

### Year 10 Work Experience Forms Due: Friday 26 July 2024

Congratulations to the Year 10 students who have been proactive in seeking out work experience providers and have been successful in finding an experience that fits with their career aspirations.

Students who have not organised work experience for 21 to 25 October are encouraged to use the resources available on Exchange and their own contacts to organise an employer before the above deadline.

A reminder that students will be required to attend support sessions after school in Term three until their work experience paperwork has been completed. Thank you to the parents who have helped their children in this endeavour.
