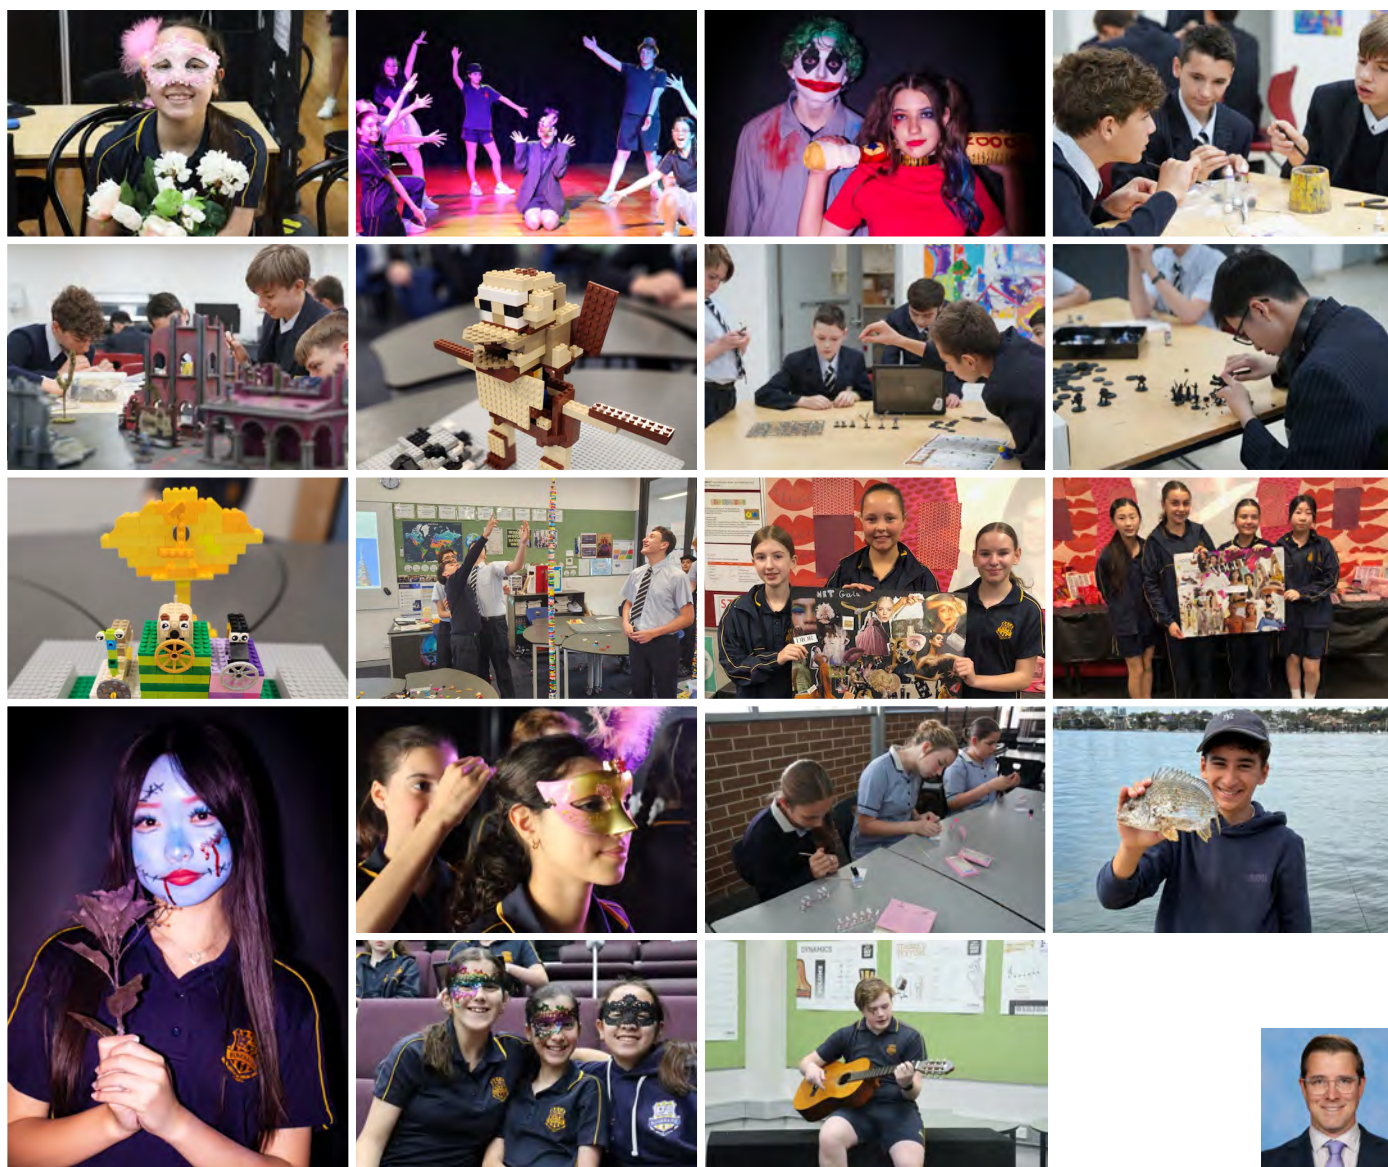

The College's Festival of Creative Spirit (FoCS) is a beloved tradition that immerses students in Years 7 and 8 in problem-based and project-based learning during Discovery Week. This year's FoCS program showcased an impressive line-up of 14 projects, featuring established favourites like 'Lego Masters', 'Rosebank Active' and 'The Lip Lab' alongside exciting new additions such 'iFish', 'Glam School' and 'Future Tech'.

Among the highlights of the Festival was a visit from Ms Seryan Burke-Low in the 'Art of Transformation' who has performed in professional musicals such as *Rocky Horror* and *Joseph and the Amazing Technicolour Dreamcoat*. She shared her experiences of working in theatre, advertising and photo shoots with the students participating in 'The Art of Transformation'. Meanwhile, students who were part of 'On Broadway' enjoyed an excursion to see the stage production of *Sister Act*.

Throughout the week, students presented a diverse range of projects, from captivating short films in 'Rosebank Cinema Presents' and 'iCreate' to innovative bridge designs for 'Bridge to Victory'. Feedback from students was very positive, with many expressing pride in the products they were able to exhibit at the end of the week.

We congratulate students on their enthusiastic participation during this week and offer a massive thank you to the dedicated staff for the immense effort they put into preparing the activities on offer.

Mr Matthew Couani
– Assistant Dean of Learning (Middle School)

Diverse Learning

Through the collaboration, hard work and effort of our students, their families and the Diverse Learning team, the Diverse Learners at the College continued to grow in all areas of their education. We are incredibly proud of the achievements of all of our Diverse Learners, but we especially recognise the Year 12 cohort who leave us to engage in employment, apprenticeships and further study at TAFE and university, having learnt the skills and independence necessary to choose the path they want to take for their future.

The EnrichED Program

This year, the InnovatED Program has engaged 48 students from Years 7 to 10. Inspired by the Robin Williams quote, 'No matter what people tell you, words and ideas can change the world', these students completed 25 projects based on a passionate interest in their chosen topic. The wide variety of projects fit into the four categories of Society and Culture, History, Future Proofing and Psychology. The Showcase, organised and facilitated by three Year 10 students, continues to be an event that inspires Rosebank College students to follow their passions.

With a focus on Philosophy, the iThink class and other interested students have attended:

- Ethical Explorations Day: An annual College event that focused on the ethics of protest with 127 students visiting from nine NSW schools (Years 9-11)
- Thriving Minds Day at Ascham School (Years 7-11)
- Meeting of Minds at Newington College (Years 7-8)
- Numerous College Colloquy events engaging with leading thinkers and academics, both international and local (Years 9-12)
- The Senior and Middle Schools Ethics Olympiad
- The Da Vinci Decathlon at Knox College (Years 7-10) furthering their success of previous years

The InspirED Program

Year 10 students with high potential were again offered the opportunity to complete the Critical Thinking unit from Macquarie University. Four students have taken up the challenge to work through the summer break to complete this undergraduate course before entering Year 11. Two of the students who completed Critical Thinking in Session 3 of 2023/2024 went on to successfully complete an Introduction to Psychology unit during Semester 1.

This year, for the Metropolitan Secondary Schools Chess Tournament, Rosebank College fielded four teams: one junior and three intermediate teams. With chess growing in popularity, teams were also entered in the SCS Chess Conference and the Terrey Shaw Shield. This was supported by the engagement of a professional coach running sessions throughout the year during PACE.

The growing interest in science at the College was evident in the continued interest of Stage 5 students in attending The Science Experience held during school breaks throughout the year, and three Year 12 students participated in the National Youth Science Forum in January 2024 with the welcome sponsorship of local Rotary Clubs. Interest in STEM has increased to such an extent that further investment in a separate program has resulted in offering a more comprehensive range of opportunities to a broader group of students.

Write a Book in a Day was once again a popular activity with 22 Years 7 and 8 students combining to form three competing teams who spent 12 hours writing, illustrating, editing and publishing their books on Saturday, 24 August, having raised funds for the Kids' Cancer Project as required for entry.

After the success of last year, the College entered the Community Problem Solving category of Future Problem Solving, with a team of Years 7 and 8 students, some of whom used their 2023 experience to improve the quality of the College entry. Together, they implemented a program to increase awareness and educate teenagers about the dangers of vaping. They were once again rewarded for their efforts with selection to participate in the national final of the competition in Melbourne at which they succeeded in winning their division, earning them an invitation to attend the international finals in the United States next year.

Many thanks to all the staff from across the College who collaborated to ensure that the students had such a wide range of experiences under the EnrichED program.

Mr Dominic Wan – Acting Diverse Learning Coordinator
Mrs Imanta Harris – Acting Assistant Coordinator

SRSC

SCHOLASTICA RESEARCH AND STUDY CENTRE

The Scholastica Research and Study Centre (SRSC) is a vibrant and multipurpose space and, in 2024, we saw it all. It is an inviting and inclusive space that provides students with the opportunity to come in and read, play chess, study, meet with mates or simply chill on the lounges in front of the waterfall.

Reading routines have been a key agenda this year across the College, and we have been promoting reading among students and staff. Ms Jessica Hay, in the English Department, is a champion and a great supporter of the Premier's Reading Challenge; enrolling her classes has led to the greatest number of students being involved this year. We also offered the staff a blind date with a book, handpicked and wrapped by the tireless SRSC staff.

If we are not reading, we are hosting events. We are very proud to welcome guest speakers, parents, colleagues and professional learning networks, student leaders and their parents, community nights and the College Board. It is such a beautiful space, and we are so lucky to be able to share it with so many.

The best event is during Literacy and Numeracy Week. It is getting more difficult each year to find the words to describe 'Character Day'. Not only are there amazing costumes, but everyone participates and, let's face it, the staff seem more excited than they probably should be. The atmosphere is pure excitement and happiness, so much so that Year 12 wants to revisit the experience and ask each year to dress up.

Whilst there is plenty to celebrate, we could go no further than celebrate the 'All Star', Mrs Leanne Plesa. We are extremely grateful to have had her, as her passion for books and learning is second to none. Leanne's expertise in the space and vision for research and learning are things that we cherish. She always goes out of her way to make sure that no child is left behind; she nourishes the soul as much as the mind. We wish her well and will miss her incredibly.

Ms Louise Luck
– SRSC: Literacy and Research Coordinator

Pathways and Partnerships

Vocational Education and Training and Career Pathways

The extensive range of vocational courses available at Rosebank College and through external providers offers students exciting opportunities to pursue their interests and shape their future career paths. These vocational pathways empower students to choose study patterns that align with their skills and goals, fostering motivation and a clear sense of direction for life beyond school. Some students tailor their studies to enter the workforce directly after completing high school, while others blend vocational courses with academic studies to keep university pathways open while building practical, industry-ready skills. Many students have earned Certificate II or III qualifications, which have proven valuable in securing both full-time and casual work in their chosen fields.

The majority of students complete their vocational courses with external providers like TAFE or local trade centres, either face-to-face, virtually or online. This year, Rosebank students explored over 25 different vocational courses, with Child Care, Cyber Security, Electrotechnology, Plumbing, and Real Estate emerging as the most popular choices. Students are clearly attuned to current discussions around skill shortages and future job market needs, selecting fields with strong career prospects.

School-based Apprenticeships and Traineeships

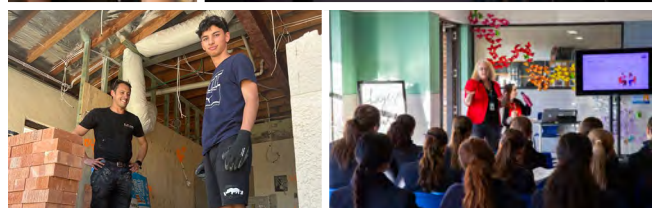

Some senior students have chosen to blend work experience, TAFE study and school subjects through School-based Apprenticeships and Traineeships, allowing them to complete a traineeship or the first year of an apprenticeship while achieving their HSC. This year, Rosebank students have pursued apprenticeships and traineeships in Hairdressing, Retail Services, Carpentry, Electrotechnology, Childcare and Motorcycle Mechanical Technology. This combination of real-world experience and classroom learning has helped them develop critical employability skills and has offered a glimpse into life in a professional adult environment.

Hospitality, Certificate II in Cookery continues to thrive as a popular vocational course, with three Year 10 classes completing an accelerated Preliminary course and one Year 11 class completing the accelerated HSC course. Students in these programs have gained valuable workplace skills, from food hygiene and workplace safety to hands-on food preparation and presentation. Their talents have been showcased at school events like Open Day and the Parents' Social Evening, earning glowing feedback from staff and guests alike. With the guidance of dedicated teachers, students have impressed even further during work placements at top hotels, restaurants and cafes across Sydney and the Inner West, consistently earning praise for their competence and positive attitude.

Congratulations to Harper Cooke who received the VET Excellence Award at a ceremony at NSW Parliament House on 5 September. Known as a quiet achiever, Harper demonstrates a high standard in all his work and is a shining example of the VET program's success.

Careers Guidance and Support

The Pathways and Partnerships team plays a crucial role in helping students make informed choices about their senior study patterns. The team organised the 'Future Pathways Sessions' on 18 June, where members of the College alumni, local businesses, parents, and industry representatives shared career insights with Year 10 students. Students were able to attend presentations aligned with their interests, gaining valuable advice about various professions and the paths to

Pathways and Partnerships

achieving their career goals. Year 10 students are commended for their enthusiastic participation and respectful demeanour in these sessions and also for their excellent performance during their work experience in the week of 21-25 October. The positive and enthusiastic participation in the program is evident in the employer feedback below.

'I have hosted many kids for work experience over the last 25 years and I have to say that Arabella was one of the best. The amount of enthusiasm and initiative she showed was amazing.'

'It has been great to have Josh and Alex on board! A great asset to Rosebank College.'

'Taylor adapted exceptionally well to the fast-paced environment of our busy office and showed a strong desire to learn and contribute. Her proactive approach and positive attitude have made her a pleasure to engage with.'

'Patrick was excellent. I offered him a job if/when he ever wants a job.'

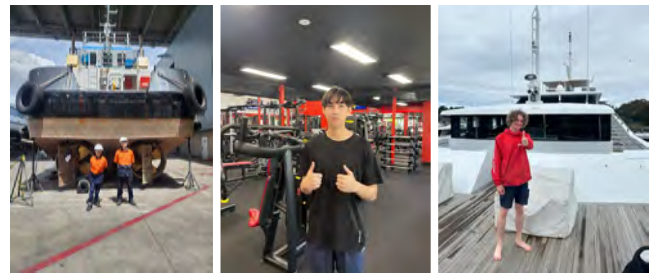

'Kaitlyn was an exceptional student and was very impressive in her communication, engagement and commitment to the work experience program at the Foxtel Group.'

Year 11 students attended the Western Sydney Careers Expo at the Olympic Park Showground on 27 June, where they met representatives from various industries and tertiary institutions. This opportunity provided them with a wealth of information to assist in planning their post-school pathways.

Year 12 students are commended for their proactive approach to future planning, with many securing alternative university pathways through early entry programs, scholarships, cadetships and other schemes. The large number of early entry offers this year reflects their commitment to their studies and active engagement in school and community opportunities.

A special acknowledgement goes to Pathways and Partnerships Captain, Sienna Ulizzi, for her dedication to promoting vocational education, particularly during Open Day and the Year 10 subject selection process. Sienna also excelled in her own vocational studies, completing the first year of her hairdressing apprenticeship ahead of schedule and earning the School-based Apprenticeship Excellence Award for her achievements.

I extend my gratitude to Hospitality teachers Miss Hayley De Prima and Mrs Melissa Gal, Pathways and Partnerships Assistant Mrs Amanda Ivanac, and Administration Assistant Mrs Maria Mollica for their invaluable support throughout the year. A warm welcome also to Mr Michael Ha who joined the team in Term 4 as Assistant Coordinator for Pathways and Partnerships. Together, they continue to support and inspire our students as they explore their interests and forge their futures.

Mrs Angela Pavicic – Pathways and Partnerships Coordinator

Mr Michael Ha – Assistant Coordinator (Term 4)

Mrs Amanda Ivanac – Assistant Pathways and Partnerships Coordinator

RAMP

ROSEBANK ACADEMIC MENTORING PROGRAM

In 2024, the Rosebank Academic Mentoring Program (RAMP) facilitated tutoring for students of the Rosebank College community, with 20% of Rosebank College students attending. RAMP has the vision to inspire and mentor the youth of the community in their learning journey. Each week, tutors facilitate individualised and shared tutoring alongside subject-specific group tutoring and study groups.

It is a privilege to encourage and support students in their learning journey, empowering them to take ownership of their learning and discover what strategies they can implement to learn effectively. Staff ensure that facilitation techniques used for each student are personalised, helping to address areas of weakness and strategically setting long-term goals.

Year 12 Holiday Workshops

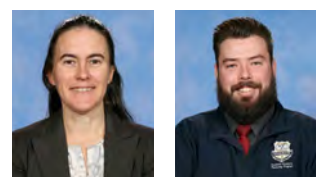

During each holiday break, RAMP facilitated HSC Workshops to help students strategically revise and consolidate their learning in preparation for examinations and assessments throughout the year, culminating in the HSC Examinations. RAMP offered Year 12 Holiday Workshops in subject areas including Mathematics, English, PDHPE, Business Studies, Biology and Legal Studies. Fifty-five Year 12 students attended our workshops to assist in their revision.

Term 4 Workshops

During Term 4, RAMP facilitated a variety of Transitioning to High School Workshops for Year 7 2025 students. These workshops help students make friends, become familiar with the College grounds and provide them with the foundational skills to transition smoothly into high school. The workshops included High School Ready, High School Mathematics Foundations and High School English Foundations, in addition to shared and individualised tutoring.

Class of 2024

RAMP had the privilege of mentoring 158 students from the 2024 cohort at some point during their high school years at Rosebank College. Some of these students have attended our workshops, subject-specific group tutoring or individualised tutoring when needed to support them in their studies, with some students attending tutoring since they were in Year 7 with our tutors supporting them throughout their high school journey.

Miss Danielle Puhlmann – RAMP Manager

Mr Justin Clarkin – Assistant Manager

SECTION 5

**Wellbeing and
Community**

Dean of Pastoral Care

The year started with a flourish. On Day 1, our Year 7 and Year 12 students entered the College with great hope, apprehension and energy. They were soon joined by the other year groups, restoring the lively and vibrant atmosphere to the College. With so many activities and experiences on offer, all students were encouraged to get involved and to work to their potential in all endeavours.

An innovative and dynamic Social and Emotional Learning (SEL) program was delivered, meeting the needs of each cohort. This included conflict management and building respectful relationships, online safety and mindfulness. The program helped students develop skills to achieve academic success, develop healthy relationships, reduce stress and anxiety, and participate in responsible community engagement.

Our pastoral leaders collaborated closely with their teams to help students navigate the challenges of teenage life. With a focus on care, resilience, leadership and ownership of one's choices, each House created a welcoming and supportive environment. A bright colour palette highlighted the distinct House areas around the school, and a friendly rivalry energised the College athletics and swimming carnivals, and interhouse competitions.

Our 2024 Student Leadership Team embraced their portfolios with purpose and interest. They encouraged and inspired their peers to connect with their House charity, become more environmentally conscious and take part in awareness days such as the National Day of Action Against Bullying and Violence, R U OK? Day, and Harmony Day.

The College's Lunchtime Clubs continued to foster a sense of belonging. From the Diamond Art Club nurturing creativity to the Science Club encouraging inquisitiveness and challenge, the Clubs provided scope for students to explore their passions or try new things, while forming new friendships and building rapport with supervising members of staff in a relaxed and social setting.

Benedict Day began with Mass, followed by a day of fun activities. The Rosebank's *Got Talent* show proved once again to be a highlight for the entire community, showcasing not only the many and unique talents of our students, but the courage they have to perform. These contributions were met with an overwhelming and uplifting energy from the appreciative and supportive student body.

Our Middle School enjoyed varied activities to support their social and emotional learning. Year 7 students successfully completed their orientation to high school through the Peer Support Program, facilitated by the Year 10 Peer Leaders. The Orientation Camp in Term 1 was an excellent opportunity to foster new friendships while enjoying fun and challenging activities. Students also explored 'Resilience' during their Reflection Day.

In Year 9, the Stage 5 Engagement Program was introduced, with students choosing to participate in one of two programs: the Duke of Edinburgh Scheme or the Figtree Program. Both offered a wide range of activities for engagement to assist in building connection, skill set, and confidence. By accumulating experiences and points, students were recognised for their commitment through the various stages of each program.

This year we introduced a number of gender-specific wellbeing initiatives in Years 8 and 9 to address gender-based developmental needs. Our Year 8 students enjoyed a Character Formation workshop where the girls explored friendships and the boys discussed male gender stereotypes. These themes were echoed in the Year 8 Reflection Day where 'Relationships' was the main focus. The students embraced these experiences with much success.

The Year 9 Character Formation workshop and Reflection Day addressed 'Self-image'. Our female students delved deeper into healthy relationships, and our male students embraced the challenge of learning how to relate to their peers and provide a safe and caring environment for each other to openly discuss these themes. The group ended the year with a two-night adventure at Camp Somerset where they were able to apply all they had learnt throughout the year and truly step out of their comfort zones.

Year 10 students embraced numerous opportunities for growth during this critical time of transition. They were inspired by guest speakers who shared valuable insights, sparking engaging discussions about their futures and potential pathways. These presentations encouraged students to make responsible choices, foster mutual respect, and tackle life's challenges with confidence. We also welcomed parents to our inaugural Year 10 Subject Selection Interviews, facilitating meaningful conversations that prepared students and parents for the transition to senior school. This period of change was marked by the introduction of the senior school uniform, work experience, and a memorable Year 10 Transition Dinner.

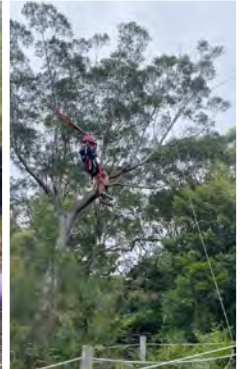

Year 11 students embarked on their Preliminary HSC journey with enthusiasm. They elected new leaders who are enhancing the school community with their insightful contributions. The Year 11 retreat was an opportunity to spend time away from the classroom, with a focus on reflection, relationships with God and the high school journey. Through a newly developed Wellness program, important topics including road safety, sleep, study habits and overall wellbeing were further explored.

Our Year 12 students worked diligently to maximise their learning and were celebrated with a series of memorable events. The Graduation Mass and Dinner was a night of community spirit and celebration. Friendships were made stronger, and the importance of working together and doing one's best were left as lasting thoughts. We bade a final farewell to our Class of 2024.

Ms Belinda Clark – Dean of Pastoral Care
Ms Amy Neylan – Assistant Dean (Middle School)
Ms Claire Moran – Acting Assistant Dean (Senior School)

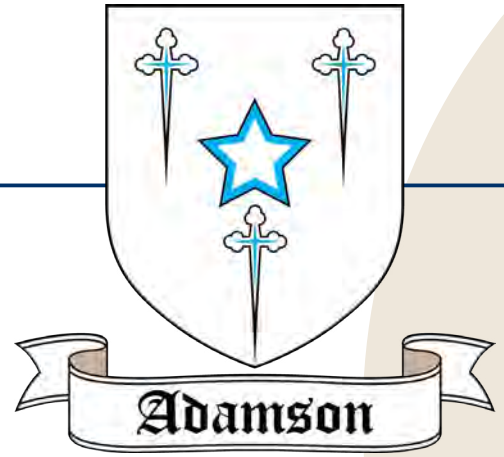

Year 7 Camp

Year 9 Camp

Adamson House

Mr Ewen Sinclair-Kydd
House Coordinator

Miss Lucy Monti
Acting Assistant Coordinator

House Leaders for 2024

House Captains

Mikaela Lofaro | Anthony Pan

Service Group Leaders

Environment: Isabella Todaro

Social Justice: Jayden Melhem

Culture and Identity: Claudia Peterie

Curriculum Captain

PACE: Kristen Tannous

This year, every Adamson member challenged themselves to be deliberate in their pursuit of success in and out of the classroom as we forged forward under the motto 'If not you, then who?'

A Culture of Success

We started the year aiming to be on the podium for the swimming and athletics carnivals, and we achieved this by coming third at the Swimming Carnival and sealing the 'three-peat' win at the Athletics Carnival. It is a testament to the emerging culture of the House that these wins are not just down to our excellent Age Champions – for swimming Tamara Tornatore, Charlotte Gan and Jacob Keelty and, in athletics, Jude Kalotheos – but are a result of the willingness of so many of their peers to get into the pool or onto the track. To add to the House trophy in our cabinet, we also won BOTH the middle school and senior school Interhouse Basketball competitions (even more impressive given that we hadn't progressed through the first rounds in either before).

A Year of Leadership

We were led by our House Captains, Environment, Culture and Identity and Social Justice leaders who were always willing to assist in organising their peers and informing them of coming events. I would like to thank our SRC for their work as a conduit between the students and the staff. It is always pleasing to see students applying for leadership positions. Still, many of those Adamsonians who are not in leadership positions have shown their peers and housemates how to be the best versions of themselves.

A Nature of Giving

This year, our 'I0 for the Centre' campaign raised over \$900 for the Newtown Asylum Seeker Centre through the generous giving of Adamson students. Next year, we look to do even better. We also joined Cassidy for Santa Photos. This red and white themed event raised funds for both House charities and was built on the 'volunteerism' of many members of the Adamson community.

A Wealth of Support

Vital in the everyday nurturing and support of every Adamsonian are the guiding hands and wisdom of our Home Room teachers. I would like to thank them for their care and organisation, particularly every morning for Home Room:

MS1 Ms Jessica Fallone

MS2 Mr Mason Lowrie

MS3 Miss Elyse Roach

SSI Ms Angela Kim

SS2 Mr Jonathan Booker

SS3 Mrs Kirsty Lucas

They make up the team, along with the Acting Assistant Coordinator, Miss Lucy Monti, and myself, of adults who are role models, confidants and reminder services to the Adamson students, but who also create the ever-beating heart of our House.

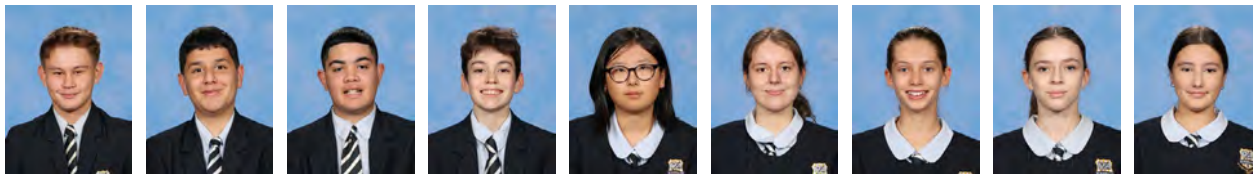

I urge every Adamsonian to reflect on their year and consider if they took part, took responsibility or took the lead to make sure that the House they want is the House they have. It is a worthwhile reminder that they have the power to shape the communities in which they live by taking an active hand and getting involved to make sure that what they say is reflected in what they do. I look forward to seeing the success of Adamson in actions, not words.

Brady House

Ms Gabriella Piperides
Acting House Coordinator
Ms Madeleina Hanrahan-Tan
Assistant Coordinator

House Leaders for 2024

House Captains

Madeleine Newman | Roman Judd

Service Group Leaders

Environment: Isabelle Som

Social Justice: Adelaide Brokenshire

Culture and Identity: Aidan David

Ms Hanrahan-Tan and I are incredibly proud of each student's contributions to our House and College. The dedication and positivity shown through every experience, from camps and community service to Home Room Challenges, College carnivals, and fundraising events, have been inspiring.

We also extend our gratitude to our outgoing House Captains and Service Group Leaders – Roman Judd, Madeleine Newman, Adelaide Brokenshire, Aidan David and Isabelle Som – whose passion for Brady House shone throughout 2023/2024. We thank our SRC leaders and Peer Support team for their outstanding service and leadership.

As Brady students returned to O Block on Day 1 of 2024, they were greeted by our motto, 'Go Green or Go Home'. This vibrant green not only represents our commitment to nature and sustainability, particularly through our support of the House Charity in Kiribati, but also embodies our ongoing growth and perseverance. Throughout the year, whether on the sports field, in the classroom, or participating in House activities, Brady students consistently demonstrated leadership, teamwork, and a relentless drive for excellence.

On that first day, we warmly welcomed our newest Year 7 cohort who quickly became part of the Brady family and the wider College community. We also welcomed new and exchange students throughout the year, continuing to extend our famous Brady hospitality and inclusiveness. I, too, felt this welcoming spirit when I stepped into the role of Acting House Coordinator this year. From the very first day, I was embraced by staff, students and families alike, and I am deeply grateful for this experience.

I want to express my heartfelt thanks to our wonderful House team for their unwavering guidance and care during Home Room and pastoral activities, as well as to the kind and supportive Ms Madeleina Hanrahan-Tan. This year, our team was made up of:

MS1: Ms Jemma Cushway

MS2: Mrs Annalicia Latham/Mr Dimitrios Stivaktas (Terms 1-3) and Ms Demi Poulos/Mrs Orla McHale (Term 4)

MS3: Mr Adam Boumelhem

SS1: Miss Eliza Cohen

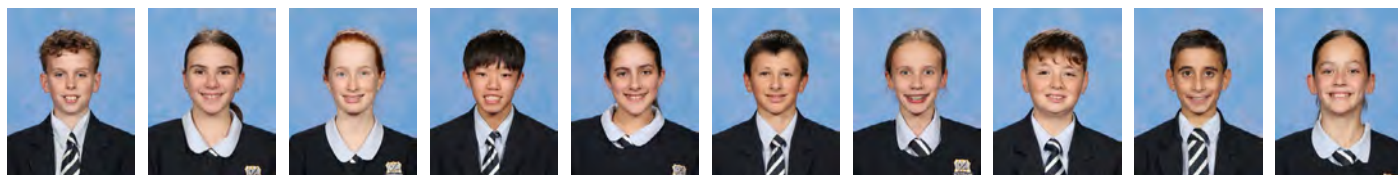

SS2: Mrs Siran Galeb (Terms 1-3) and Ms Rita Angeli (Term 4)

SS3: Ms Caitlin O'Hehir

To everyone in Brady House, remember that the green we wear is more than a colour – it's a promise to ourselves and each other that no matter the challenges we face, we will always rise and thrive. As we look to the future, let's continue to grow, support one another, and carry the Brady spirit forward. Thank you all for an incredible year.

Ms Veronica Presser
Assistant Coordinator

House Leaders for 2024

House Captains

Amelia Como | John Clemente

Service Group Leaders

Environment: Jack Batchelor

Social Justice: Philip Plan

Culture and Identity: Sandy Mapstone

Curriculum Captains

CAPA: Jack Batchelor

Science: Jasmine Azizi

None of this would have been possible without the steadfast support of Cassidy's Home Room staff. Thank you to Miss Jackie Oh (MS1), Mr Matthew Kent (MS2), Miss Sara Maffei (MS3), Mrs Orla McHale and Ms Louise Gentile (SS1), Mr Nicholas Mitsak (SS2), and Mrs Maree Lucas and Mr Steve Comninos (SS3) for their commitment to Cassidy students. A special thank you to the Assistant House Coordinator, Ms Veronica Presser, whose guidance has been vital for a smooth year as I stepped into the House Coordinator role for Ms Elizabeth Solomonides during her parental leave.

Cassidy House truly lives up to its motto, 'House with Heart'. The supportive connections and commitment of Cassidy students create an environment where everyone feels encouraged to succeed. Looking ahead, there is anticipation for the journey and the opportunities that lie ahead.

Cassidy House has once again demonstrated why it is the 'House with Heart' in 2024.

2024 has been filled with achievements across many areas. Cassidy students have excelled academically, performed in the arts and shown strong leadership in both House and school events. Beyond these successes, many have experienced personal growth – whether by taking on new challenges, developing new skills or building confidence.

Most importantly, 2024 has highlighted the strong sense of community that defines Cassidy. Through teamwork, Cassidy students and staff have created an environment where everyone feels included and valued, showing heart in all they do and embracing the values that make Cassidy House special.

Cassidy students were involved in a wide variety of activities, from CAPA to debating and the Premier's Reading Challenge, along with extracurricular sporting teams. All of these efforts reflected their dedication to learning and personal growth while embodying the heart of Cassidy through support and a drive for excellence.

This year marked a new beginning for many students as Cassidy welcomed 28 enthusiastic Year 7s. Their eagerness to get involved has been refreshing, as they quickly embraced the values of Cassidy and participated in schoolwork, House events, and various activities. It has been a pleasure for everyone to watch them grow.

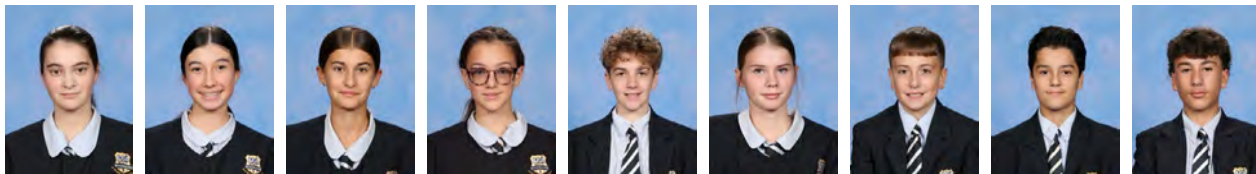

At the same time, Cassidy bids a heartfelt farewell to our Year 12 students who leave behind a remarkable legacy of leadership and commitment. Their contributions have shaped Cassidy House, and we wish them the best for the future, confident they will carry our values of hard work, dedication and heart into their next adventures.

Culture and Identity: Tina Hatzivasiliou

Curriculum Captains
CAPA: Tina Hatzivasiliou
HSIE: Matilda Meidling

The 2024 Caulfield House motto – ‘Never give up! Never back down!’ – defined every element of Caulfield’s tenacity and dedication to achievement this year. Leaping up the House ladder to 2nd place was a testament to the determination and enthusiasm of our outstanding House Captains, Benjamin Brookes and Eve Court, and House Leaders Ava Voukenas, Tina Hatzivasiliou and Patrick Endicott. Inspiring them every step of the way was Acting Assistant House Coordinator, Ms Sophie Peters, and the indefatigable Home Room teachers, Mr Steve Comminos, Ms Daniela Gamma, Mr Dominic Wan, Mrs Imanta Harris, Mr Daniel Nesci, Ms Michelle Khoury and, for the second half of the year, Ms Anastasia Batagianni and Mrs Mary Khoury.

Competition

- When Mr Comminos took to the whiteboard during a House Assembly, outlining the simple maths that would push us up the House ladder; Caulfield students suddenly understood the power of participation. Caulfield has several star athletes and swimmers who performed brilliantly and, combined with the enthusiasm of the whole House, this bumped us into the upper echelons of success. Our Worker Bee theme for the Athletics Carnival deserves a special mention. Our SRC members tirelessly glued and taped signs together for the day.
- Caulfield also displayed athletic prowess in the senior school Interhouse Basketball Competition. Reaching the Grand Final was exhilarating, and the energy shown on the court captured our 2024 competitive spirit!

Compassion

- ‘C’ is for ‘Caulfield’ and ‘compassion’ and, as with our competitive spirit, Caulfield never gave up giving throughout 2024. The year began with our very successful bake sale and continued with record-breaking donations to Project Compassion, Vinnies and our House charity – the Good Samaritan Foundation in Timor-Leste. Our Caulfield leaders and SRC were tireless in their enthusiasm to raise funds throughout the year.

Conversations

- This year, the Caulfield office got a new couch, and we began our photo montage of ‘Caulfield Confessions’. The couch area has become a meeting place for students and the Caulfield House Coordinators during breaks and provides a wonderful opportunity for conversation. Whether it’s philosophical arguments, chats about friendship or simply some time to hang out with Caulfield’s pastoral staff, we hope this will become a regular opportunity for connection in the years to come.

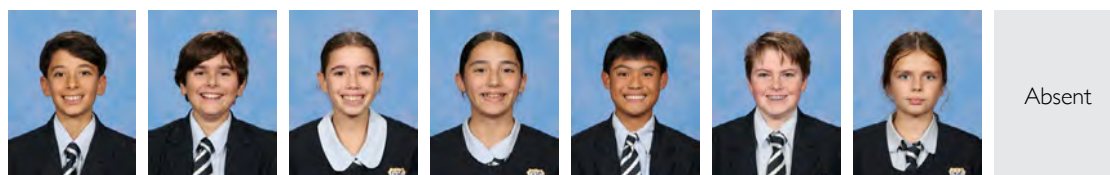

I would like to express my sincere gratitude to the Caulfield staff and students for an outstanding year of House spirit and connection!

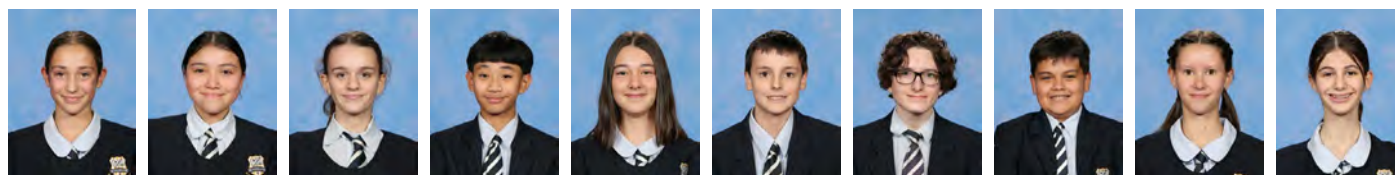

Well done, Caulfield!

House Leaders for 2024

House Captains

Lola Tesoriero | Jack Clark

Service Group Leaders

Environment: Jayden Wong

Social Justice: Rachela Biasi

Culture and Identity: Alicia Hutapea

Curriculum Captain

Languages: Holly Birmingham

This year was yet another year of remarkable achievements with many opportunities to showcase our strength of character. Embracing our 2024 motto – ‘Embrace Fear, Ignite Courage, Conquer All’ – Delaney students demonstrated unwavering determination, a commitment to excellence and a deep sense of loyalty to our House.

The highlight of the year was undoubtedly our victory at the Swimming Carnival in Term 1. Delaney displayed outstanding talent, dedication and sportsmanship both in and out of the pool, and our amazing 2023/2024 House Captains, Lola Tesoriero and Jack Clark, led the House with much enthusiasm and motivated our students to get involved, support one another and strive for greatness.

In Term 1, our new Year 7 Delaney students teamed up with Hayes House for Reflection Day, which was a resounding success. This experience allowed students to make new friends, build a sense of belonging to their House and College community and develop resilience skills as they encountered new challenges as high school students. Our Year 9 leaders played a vital role in mentoring and inspiring these new students on the day, demonstrating their dedication to Delaney House.

In Term 3, the Delaney Olympics captured the spirit of the 2024 Paris Olympics, showcasing our House's unity and competitive spirit. Events such as hula hooping, push-ups, and the egg and spoon race brought out the best in our students, with SS1 Home Room emerging victorious, claiming the gold medal. We thank our 2024/2025 Year 12 Delaney leaders for their hard work in organising this fun House spirit initiative.

As we bade farewell to the Class of 2024, we celebrated their remarkable journey and contributions to Delaney House. Their six years at Rosebank have been marked by friendship, support and a shared commitment to excellence. They have demonstrated honesty, empathy and compassion toward their peers, embodying the values of Delaney

House, and we know that they all have very bright futures ahead of them.

In Term 4, we hosted our annual pizza fundraiser to support Santa Teresa in the Philippines. The event was a resounding success, thanks to the dedication of our Year 12 leaders and SRC, and was a wonderful opportunity to remind ourselves of our privilege here at Rosebank and in Australia, as well as the importance of giving back.

This year, we have been lucky to have a wonderful team of Home Room teachers who provide guidance, support and inspiration to our students every day. We extend our sincere gratitude to Miss De Prima for her invaluable contributions to Delaney House over the last few years, and we thank Miss Taggart for stepping in as Assistant House Coordinator during Miss De Prima's maternity leave. Miss Taggart has been a wonderful addition to Delaney House, and her positivity, enthusiasm and unwavering support for our students have been a true asset to Delaney House.

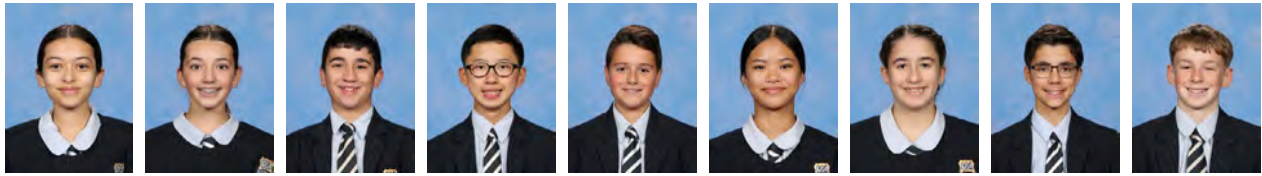

As we look forward to 2025, we know that our students will continue the legacy of Delaney House as they take on new challenges, strive for excellence and lead with compassion and empathy.

Dwyer House

Mr Anthony Morizzi
House Coordinator
Mrs Maria Stojoski
Assistant House Coordinator

House Leaders for 2024

House Captains

Tamara Coco | Isabel El-Azzi

Service Group Leaders

Environment: Alyssa Rizzo

Social Justice: Natalia Buzo

Culture and Identity: Iban Occhiuzzi

Curriculum Captains

History: Iban Occhiuzzi

PACE: Nick Andreacchio

Diverse Learning: Harley Hatzimihail

A huge thanks must also go to Mrs Stojoski who has worked tirelessly throughout the year to support the Dwyer students and me. We also extend our gratitude to the SRC leaders and Year 12 Dwyer student leaders, whose leadership has been instrumental in fostering a strong sense of community. These students, through their commitment to House initiatives and events, have set a fine example for younger students and ensured that the Dwyer spirit remains strong throughout the year.

As the school year comes to a close, it is clear that Dwyer students have embodied the core values of Rosebank College. Their fine behaviour, respect for one another and commitment to the school community have made this year one to remember. With a strong foundation laid by the graduating Year 12s and the enthusiasm of the younger years, Dwyer House is well positioned for continued success in the future.

The 2024 school year has been one of growth, camaraderie and achievement for Dwyer House. Students from Year 7 through to Year 12 have embraced the House's values of respect, integrity and community, making Dwyer a shining example of what it means to be part of a strong, supportive school family. At the beginning of the year, I challenged our students, through our House motto, to strive for greatness and settle for nothing less. I can confidently say they have risen to that challenge.

Throughout the year, Dwyer students have exemplified fine behaviour across all year levels. Whether in the classroom, on the sports field or during school events, students have consistently demonstrated a high level of respect for both staff and their peers. The Year 7 students made a smooth transition into high school life, quickly becoming a part of the Dwyer family. Their eagerness to learn and their willingness to engage positively with older students were inspiring, and they have already established themselves as valuable members of the House.

Participation in co-curricular activities has also been a highlight for Dwyer students who have been involved in sports, academic competitions and cultural events, showing great pride in representing their House. Whether competing in the swimming and athletics carnivals or contributing to social justice projects, the House spirit was always on display. Every student's effort, regardless of the outcome, has been celebrated, creating a sense of unity that has only grown stronger throughout the year.

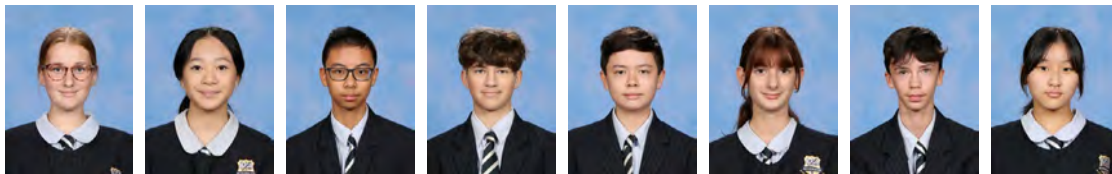

A special thanks to the 2024 Dwyer Home Room teachers, whose ongoing guidance and support have been essential to maintaining a positive environment in the Dwyer House. Their dedication to nurturing the wellbeing and academic progress of each student is much appreciated.

Hayes House 2024: A Year of Triumph and Teamwork

2024 has been a standout year for Hayes House, filled with sporting achievements, community spirit and a strong sense of unity. Our dedication to teamwork and excellence has shone through in various events, with Hayes securing top spots and making remarkable contributions both on and off the field.

This year, Hayes achieved a top-three finish in both the College Athletics Carnival and the Swimming Carnival – a testament to the determination and enthusiasm of our athletes. Whether it was on the track or in the pool, our students gave their best, with many surpassing their personal records and earning valuable points for the House. Congratulations to everyone who participated and cheered on our athletes, showcasing true Hayes spirit and taking out the top spot for the cheer contests.

Our triumphs continued with a stunning victory in the Senior School Futsal Competition. The team's impressive skill, strategy and teamwork led to a thrilling final, culminating in a well-deserved win.

Beyond our collective achievements, Hayes House is proud to celebrate the outstanding individual accomplishments of two of our Year 11 students. Rebecca Donnelly was invited to play in the U18 National Club Championships in Perth for basketball, competing at the highest level and demonstrating her incredible dedication to the sport. We are incredibly proud of her hard work and commitment.

Similarly, Mikayla Duong continues to inspire us with her ongoing success in football, playing for the Junior Matildas, Australia's national women's team. Her determination and excellence on the field serve as a role model for all of us, reminding us that hard work and passion lead to great things.

In addition to our sporting achievements, Hayes House has made a positive impact through our fundraising efforts. This year, we raised several hundred dollars for our new House charity, Stewart House. Stewart House provides vital care for children across New South Wales and the Australian Capital Territory. Every year, they support over 1,600 children,

offering them a 12-day program that focuses on health, education, and wellbeing. Through their work, children receive medical, dental and optometric care while also building resilience and life skills, helping them return to their communities with renewed confidence. We are proud to contribute to such a worthy cause, and we look forward to continuing our support.

As we wrap up 2024, we reflect on a year of extraordinary achievements, from our collective success in athletics and futsal to the inspiring efforts of our individual athletes. Hayes House has not only excelled on the field but also shown its commitment to making a difference in the wider community. Here's to another year of hard work, unity and continued success for Hayes House.

A very special mention to our Hayes staff for all their hard work and dedication to the students in Hayes House:

MS1: Mrs Rosalie Gossow and Mrs Amanda Ivanac

MS2: Mrs Anita Kayem

MS3: Mr Mark Borg

SS1: Mrs Jessica Holding

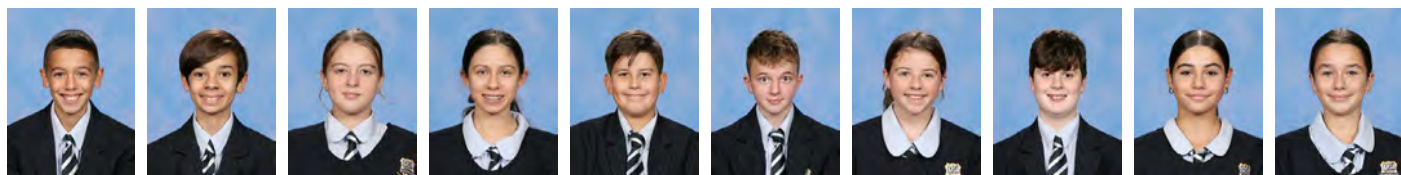

SS2: Mr Steven Rebello

SS3: Ms Amanda Katrib and Ms Christy Herrera

And finally, I thank Mr Nicholas Latsinos, who has fitted in seamlessly to the Acting Assistant House Coordinator role. His support and genuine care for each student in Hayes have been much appreciated.

Bring on 2025... Hayes House on fire!

While many of our students' accomplishments in sports and academics are already celebrated in this yearbook, we would like to take a moment to acknowledge some of the noteworthy achievements happening outside school as well.

Jacob Longo, of Year 8 (MCL MS2), demonstrated outstanding skill in the world of drag racing, winning Round 1 of the NSW Championship series in the Junior Dragster division. His thrilling victory has us all looking forward to his future races.

Jeremy Durham, of Year 8 (MCL MS1), also made us proud on the national stage, competing at the Baseball Nationals with his Ryde Hawks team. Not only did his team top their pool and win the bronze medal, but Jeremy also hit a home run in their second pool match and delivered one of his best pitching performances in the finals.

Archie Marshall, of Year 9 (MCL MS3), was selected for the prestigious NSW Waratahs U15 Gen Blue Rugby Union program, which will see him training alongside the top young talents in the state. We're confident Archie has a bright future in the sport.

And finally, Chiara Sorbello, of Year 11 (MCL SS2,) showcased her musical talents by winning the 'Play, Hit Record!' program for singers and musicians, hosted by Canada Bay Council. As the winner of the amateur category, Chiara had the opportunity to perform live at the 2024 Ferragosto, an experience we're sure she'll never forget.

These are just a few of the many success stories from McLaughlin students this year. We are incredibly proud of every student's effort, whether in competitions, personal goals, or extracurricular activities. McLaughlin House continues to embody a spirit of resilience, passion and teamwork, and we look forward to celebrating more successes in the years to come!

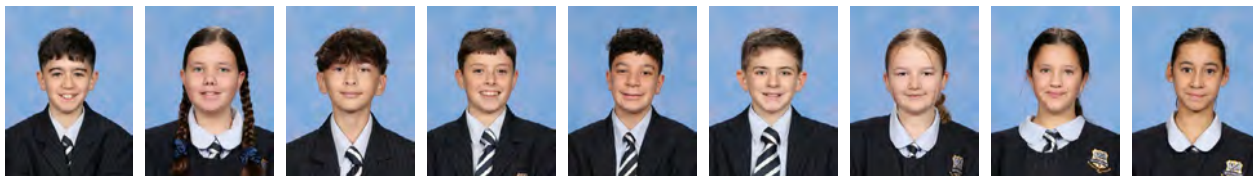

While McLaughlin House may not have found as much success as in previous years, our spirit, dedication and unwavering commitment have been the true victories. We have shown heart in every contest, whether in sports, academics or other arenas, proving that McLaughlin students never back down from a challenge.

One standout success was our McLaughlin Senior Girls 4x50m Relay team, who made an unforgettable mark at the College Swimming Carnival. Not only did they come first in the girls' senior relay, but they also set a new Rosebank record, finishing with an incredible time of 2:27.37! A huge congratulations to the talented team of Sienna Head (Year 11), Stella Vardanega (Year 12), Martha Hellams (Year 12) and Ellie McNeill (Year 12) for their remarkable achievement. This victory was a shining moment for McLaughlin House and a true testament to their hard work and determination.

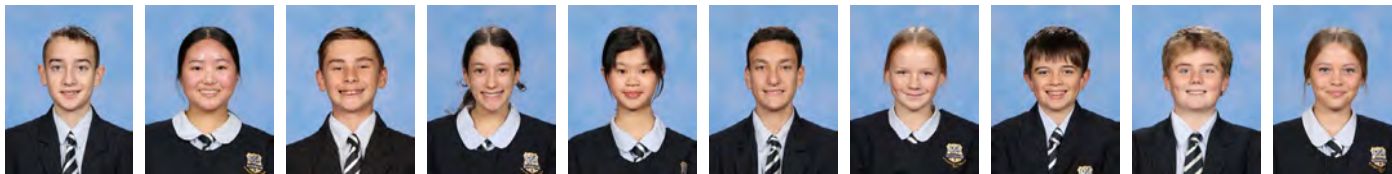

Our McLaughlin Leadership Team successfully raised over \$1,000 for our House charity, the Good Samaritan Kindergarten in the Philippines. These funds came via our BBQ & Beats sausage sizzle sale on the College Social Justice Day in November.

Our House has also celebrated numerous academic, sporting and cultural achievements. One notable

accomplishment was the recognition of our 2025 College Captain, Lola McKenzie, as a proud member of O'Connor House. Lola's leadership, along with that of our new House leaders – Benjamin Hu, Hannah Gatti, Angelica Zappala, John Fotopoulos and Raed Sayed – promises a bright future for our House.

The theme for 2024, *Be the Difference that Makes the Difference*, resonated deeply with our students. Through their involvement in charity

work, community service, and academic, cultural and sporting pursuits, they have truly made a positive impact on their own lives and the lives of others.

2024 marked a significant milestone for O'Connor House as the archbishop formally concluded the diocesan phase of the canonisation cause for Eileen O'Connor. This recognition is a testament to her extraordinary legacy and the profound impact she continues to have on our community.

O'Connor House remains a beacon of compassion, community and academic excellence. We are honoured to be a part of such a remarkable House and look forward to continuing our journey of growth and achievement.

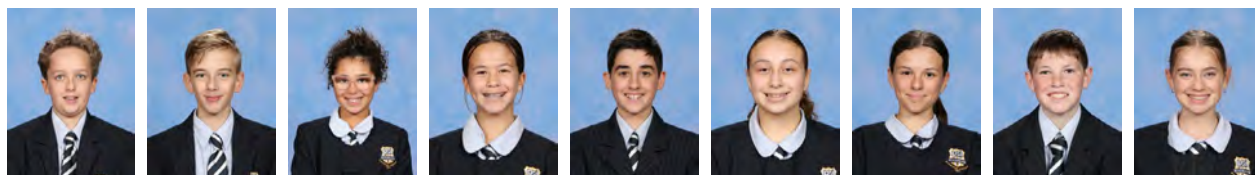

2024 marked another year of exceptional achievement for O'Connor House. This year, we witnessed first-hand the genuine care and compassion that define our O'Connor community. From the respectful interactions between students and staff to the unwavering support provided by our leaders, the spirit of O'Connor House shone brightly.

I would like to extend my sincere gratitude to our dedicated team: Ms Tara Nandi, Ms Jessica Hay, Mr Pedro Moreira, Miss Emily Mariglis, Ms Danielle Deguara, Mr Gil Balfas, and my incredible assistant coordinator and friend, Ms Melissa Long. Their tireless efforts have not only ensured adherence to school rules but also fostered a nurturing and supportive environment for our students. We have striven to be fair and consistent; this will hopefully ensure students are prepared for life beyond Rosebank, where getting to work on time and following rules are expected daily.

Our House's commitment to compassion and community service was evident in our fundraising endeavours. We raised a remarkable \$1,800 for our House charity, the Brown Nurses, through the sale of lollies and cans on Benedict Day. Additionally, O'Connor House contributed over \$1,600 to Caritas through individual donations. These contributions highlight our dedication to making a positive impact on the lives of others.

Under the guidance of our outstanding House leaders – Aadya Sharma, Kaelan Hu, Ella Nicholas, Naina Sharma and Lauren Herbert – O'Connor House thrived. Their leadership was instrumental in creating a positive and uplifting atmosphere, fostering a strong sense of House spirit. They ran our weekly House Competition and Eileen's Games; they cheered, ran, swam and competed. These leaders led our House in a way that created a positive and uplifting atmosphere where our House spirit was felt by all.

Curriculum Captain
English: Eliza Muir

In 2024, the students of Vaughan House have once again demonstrated their exceptional generosity. Their collective efforts resulted in a significant donation of \$3,306.80 to our sister school, St Agnes, in Tanzania. This act of kindness is a testament to their character, and we couldn't be prouder. We hope this contribution will make a meaningful difference in the lives of the students at St Agnes.

Thank you to Ms Darrelle Lines and Mrs Annalicia Latham for guiding the students and staff in their capacity as Assistant House Coordinators, and to the Home Room teachers, who look after our students on a day-to-day basis:

MS1 Mr John Mannah and Miss Chloe Habis

MS2 Mr Marcel El-Hachem

MS3 Ms Ingrid Smolka and Ms Emily Naylor

SS1 Mrs Melissa Gal and Mr William Hurley

SS2 Ms Dorota Mojsiejuk

SS3 Ms Georgina Christaki

Vaughan students can be very proud of stepping up and being happy with that person looking back at them in the mirror each day.

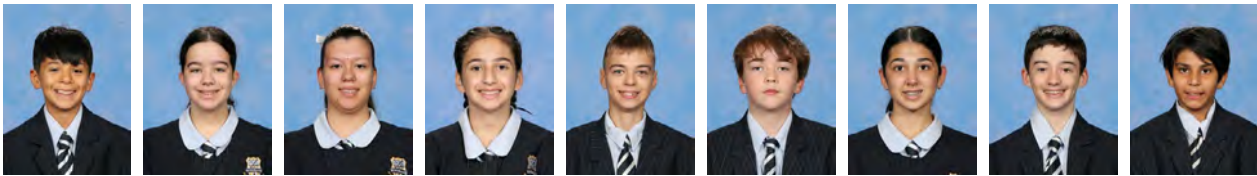

The Man in the Mirror

When you get what you want in your struggle for self,
And the world makes you king for a day,
Then go to the mirror and look at yourself,
And see what the man has to say.
For it isn't a man's father, mother or wife,
Whose judgement upon him must pass,
The fellow whose verdict counts most in life,
Is the man staring back from the glass.
He's the fellow to please, never mind all the rest,
For he's with you clear to the end,
And you've passed your most dangerous, difficult test,
If the man in the glass is your friend.
You can fool the whole world down the pathway of years,
And get pats on the back as you pass,
But the final reward will be heartache and tears,
If you've cheated the man in the glass.

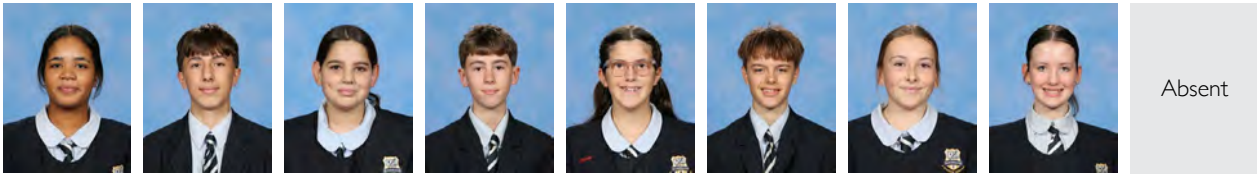

Dale Wimbrow (1934)

The poem has stood the test of time.

SECTION 6

Physical and Cultural Engagement (PACE)

Dean of PACE

PACE, or Physical and Cultural Engagement, is Rosebank's co-curricular space. Participation in co-curricular activities during school life:

- exposes students to new activities and the discovery of new talents;
- strengthens self-esteem and builds confidence;
- enhances academic learning;
- encourages commitment and fosters a sense of responsibility;
- develops social skills and stronger relationships;
- improves time management and organisational skills; and
- provides opportunities for stress relief and relaxation.

Each year, Rosebank welcomes students who take up opportunities to participate in representative and club sports, debating, public speaking, chess, the Duke of Edinburgh Award and Thursday afternoon activities. This year, PACE has also supported other activities such as Rosebank Writers, the College Musical, Dance Company, Solar Car Challenge, Robo Cup, Future Problem Solvers, STEM, Ethics Olympiad, Eco Warriors and InnovatED.

Rosebank fields representative teams in Sydney Catholic Schools Sports competitions in weekly sports, carnivals and gala days. It was wonderful to lead the review and introduction of our new representative sports uniforms, which are now all bar-coded for ease of use and tracking. The College also offers several 'club' sports team opportunities in baseball, futsal, hockey, netball and volleyball throughout the year. Our club sports program allows students to participate in local competitions with their school friends.

Years 11 and 12 students who do not participate in Thursday representative sport teams undertake the Benedictine Academy program. The opportunity for students to work on 'Major Work Projects' during this time was again popular, as was the fact that students can nominate specific subject areas for additional access to the relevant staff members for added support.

The implementation of the Figtree program in Year 9, which runs in conjunction with the Duke of Edinburgh Award, has seen record numbers of students taking on the challenge of the Bronze level. Over 190 students have signed up and are working their way through the completion of this wonderful opportunity.

Thank you to all of the teachers, coaches and support staff who have worked in the program in 2024. Special thanks must go to Miss Annalisa Di Bella, Miss Maryanne Di Bella and Mr Jason Amos. These people are hardworking professionals who truly care about facilitating worthwhile experiences for our students. Thank you to all of the students who represent the College in PACE activities with respect, pride and determination. I am looking forward to seeing everyone again in 2025 and to welcoming students in our newly designed core sports uniform.

Mr Stuart Hanrahan
– Dean of Physical and Cultural Engagement

SECTION 7

Staff Services

Dean of Professional Learning and Culture

Collaboration, professional conversation and contributing to our Learning Culture typified the exciting and purposeful professional development and learning events for Rosebank staff across 2024. We led new teams and team members through a Good Samaritan and Rosebank orientation and induction into our ‘Challenging and Nurturing’ culture of leading and learning alongside values of hospitality and inclusivity.

With a focus on creating a Rosebank College Reading Culture, teachers across the Key Learning Areas engaged in ongoing professional learning in the Staff Days. The collective goal of creating student reading toolkits was the Professional Learning Meeting focus, delving into Progressive Achievement Test in Reading (PAT – R) data. Teachers embedded collaborative teaching strategies across all year groups with successful implementation of our Rosebank Complex Text Routine. Our Pastoral Care Professional Development staff day in August was welcomed as a way to deepen our understanding of student wellbeing; our keynote speaker was Lorraine Cushing-Kleber; with Rosebank’s counselling and pastoral staff leading workshops and research with and for all teachers.

In October, Rosebank College staff furthered our Reconciliation Action Plan. We welcomed Stuart McMinn, a First Nations man who proudly engaged staff in culture and identity, and Sharon Cooke from Catholic Schools NSW to walk alongside staff in collaboratively building learning activities to provide student opportunities and experiences with authentic First Nations culture, place and people.

We welcomed over 25 visiting Early Career Teachers to our Rosebank in Conversation event in November; where expert teachers from our College shared their practice in workshops to inform about ‘Teaching HSC for the first time: Good to Great’.

Staff were recognised for further study, and for awards for service and expertise from a range of educational bodies. We congratulated the following throughout the year:

- Teachers from RE and Ministry, Mathematics, Science, TAS and PDHPE achieved their Masters degrees
- Coordinator of Accreditation and Professional Practice, Jessica Fallone, supported Studies Coordinators and mentored six teachers to reach Proficiency through our Rosebank College Early Career Teacher

Program. This includes ongoing lesson observations and important feedback. Jessica herself achieved Highly Accomplished accreditation and she organised over 24 pre-service teachers to be supervised by experienced teachers throughout Rosebank College.

- 15 teachers received a NSW Teachers’ Guild Teacher Recognition award
- One of our Science teachers was a finalist for the NSW Teachers’ Guild Beginning Teacher Scholarship award
- Rosebank Diverse Learning Team were awarded ACEL’s Team Leadership Award
- Our Assistant Mathematics Coordinator received ACEL’s Mary Armstrong Award for Early Career Teacher Leadership

We continued to build on Wellbeing Wednesday and our Staff Wellbeing framework with a range of initiatives, supported by Admin Assistant Mary Mura. Mary has been behind the scenes so we can celebrate milestones between and with staff.

There have been a range of professional learning initiatives implemented this year, including inviting industry specialists to share their financial or physical health expertise with all members of staff. We include our Online Learning Designer, Brad Turney, as he also offered special ‘lunch and learn’ sessions and individual consultations to upskill and build capacity in ICT teaching strategies and support staff. To ensure our physical health, Rosebank College has partnered with Fitness Passport as we move into the new year.

It is with much gratitude that we can look back on 2024, and celebrate Professional Learning and Culture collaboration which drive our challenging and nurturing learning culture.

Ms Jennifer Jackson
– Dean of Professional Learning and Culture

Staff Farewells

JASON SMITH

As we bid farewell to Mr Jason Smith, we recognise his extraordinary contributions as a Science teacher, Science Coordinator, and Assistant Dean of Senior School. His passion for science, markedly Chemistry and Earth and Environmental Science as his specialty, benefited our students. In addition, his dynamic teaching has inspired both students and colleagues. Jason's leadership and commitment to Rosebank's values have left a lasting impact. We are grateful for his service and wish him success in his future endeavours.

LARA CARTER

We bid farewell to the warm and generous Ms Lara Carter, acknowledging her numerous contributions to the College. As a PDHPE teacher, Culture and Identity Patron and Assistant Brady House coordinator, her passion and enthusiasm shone through in every aspect of her work. Lara was a delight to collaborate with, consistently showing empathy and building strong connections with the Brady House families. While her departure is a significant loss for us, we wish her every success.

AIMEE LEAL

This year, we farewell Ms Aimee Leal, a Visual Arts teacher whose passion, creativity and guidance have left a lasting mark on our school. Her dedication to inspiring students and nurturing their artistic talents transformed our classrooms into spaces of discovery and expression. We thank her for her vision and resourcefulness and wish her all the best for what lies ahead.

JOHN MANNAH

We would like to take a moment to acknowledge and express our heartfelt gratitude to John who has been a pillar of kindness and compassion in our Religious Education Department. His dedication to nurturing both faith and character in our students has left a lasting impact. John's presence will be greatly missed.

DARRELLE LINES

We farewell Darrelle who has been a valued member of our school and TAS Department since 2015. Her expertise across all TAS subjects has inspired many students, and she has been an excellent role model for all, especially female students in non-traditional subjects. Her friendship and support will be missed, and we wish her all the best in her future endeavours.

JOAN SINCLAIR

Joan has been a pillar of support to Rosebank students and families for over 15 years. Her deep care and compassion towards the Rosebank community have been a beacon of comfort and strength to all that she meets. Joan's warm manner will be missed around the College. Her commitment to the wellbeing of those in her care is inspirational. Wishing Joan all the best.

LEANNE PLESA

Leanne is the 'All-Star' of the SRSC. She is passionate about promoting reading and learning for all students. Leanne is an expert in her field and the most compassionate person who makes sure that every child is welcome in the SRSC. The 'Manga Club' students have flourished under her care, as she nourishes the soul and the mind. Leanne will be very much missed by all although we are also all hopeful we may see her around from time to time.

JONATHAN BOOKER

We farewell Jack who has been inspirational in helping us to see the world through a creative lens. His passion for Visual Arts and Photography has sparked our imagination and taught us to appreciate beauty in every moment. We'll carry his lessons and encouragement with us, always striving to capture life's best angles. We wish Jack endless creativity and joy in the future!

ADITI KATARIA

We farewell Aditi who has been at the College for four years. Her passion for Mathematics and dynamic teaching style have inspired both students and colleagues. Aditi's leadership and commitment to Rosebank's values have left a lasting impact on many of her classes. We wish Aditi and her young family all the best for the future.

ALBERT MAKRAM

As Albert moves on to new endeavours, we would like to extend our heartfelt gratitude for his outstanding leadership as the Mathematics Coordinator. His dedication and vision have significantly raised expectations within the Mathematics Department, leading to exceptional results and elevating the profile of Mathematics across our school.

Thank you to Albert for his unwavering commitment and for inspiring both students and staff. We wish him all the best for his future endeavours. Albert's legacy here will always be remembered.

Academic Merit

- Enterprise Computing
- Mathematics (Advanced)

Scarlett Wallace

Academic Excellence

- Photography, Video & Digital Imaging

Cody Wedlock

Academic Merit

- English Standard

Sarah Whitton

Academic Merit

- Industrial Technology (Timber & Furniture)
- Photography, Video & Digital Imaging
- Consistent Effort*
- Earth and Environmental Science
- Modern History

Annika Wynen

Academic Merit

- Society and Culture
- Studies in Catholic Thought
- Textiles and Design

Scott Wrigley

Consistent Effort

- English Studies

Year 7

Aidan Adams-Smith	Adamson ADAM1	Tiana Damianakis	Dwyer DWYM3	Gemma Lam	Cassidy CASM1	Aariv Sharma	Vaughan VAUM1
Faith Akcan	Delaney DELM1	Cartia De Angeli	Caulfield CAUM3	Mason Lane	O'Connor OCOM1	Lia Sharma	Hayes HAYM2
Henry Akle	Caulfield CAUM1	Daniel De Bellis	Delaney DELM3	Jake Lapi	O'Connor OCOM3	Faith Shin	Hayes HAYM2
Dina Alexopoulos	Adamson ADAM3	Daisy De Celis	Adamson ADAM2	Connor Lee	Cassidy CASM2	Fergus Sinclair-Kydd	Caulfield CAUM1
Audrey Allan	Hayes HAYM3	Daniele De Franco	Adamson ADAM3	Katrina Lei	McLaughlin MCLM3	Peter Smith	Dwyer DWYM3
Madison Allen	McLaughlin MCLM2	Isabel De Sousa	Dwyer DWYM1	Alice Levy	Adamson ADAM1	Matteo Sorbello	McLaughlin MCLM2
Gabriel Arciga	Vaughan VAUM1	Evinda Demirbag	Hayes HAYM2	Peter Licciardello	McLaughlin MCLM2	Joshua Spagnuolo	Hayes HAYM3
Abigail Ardlie	Caulfield CAUM2	Ned Dermody	Delaney DELM2	Luella Liebenberg	Hayes HAYM1	Azariah Spiteri	Vaughan VAUM3
Adriano Ardore	Adamson ADAM2	Maxwell Dezius	Brady BRAM2	Jonas Limtungan	Adamson ADAM1	Chloe Spresian	Caulfield CAUM1
Xavier Armstrong	Cassidy CASM2	Alessia Di Cosmo	McLaughlin MCLM2	Estella Liseo	Adamson ADAM2	Sophia Stavropoulos	Adamson ADAM1
